#### STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. KIRK:

S. 1863. A bill to award a Congressional Gold Medal to Timothy Nugent, in recognition of his pioneering work on behalf of people with disabilities, including disabled veterans; to the Committee on Banking, Housing, and Urban Affairs.

Mr. KIRK. Mr. President, today I wish to commemorate the 25th anniversary of the Americans with Disabilities Act, ADA, as well as Timothy Nugent, who has spent the past 70 years as a relentless innovator and tireless advocate for disabled people across the country. Together with Congressman RODNEY DAVIS, I have introduced a bill that would award Mr. Nugent with the Congressional Gold Medal. Mr. Nugent and the ADA have helped millions of Americans live better, more productive lives, improving the United States overall, and making us an example for the world to follow.

Timothy Nugent saw a need for services and accommodations for disabled servicemen when they came home from the battlefields of World War II. Mr. Nugent founded the first higher educational program for wounded and disabled soldiers in the world, and he confronted the bias of the general public by bringing students with disabilities into the mainstream of college campuses and societies. Because of Mr. Nugent's leadership and commitment, the University of Illinois built accommodations for the disabled veteran and created a hospitable environment for our Nation's greatest heroes, providing them the same educational opportunities as others. He also disproved many in the medical community who believed that either rehabilitation and sporting activities were harmful to individuals with severe disabilities or that education was not necessary because of the beliefs at the time was that the lifespan of persons with spinal cord injuries would be too short for them to benefit from college degrees.

Many of the architectural accessibility standards and laws of the United States, including the welcoming Americans with Disabilities Act, trace back directly to innovations created by Nugent. I know firsthand how impor-

tant this law and Mr. Nugent's actions are to the University of Illinois and the community of 50 million Americans living with a disabilities. Laws like the Americans with Disabilities Act allow all Americans to live life on their own terms, and Mr. Nugent's work on behalf of these individuals is well-deserving of the Congressional Gold Medal.
