## STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. HOEVEN (for himself, Ms. STABENOW, Ms. HEITKAMP, Mr. GRASSLEY, Ms. KLOBUCHAR, Mr. THUNE, Mr. BROWN, Mr. ENZI, and Mr. ROUNDS):

S. 1844. A bill to amend the Agricultural Marketing Act of 1946 to provide for voluntary country of origin labeling for beef, pork, and chicken; to the Committee on Agriculture, Nutrition, and Forestry.

Mr. HOEVEN. Mr. President, today I filed, along with a bipartisan group of cosponsors, the Voluntary Country of Origin Labeling and Trade Enhancement Act of 2015. I wish to thank the cosponsors on the legislation. The lead cosponsor on the Democratic side is Senator DEBBIE STABENOW, ranking member on the Senate Agriculture Committee. Also joining us in this bipartisan group are Senator JOHN THUNE from South Dakota, another member of the agriculture committee, Senator AMY KLOBUCHAR, Senator CHUCK GRASSLEY, Senator HEIDI HEITKAMP, Senator MIKE ENZI, and Senator SHERROD BROWN. With the exception of Senator ENZI, all of the cosponsors are members of our agriculture committee.

What we are trying to do is come up with a solution to the country-of-origin labeling issue. This is an issue that has been in a WTO court for some time and involves the United States, Canada, and Mexico, our very good trading partners. Essentially what we are

working to do is to find a solution that addresses the WTO issues as far as country-of-origin labeling in a way that makes sure that we are WTO compliant so that there are no duties or tariffs that can be levied against any of our agricultural exports or any other exports. At the same time, for those who want to use country-of-origin labeling on a voluntary basis, they are able to do so. That would preserve what is known as the "Grade A" label, which simply means born, raised, and slaughtered or processed in the United States. So for beef, pork, and chicken, if it is born and raised and processed in the United States, one can still use that "Grade A" label, but it is a voluntary program, it is not a mandatory program. We do that purposely so that we meet the WTO requirements. I have spoken with the U.S. Trade Representative's office about that issue, which I will go into in just a minute.

What we have done is we have simply taken the House legislation—sponsored by the Agriculture Committee chairman in the House, Representative MIKE CONAWAY, which passed in the House—essentially, we take the same bill, the same language as far as repealing mandatory COOL. So we repeal mandatory COOL, which puts us in compliance with what the WTO is asking for, then we simply add some language that allows for a voluntary program, so that for processors, marketers, and producers that want to participate in a voluntary program, they can. If they believe consumers want to know, then they have that opportunity to provide their product with the "Grade A" label on a voluntary basis. That is reasonable because that is what Canada does. Canada has a voluntary program. It is called their "Product of Canada" label. So all we are doing is what Canada does. We repeal the mandatory program and we put in place a voluntary program just as our good friends and neighbors do in Canada.

When I spoke with the U.S. Trade Representative about this issue, essentially what they said is whether we repeal mandatory COOL by itself or repeal mandatory COOL and have a voluntary program, essentially we are in the same position vis-a-vis meeting the WTO requirements.

So this is really an effort to build bipartisan support for a solution to the COOL issue, which has been a challenging issue. This is an issue we worked on on the farm bill. I was one of the conferees on the conference committee, and COOL and some of the other issues were some of the last—dairy, for example—issues we were able to resolve in finally getting an agreement on a farm bill.

Again, this is an effort in a practical way to bring people together on both sides of the issue to solve the problem. We make sure we are WTO compliant. Then, on a voluntary basis, there is the option for people to label as they want to. We work to create enough bipartisan support in this body so we can

deal with the issue now, so we can resolve the issue now and pass this legislation and then get it to conference with the House and have a resolution before the end of this month and before the August recess so that this issue is taken care of.

I look forward to working with everybody involved on both sides of the aisle, including our esteemed chairman of the Agriculture Committee, Senator ROBERTS. I appreciate all the time we have spent working together on this issue. I look forward to working with Members on both sides of the aisle, both on the Agriculture Committee and everyone else, to craft a solution, advance it through this body, and get it to conference with the House.

As I said, I have spoken with Chairman CONAWAY, the Agriculture Committee chairman in the House. We have a good relationship, and we had a good dialogue about the sooner we get to work together to resolve this, the better, and we look forward to that.

Again, I ask my colleagues to join with us, our bipartisan group, in a bipartisan way. Let's get this done and make sure we not only have addressed the issue with the World Trade Organization court so there are no duties but also make sure we have put forward a solution that works for the American consumer and for the American agriculture industry, that on a voluntary basis gives them the opportunity to provide country-of-origin labeling as well as solving the WTO challenge.

By Mr. BLUMENTHAL (for himself, Mrs. MURRAY, Mr. SANDERS, Mr. BROWN, Mr. TESTER, and Ms. HIRONO):

S. 1856. A bill to amend title 38, United States Code, to provide for suspension and removal of employees of the Department of Veterans Affairs for performance or misconduct that is a threat to public health or safety and to improve accountability of employees of the Department, and for other purposes; to the Committee on Veterans' Affairs.

Mr. BLUMENTHAL. Mr. President, going back to my colleagues who have appeared to talk about issues of accountability for the Department of Veterans Affairs, I want to say how grateful I am for the spirit of collaboration that prevailed yesterday in our meeting.

Very generously and responsibly, the chairman of that committee, Senator ISAKSON—my good friend and distinguished colleague from Georgia—offered and committed to continue the effort to improve the measures we approved yesterday in our committee to hold accountable the Department of Veterans Affairs and all of its employees—just as we do any other agency of government—to make sure we keep faith with our veterans and leave no veteran behind.

Our Nation needs to make sure we provide the robust resources and the prompt delivery of health care services
