

Principal Condon's efforts have been instrumental in advancing Indiana's education system. His leadership has led to the development of digital and project-based learning, creation of dual credit courses and preparation of students for the job market. As a result, Plymouth High School now offers 35 dual credit courses and has achieved one of Indiana's highest pass percentages on AP classes. The school recently opened a state-of-the-art Advanced Manufacturing Training Center that serves students during the day and adults in the evening. Contributions like these would not be possible without the effort of passionate educators like Principal Condon. Quite simply, his work is bettering the lives of Hoosiers.

I want to take this opportunity to once again thank Principal Condon for helping students in Plymouth develop their talents and become our future leaders. On behalf of myself and my fellow Hoosiers, I congratulate him on receiving this prestigious award.

RECOGNIZING THE 50TH ANNIVERSARY OF LUEN THAI GROUP

**HON. GREGORIO KILI CAMACHO
SABLAN**

OF THE NORTHERN MARIANA ISLANDS
IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 29, 2015

Mr. SABLAN. Mr. Speaker, today I ask you to join me in celebrating a fifty-year story of success that spans not just the Northern Mariana Islands or the mid-Pacific region, but three continents and several oceans. The Luen Thai Group of companies was founded by Dr. Tan Siu Lin in Hong Kong in September 1965, expanded to the Northern Mariana Islands and Guam in the 1970s, and now provides many important services to our community through its many local, regional, and international affiliates.

The Luen Thai Group is among the most successful apparel and accessories supply chain service providers in the world. The apparel business is listed on the Hong Kong Stock Exchange and produced 175 million units of garments, bags and shoes last year.

The company has invested heavily in the tourism industry in our region and continues to drive the expansion of tourism today. Luen Thai affiliate Century Travel and Tours is responsible for bringing thousands of visitors to our islands and for providing for their enjoyment during their stay with professional, quality services in air and ground passenger transportation.

Luen Thai Fishing Venture is a "one-stop" seafood provider, offering a full range of supply chain services from fleet operation, base operation, and processing in the central and western Pacific regions, to marketing and sales in Japan, the United States and China.

Luen Thai is also a provider of third party logistics as well as air and sea freight forwarding. The synergy created by these three areas of activity not only supports Luen Thai's own growth, but also helps connect the many small islands scattered over our vast ocean region, contributing to economic development and lifting the quality of life for those who inhabit Micronesia.

And affiliate Asia Pacific Airlines' services match the needs of a wide-ranging clientele. APA is a US-registered airline and a reliable air cargo service carrier in the western Pacific region.

Luen Thai has been involved in shipping since its early days. Along with partners, Luen Thai set up Mariana Express Lines, Ltd. in 1997 to increase the supply of shipping services in the Micronesian region. MELL's reliable and regular shipping services have brought business growth to Luen Thai Group as well as other enterprises in the region.

With service stations in 12 countries across Asia and America, affiliate CTSI is the largest provider of logistics services in Micronesia. It also works closely with MELL and APA to provide a full range of logistics and support services, including logistics consultancy and training, as well as customized IT solutions which support service integration, real time information and efficient operations. CTSI strives to provide the best to its customers by fostering a corporate culture that champions quality service, and by continually investing in both personnel as well as the hardware of the company.

Affiliate POI Aviation provides a broad range of round-the-clock services in ground handling, passenger and cargo handling, airport operation, and aircraft maintenance, to Saipan International Airport and its users.

Affiliate Century Insurance was established in the 1980s as an agent for a number of multi-national non-life insurance companies to issue and underwrite policies on commercial and domestic types of insurance in Micronesia. It was granted a Certificate of Authority to operate as the first fully-fledged non-life insurance company in CNMI.

For a long time, the sheer size of Micronesia has made it difficult and costly to provide a quality health service to the small populations scattered over its islands. Luen Thai met this challenge by investing in TakeCare, Inc. TakeCare provides medical insurance and owns FHP Health Center. One of the longest serving health service providers in the region, FHP operates twelve centers of medical care on Saipan and Guam which cover the full spectrum of wellness, both in sickness and health, from monitoring physical fitness to dispensing quick responses to urgent medical needs such as transfer service to major medical facilities overseas.

Affiliate Saipan Tribune is a daily newspaper that keeps the people of Saipan informed about life on the island and world events while its web version serves as a window to the islands for the outside world. The Tribune is a very important part of the community fabric.

Luen Thai also owns Cosmos Distributing Co. Ltd. and Dickerson & Quinn, which is a vast network in Micronesia for the distribution of a myriad of international brands.

Tango, Inc. brings great, state-of-the art cinema to the western Pacific region. Today, the company owns 17 movie screens, 30 bowling alleys, and other entertainment and dining outlets in the region.

Realty Management Services provides professional management and rental services in Guam and Saipan, including for residential, commercial and industrial properties. The first-rate service and green initiatives of RMS have set benchmarks in the region.

Dr. Tan Siu Lin's values and beliefs are the guiding principles of the operation and development of businesses in Luen Thai. Dr. Tan believes strongly in giving back to the communities where Luen Thai operates.

In 2009, Luen Thai launched the "iServe. iGiveback." program that incorporated all business units and their employees. The group of companies has also shown its support for educational, art, cultural, as well as sport activities and programs with generous sponsorships.

The first Tan Siu Lin Foundation was established in Saipan in 1986, followed by others in Guam, Hong Kong, and China, to oversee and coordinate Dr. Tan's wide-ranging charitable works in many different places.

The history of the Luen Thai group of companies is an extraordinary success story that reflects the vision and dedication of Dr. Tan and his family. The company and its affiliates bring employment, products, services, and business opportunities to the Northern Mariana Islands, to our entire region, and around the world.

RECOGNIZING VIC STORY JR., 2015
FLORIDA FARMER OF THE YEAR

HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 29, 2015

Mr. WEBSTER of Florida. Mr. Speaker, I am pleased to take this opportunity to recognize a close friend of mine whose dedication to the citrus industry has greatly impacted our Central Florida community. Mr. Vic Story Jr. of Lake Wales, Florida was recently named the 2015 Swisher Sweets/Sunbelt Expo Florida Farmer of the Year. Mr. Story oversees The Story Companies, his family-owned and operated business, which includes land holdings, citrus management, citrus marketing and harvesting for over 7,000 acres of citrus in Polk, Hardee, Highlands, and Hendry counties.

In 1945, upon returning home from fighting in World War II, Mr. Story's parents moved to Polk County, Florida and purchased 100 acres. Mr. Story, along with his brother, Terry, helped his father plant their property with an orange and grapefruit grove until all the land was planted in citrus. Mr. Story's father, Vic Sr. grew the family's grove into a successful enterprise after surviving the major citrus freezes in 1957-58. In 1965, they began purchasing other citrus groves in the area, and by 1984, they had started a harvesting company. Today Mr. Story serves as the President and Chairman of the Board of The Story Companies for the family farm. He has passed on the management of the family business to his two sons, Kyle and Matt.

This October, Mr. Story and his family will head to Moultrie, Georgia for the Sunbelt Ag Expo, where he will compete with nine other state winners for the Southeastern Farmer of the Year. He is most deserving of being named 2015 Florida Farmer of the Year. His leadership, dedication, and passion continue to be an inspiration to us all.
