

H.R. 719, the TSA Office of Inspection Accountability Act of 2015, with Senate amendment 2689, the continuing resolution. This measure included a provision providing \$700 million to the wildland fire management account for the U.S. Forest Service in the Department of Agriculture that was designated as emergency funding pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Deficit Control Act of 1985. The inclusion of this designation makes this spending eligible for an adjustment under the Congressional Budget Act.

As a result, I am revising the budgetary aggregate for 2016 by \$700 million in budget authority and \$700 million in outlays. I am also revising the 2016 allocations for budget authority and outlays to the Appropriations Committee by \$700 million in budget authority for

the revised nonsecurity category and \$700 million in outlays.

I ask unanimous consent that this notice and the accompanying tables, which provide details about the adjustment, be printed in the RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

NOMINATION OBJECTION

Mr. GRASSLEY. Mr. President, I intend to object to any unanimous consent request at the present time relating to the nomination of Brian James Egan, of Maryland, to be Legal Adviser of the Department of State.

I will object because the Department of State has failed to fully respond to almost a dozen outstanding letters dating back to 2013. In addition, on August 20, 2015, my staff met with Department officials in an effort to prioritize material for production. The Department has failed to comply with its commitments, producing material late, failing to provide all requested material, and even failing to provide material to the Senate Judiciary Committee contemporaneously with providing the same documents to Freedom of Information Act requestors.

This past August, I warned the Department that if it failed to change its ways that I would be forced to escalate the scope of my intent to object to unanimous consent requests for Department nominees. Since then, the Homeland Security and Governmental Affairs Committee chairman has joined me in requesting witness interviews of Department employees. Despite the Department's commitment to make witnesses available and assist in the identification of additional relevant witnesses, none of these interviews have actually been scheduled. The Department needs to respond in good faith to the Senate Judiciary Committee and the Homeland Security and Governmental Affairs Committee. Thus far, it has primarily been promises with little or no followthrough. The Department's good faith will be measured in documents delivered and witnesses provided.

My objection is not intended to question the credentials of Mr. Egan in any way. However, the Department must recognize that it has an ongoing obligation

to respond to congressional inquiries in a timely and reasonable manner.

ADDITIONAL STATEMENTS

RECOGNIZING THE MARINE MAMMAL CENTER

• Mrs. BOXER. Mr. President, as the Marine Mammal Center, MMC, celebrates its 40th anniversary, I want to congratulate the staff, volunteers, and supporters of this extraordinary center for all they have done for decades to rescue and rehabilitate more than 20,000 marine mammals along our California coast.

MMC was founded in 1975 by a small group of local residents who wanted to aid sick and injured marine mammals such as elephant seals, sea lions, whales, sea otters, and dolphins. Over the years, MMC steadily expanded its efforts to emerge as the only organization authorized by the National Marine Mammal Fisheries Service to rescue ill or injured marine mammals along 600 miles of California coast. This mission has become increasingly important as the effects of climate change threaten our oceans and the marine life that depend on them.

MMC also has a robust scientific research program that serves as an incredible resource for information about mammal care, medicine, and health. MMC offers educational programs that engage the public and enrich science education for children, and their recently renovated headquarters will expand these efforts by allowing visitors to watch rescued animals be cared for at their modern animal hospital facility.

For 40 years, MMC has worked tirelessly to protect our magnificent marine animals, and I know their work will continue to make a profound dif-

ference for this generation and every generation to come.●

CALVARY BAPTIST CHURCH

• Mr. SCOTT. Mr. President, I would like to congratulate and honor Calvary Baptist Church of Charleston, SC, who will celebrate their 150th anniversary on October 10, 2015.

In 1865, the Calvary Baptist Church was founded by Reverend Charles Smalls as the Baptist Church in Charleston. The church is known as a the founding member of the Baptist Education and Missionary Convention of South Carolina and Gethsemane, the first African American Baptist Association in South Carolina.

Calvary was damaged, but not destroyed, by an earthquake in 1886, rebuilt after being burned down in April 1887, and repaired after a 1938 tornado. Commendably, Calvary Baptist Church has endured tough times, but still managed to greatly prosper.

Calvary Baptist Church is an example of a group who remains committed to Christ and community. During the civil rights movement, the church fought for justice and equal opportunity. Their leadership has helped both the Charleston community and our beloved country march forward.

Today, Reverend Arthur Evans, Sr., continues to lead the congregation with praise, love, and worship. Calvary has shown tremendous faith through works of charity, and their honorable legacy will forever be appreciated. I acknowledge with pleasure the church's influence in Charleston and therefore recognize their growth, success, and 150 years rooted in faith.●

OTTAWA UNIVERSITY

• Mr. MORAN. Mr. President, I wish to commemorate the 150th anniversary of
