

have responded to crises by delivering prefabricated shelters and disaster relief to numerous countries. They even charitably donated \$1 million towards a memorial for President Eisenhower on the National Mall in Washington, DC. Their involvement in worldwide affairs shows their genuine care and concern for America and our neighbors across the globe.

The United States is committed to supporting Taiwan and remaining their ally, and will help them in their efforts to pursue freedom and democracy.

HONORING THE SERVICE AND SACRIFICE OF DEPUTY SHERIFF WILLIAM "BILL" MYERS

**HON. JEFF MILLER**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. MILLER of Florida. Mr. Speaker, it is with both profound sadness and deep gratitude that I pay tribute to Deputy Sheriff William Myers, of the Okaloosa County, Florida Sheriff's Office, who gave his life in the line of duty on September 22, 2015. Deputy Myers served our Nation and the Okaloosa Sheriff's Office with honor and distinction, and I am humbled to recognize his service and selfless sacrifice.

Deputy Sheriff William "Bill" Myers dedicated his life to serving his country. He faithfully served in the United States Air Force for 20 years, during which he was awarded the Meritorious Service Medal. After he left the military, Deputy Myers worked as a part-time Officer with the Valparaiso Police Department. In December 1989, he joined the Okaloosa County Sheriff's Office as a Deputy Sheriff serving the local Northwest Florida community. During his tenure, he served in the Patrol Division, Court Security, and the Traffic Unit. Deputy Myers retired from the Okaloosa County Sheriff's Department on November 30, 2013 with 25 years of service, but continued his work with the agency as a volunteer. In January of this year, Deputy Myers returned to the Sheriff's Office as a part-time Deputy in Judicial Process. Upon serving a Domestic Violence Injunction on Tuesday, September 22, 2015, the suspect who was expected to turn over his firearms, instead opened fire, fatally injuring Deputy Myers.

Through his military service and his law enforcement career, Deputy Myers made a choice to stand up and serve his country and community. There is no greater honor than to serve and protect the lives of your fellow man at the risk of your own. Deputy Myers exemplified the dedication to service and courage that is needed to make that decision and put on the uniform. As a law enforcement officer, Deputy Myers put himself in danger each and every day to protect and serve our community. We all entrust our lives to law enforcement officers because we know that when faced with serious criminal threats, they are trained to act quickly and effectively to neutralize the threat and protect civilian lives. We all pray that our officers do not have to confront a serious armed threat, but we sleep well at night knowing that if necessary they stand ready to protect and defend our community, even if that means making the ultimate sacrifice.

In addition to his successful career and unwavering leadership in his community, Deputy Myers will be remembered as a dedicated officer and a man full of integrity and kindness. To his family and friends, he will always be remembered as a loving husband, father, and grandfather.

Mr. Speaker, on behalf of a grateful community and Nation, I am humbled to honor the service and sacrifice of this local hero. My wife Vicki and I offer our sincere condolences to his wife, Jan; sons, Sean, Eric, and Adam; and the entire Myers family. May God bless them and all members of our Nation's law enforcement community.

GRETCHEN CERVENY

**HON. ED PERLMUTTER**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Gretchen Cerveny for receiving the Jefferson County 2015 Hall of Fame Award from the West Chamber.

The Hall of Fame Award recognizes outstanding individuals who have had significant, long-lasting impacts through their leadership and contributions to Jefferson County's economy, community and legacy.

Gretchen started her career as a physical therapist and served as the president of the American Physical Therapy Association (APTA) Colorado chapter. Her work in this area received several awards, including the Bob Doctor Service Award from the Colorado Chapter of the APTA, Outstanding Physical Therapist of the Year from the APTA (1980), and a recognition from Lutheran Medical Center for her twenty-five years of service, some of which as the Physical Therapist Department Head (1976–1994).

In 1997, Gretchen was elected Mayor of Wheat Ridge where she participated in groups such as the Colorado Municipal League, Strategic Visioning Committee, Juvenile Justice Committee, Transportation Committee, and Tax Policy Committee, among others. She worked extensively with the Senior Resource Center (SRC) and helped to reauthorize the Older Americans Act. Her efforts as Mayor have been recognized by the Denver Regional Council of Governments and the National Association of Parliamentarians.

Gretchen spent five years on the Colorado Commission on Aging and remains involved with the SRC. Gretchen also serves on the Jefferson County Aging Well Committee and is an active member of the Wheat Ridge Business Association.

Congratulations to Gretchen Cerveny for this well-deserved honor by the West Chamber. I am grateful for her contributions to Jefferson County.

HONORING HAITI RURAL ELECTRIC COOPERATIVE LINEMEN

**HON. BILLY LONG**

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. LONG. Mr. Speaker, I rise today in honor of 7 volunteer electric linemen from

White River Valley in Branson, Missouri, who traveled to Haiti this June and August to help provide sustainable seven-day-a-week electric service to Haitians.

Cory Brandon Sanders, Raymond Roy, William Gyger, William Marr, Matthew Maggard, Mark Visnosky, and Jacob Kennedy donated their time and talents as part of the National Rural Electric Cooperative Association's (NRECA) Haiti Rural Electric Cooperative (HREC) program.

This project is the first formal privately owned and operated distribution utility in the country, which intends to demonstrate the feasibility of solar-diesel hybrid power generation for isolated rural mini-grids. The goal that these men worked toward making 1,600 connections within a grid to unite the underserved Haitian communes of Roche-a-Bateau, Coteaux, and Port-a-Piment.

Mr. Speaker, these 7 selfless linemen from Southwest Missouri deserve our thanks and recognition for their dedication to the HREC's noble goal of bringing affordable and reliable power to the southern coast of Haiti. Stories like theirs make me ever-prouder to serve Missouri's Seventh Congressional District.

REAUTHORIZE THE LAND AND WATER CONSERVATION FUND

**HON. RON KIND**

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, October 1, 2015*

Mr. KIND. Mr. Speaker, I am here today to speak out in favor of reauthorizing the Land and Water Conservation Fund. As you know, the Land and Water Conservation Fund was established fifty years ago and has since become our nation's most successful conservation program—all without spending a single dime of taxpayer dollars. I wish to show my strong support for reauthorization of the Land and Water Conservation Fund.

The Land and Water Conservation Fund is a crucial component of our nation's conservation initiatives. As an avid hunter and outdoorsman, I believe that preserving our nation's natural treasures for future generations is a responsibility that we must take seriously. Not only is stewardship of our lands the right thing to do, but it's also a sound investment. We know that every dollar spent acquiring LWCF land creates a return of four dollars to local communities. Outdoor recreation activities contribute significantly to our national and state economies. In my home state of Wisconsin, outdoor recreational activities contribute over \$9.7 billion to our state economy each year.

The Land and Water Conservation Fund has helped to create outdoor recreation opportunities for each and every state. Wisconsin has received \$211 million to fund such projects as the Chequamegon-Nicolet National Forest, the Lower St. Croix National Scenic River, and the Ice Age National Scenic Trail, where the Land and Water Conservation Fund participated in a highly successful public-private partnership to preserve additional sections of the trail. LWCF's grant programs have also allowed state and local governments to decide which conservation programs work best for them. The Land and Water Conservation Fund's highly successful grant program
