LEGISLATIVE SESSION

The PRESIDING OFFICER. The Senate will now resume legislative session.

NOTICE ACT

Mr. McCONNELL. Mr. President, I ask unanimous consent that the Committee on Finance be discharged from further consideration of H.R. 876 and the Senate proceed to its immediate consideration.

The PRESIDING OFFICER. Without objection, it is so ordered.

The clerk will report the bill by title.

The senior assistant legislative clerk read as follows:

A bill (H.R. 876) to amend Title XVIII of the Social Security Act to require hospitals to provide certain notifications to individuals classified by such hospitals under observation status rather than admitted as inpatients of such hospitals.

There being no objection, the Senate proceeded to consider the bill.

Mr. CARDIN. Mr. President, I applaud the Senate passage of H.R. 876, the Notice of Observation Treatment and Implication for Care Eligibility, NOTICE, Act. Representative LLOYD DOGGETT of Texas introduced H.R. 876. Senator ENZI and I introduced an identical companion bill in the Senate, S. 1349, which the Finance Committee reported unanimously by voice vote on June 24, 2015. This important legislation requires hospitals to give notice to Medicare beneficiaries who are classified as "outpatient observation" status

for more than 24 hours rather than being admitted to the hospital as inpatients. Being classified as “outpatient observation” status may result in higher out-of-pocket costs for Medicare beneficiaries and makes those beneficiaries ineligible for Medicare coverage of post-acute care in a skilled nursing facility after they are discharged from the hospital.

The use of “outpatient observation” status has become more prevalent in recent years, and the duration of these “outpatient observation” stays has grown longer—meaning that an increasing number of Medicare beneficiaries are spending more and more time in the hospital without being admitted as inpatients. According to the Department of Health & Human Services’s, HHS, inspector general, in 2012, Medicare beneficiaries had more than 600,000 “outpatient observation” stays that lasted 3 nights or more.

These “outpatient observation” stays can have serious financial consequences for seniors. Medicare beneficiaries classified as “outpatient observation” status are responsible for outpatient co-payments and prescription drug costs that they would not have had as an inpatient—and there is no out-of-pocket cap on these costs. Perhaps most importantly, Medicare will only cover post-acute care in a skilled nursing facility, SNF, if the beneficiary had 3 consecutive days of hospitalization as an inpatient—even though “outpatient observation” patients may spend multiple nights in the hospital and receive the same type and level of care as inpatients. This means Medicare beneficiaries classified as “outpatient observation” status who require skilled nursing care after discharge from the hospital must pay the entire cost themselves—an average out-of-pocket cost of more than \$10,000 per beneficiary.

Understandably, Medicare beneficiaries spending several nights in the hospital often simply assume that they have been admitted as inpatients. Many seniors are unaware that they have actually been classified as “outpatient observation” status and what that means in terms of the financial consequences for them and their families. In some cases, these seniors only become aware of their “outpatient observation” status after they receive a bill from the nursing home for tens of thousands of dollars.

Under the NOTICE Act, within 36 hours or, if sooner, upon discharge, hospitals are required to provide written notice to the Medicare beneficiary explaining, No. 1, that he or she has been classified as an outpatient under observation status, instead of being admitted as an inpatient; No. 2, the reason for that classification; and, No. 3, the implications on cost-sharing and eligibility for Medicare coverage of post-acute care in a skilled nursing facility.

The NOTICE Act is a no-cost, commonsense approach that will help en-

sure our seniors are fully informed about their hospital status and the financial implications. I thank my colleagues for joining with me and Senator ENZI to support this important legislation.

Mr. McCONNELL. Mr. President, I further ask unanimous consent that the bill be read a third time and passed and the motion to reconsider be considered made and laid upon the table with no intervening action or debate.

The PRESIDING OFFICER. Without objection, it is so ordered.

The bill (H.R. 876) was ordered to a third reading, was read the third time, and passed.

RECESS

Mr. McCONNELL. Mr. President, I ask unanimous consent that the Senate stand in recess until 9:15 p.m.; further, that all time during the recess count postcloture.

The PRESIDING OFFICER. Without objection, it is so ordered.

Thereupon, the Senate, at 6:57 p.m., recessed until 9:15 p.m. and reassembled when called to order by the Presiding Officer (Mr. BOOZMAN).
