

Republic). The two sovereign nations are fellow members of the North Atlantic Treaty Organization (NATO) and are important and reliable allies in promoting U.S. interests. The two countries work together to strengthen security, promote economic development and democratic values, and defend basic human rights.

Both nations have growing economies and are immersed in the global marketplace. The Slovak Republic has been recognized as a large and upcoming competitor in technology and automotive industries and was ranked in one of the highest tiers for "Doing Business" by the World Trade Organization. Similarly, the Czech Republic is a leader in aerospace and aviation, automotive manufacturing and engineering. The Czech government continues to emphasize Czech-American collaboration in the most demanding fields which require high quality and innovative products.

Missouri's Fifth Congressional District is particularly proud to have been the host of the signing of Czech Republic's NATO admission documents in Independence, Missouri at the Truman Presidential Library. It is appropriate then that the Ambassadors have the opportunity to visit the Truman Library during their visit.

Many communities in the Midwest take pride in their Slavic heritages, and the Fifth District is pleased to be one of them. The rich cultural and historical ties between our District and the Czech and Slovak Republics are a demonstration of the melting pot culture we celebrate in the United States.

Mr. Speaker, please join me in expressing our heartfelt congratulations to the Czech Republic and Slovak Republic for their relentless efforts in extending good will, commerce and democratic principles, not only within their borders, but to the global community, including Missouri's Fifth Congressional District. I urge my colleagues to please join me in expressing our appreciation to these two nations and their Ambassadors, who continue to advance democratic principles.
