DOMESTIC VIOLENCE AWARENESS MONTH

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today in recognition of October being Domestic Violence Awareness Month.

Domestic violence affects people across the Nation, including one in four women and one in seven men who have suffered severe physical violence.

In my district, I want to recognize the efforts of the Clothesline Project, an initiative which features T-shirts decorated by domestic violence survivors. In preparation for Domestic Violence Awareness Month, people from across the Clarion County, Pennsylvania, area have participated in this project, decorating shirts which were displayed during last Saturday's Autumn Leaf Parade in Clarion.

Mr. Speaker, this is such an important effort because last year 97 people died as a result of domestic violence in Pennsylvania. It is a wide age range. In fact, one was an infant.

I appreciate the efforts of the Clothesline Project and all the non-profit and community organizations across my district working to bring attention to this critical issue.

RECOGNIZING 90TH ANNIVERSARY OF PHINEAS BANNING HIGH SCHOOL

(Ms. HAHN asked and was given permission to address the House for 1 minute.)

Ms. HAHN. Mr. Speaker, I rise to recognize the 90th anniversary of Phineas Banning High School in Wilmington. It was named after General Phineas Banning, known as the "Father of the Port of Los Angeles," thus the school's mascot, the Pilots.

Banning has earned a reputation as an athletic powerhouse. The Pilots hold the title for the second-most CIS championships in the entire city of Los Angeles.

Over the past 90 years, Banning High School hasn't lost sight of its core mission: to educate the young people of Wilmington and to prepare them for their future.

It is an impressive alumni that have gone on to be NFL stars, Olympic athletes, actors, CEOs, scientists, and educators. Many of my friends and members of my staff went to Banning High

School. They can trace lifelong friendships and some of their fondest memories to their time there.

Tomorrow night Banning will celebrate its milestone at its homecoming football game against the San Pedro Pirates. Both schools are in my district, however; so, I am not taking sides. But I want to wish both teams good luck and wish the Pilots a happy 90th birthday.

LIFTING THE CRUDE OIL BAN

(Mr. ZINKE asked and was given permission to address the House for 1 minute.)

Mr. ZINKE. Mr. Speaker, I rise in support of lifting the ban on crude oil exports. It means jobs, 500,000 to 1 million jobs across the country and 2,400 jobs in Montana, with a revenue of at least \$120 million.

As a former Navy SEAL commander, I understand the importance of national security. I do not want this Nation to be reliant on foreign energy sources and be held hostage by foreign countries for our energy needs.

It has been a longstanding policy of this country to be energy independent, and lifting the crude oil ban is part of that.

Lowering gas prices: All estimates look at lowering the gas prices by 1.5 to 13 cents a gallon. That is real savings to every American family.

I urge the Senate to take this up. This is not a partisan issue. This is not a Republican or a Democrat issue. This is a national security issue. So I ask the Senate to take it up. I am confident it will come out of the House in numbers that are bipartisan.

Anyone who votes against releasing the ban—there is only one country on the face of the planet that has a ban on crude oil, and that is here. Even Iraq and Iran can export their crude.

ENDING GUN VIOLENCE

(Mrs. CAROLYN B. MALONEY of New York asked and was given permission to address the House for 1 minute.)

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, last week we experienced the 45th school shooting in 2015. Nearly 10,000 people have been killed by guns this year alone; yet, too many leaders respond with absolute indifference. They tell us that "stuff happens," that we should just move on.

Are the 20 kids killed at Sandy Hook Elementary School just stuff happening? Are the 32 murdered at Virginia Tech just stuff happening? Are the 12 people gunned down in the Aurora, Colorado, movie theater just stuff happening? What about the 9 people killed at Umpqua Community College on Friday?

This stuff has real costs to families, to friends, to our whole community, to our country. It does not have to happen.

Let's make gun trafficking in illegal weapons a Federal felony and have universal background checks.

Let's end the moments of silence on the floor and have, instead, votes on the floor to end gun violence.

DOMESTIC VIOLENCE AWARENESS MONTH

(Mr. DOLD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DOLD. Mr. Speaker, I rise today to recognize October as Domestic Violence Awareness Month.

Violence against women is not a partisan problem. It is an American problem. So it demands a bipartisan solution.

As a father, son, and husband, to me, this issue is about protecting families, plain and simple. Unfortunately, debate in Washington is often dominated by the same tired politics, divisive rhetoric, and by the misguided notion that some issues are just too tough to take on.

We can't allow this gridlock to stop us from working to ensure that every woman feels safe and every child lives free from fear.

That is why I helped introduce the Zero Tolerance for Domestic Abusers Act. This bill is a commonsense solution to bring Federal law in line with over 30 States that already have protections in place to keep guns out of the hands of abusers, to protect families, and to curb domestic abuse by preventing domestic violence from becoming domestic murder.

Together, we can make our country safer, which is why I encourage my colleagues to join me on this important legislation, supporting safety and security for all Americans.

HONORING DOLORES HUERTA FOR A LIFETIME OF SERVICE AND THE 85TH ANNIVERSARY OF HER BIRTH

(Mr. McNERNEY asked and was given permission to address the House for 1 minute.)

Mr. McNERNEY. Mr. Speaker, I rise during this Hispanic Heritage Month to ask my colleagues to join me in recognizing Dolores Huerta for a lifetime of service and honor her on the 85th anniversary of her birth.

Living in Stockton, California, she witnessed the unjust exploitation and suffering of migrant workers. Refusing to stay silent in the face of brutal working conditions, Dolores joined Cesar Chavez to co-found what is now United Farm Workers, the leading advocacy voice for the migrant community.

Dolores' actions were essential to pass the 1975 California Agricultural Labor Relations Act. Her tenacity is captured in the resonating chant, "Si, Se Puede" that still gives voice to today's civil rights movement.

In 2012, Dolores received the distinguished Presidential Medal of Freedom. She continues to organize com-

munities to fight for social justice as president of the Dolores Huerta Foundation.

For her lifetime of service, I ask my colleagues to join me in honoring Dolores Huerta.

LIFTING THE CRUDE OIL BAN

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today in support of H.R. 702, to lift the outdated ban on U.S. crude oil exports.

This 40-year-old ban was enacted during the time of oil scarcity in the 1970s in an effort to preserve domestic oil reserves and discharge foreign imports. Today the ban is driving up the price at the pump while discouraging American energy independence.

The United States is now the largest oil producer in the world, producing more barrels per day than Saudi Arabia or Russia, but we cannot take full advantage of this strength without the ability to export crude oil as the boom in domestic oil production has surpassed the ability for our domestic refiners to process crude oil for export.

The ban on crude oil exports was created in reaction to market conditions at the time. These conditions no longer exist. While the President is opening up oil markets for Iran with a nuclear agreement, U.S. oil producers should have the same access to the global market.

It is time to lift the ban on crude oil exports. I urge my colleagues to support lifting the crude oil ban.

HONORING THE LATE ALMA BEATTY OF NEWARK

(Mr. PAYNE asked and was given permission to address the House for 1 minute.)

Mr. PAYNE. Mr. Speaker, I rise today to honor Ms. Alma Beatty, a longtime vice president of Community Affairs at Newark Beth Israel Medical Center who passed away earlier this year.

Ms. Beatty was born in Newark, New Jersey, and became one of the city's most beloved citizens through her 45 years of service at "The Beth."

Under Ms. Beatty's leadership, "The Beth" became a model of excellence in protecting the most vulnerable among us. Thanks to her vision, "The Beth" instituted a number of community service programs that continue to this day, including Adopt a Child Christmas Program.

Last month, I had the honor of participating in a ceremony to change the name of Newark's Osborne Terrace to "Alma Beatty Way." It is a fitting recognition to Ms. Beatty's contributions to the city of Newark, the county of Essex, the State of New Jersey, and the United States of America.

To Ms. Beatty's family I send my thoughts and prayers and continued

love for the work that she has done in our community.

RECOGNIZING JERRY HARTZ FOR HIS OUTSTANDING SERVICE TO THE CONGRESS

(Ms. PELOSI asked and was given permission to address the House for 1 minute.)

Ms. PELOSI. Mr. Speaker, today I rise to celebrate the leadership of a consummate civil servant, a skilled strategist and an astute adviser for his outstanding service to the Congress for the better of three decades, a proud son of Iowa who is deeply dedicated to our country, to advancing the Democratic agenda on the House floor, and to strengthening our democracy, an exemplary professional whom I have had the privilege to have on my staff for the past 13 years. I speak of—respected on both sides of the aisle—Jerry Hartz.

Jerry is a master of House rules and parliamentary procedure. Over the years, Jerry has managed influential and consequential debates on the House floor. He played a vital role in advancing our Democratic efforts to improve the lives of Americans by moving forward vital legislation.

We simply could not have done without you, Jerry.

On the most challenging and critical legislative issues of our day, Jerry consistently exhibited the wisdom, the creativity, and the fairness needed to improve our world.

Though we will miss his experience and his expertise, I am proud that Jerry will continue to contribute shaping our Nation at the National Democratic Institute.

Thank you to Jerry's wife, Jennifer, who is with us today, and their daughters, Alicia and Evelyn, for sharing Jerry with us all these years.

Earlier this morning we had a huge number of Members of Congress come pay their respects to Jerry and to Jennifer, a large number of staff from both sides of the aisle who recognize Jerry's sense of fairness.

Thank you, Jerry, for your long and excellent service to the Democratic Caucus, to this House, and the United States Congress and, in doing so, to the United States of America. Thank you for your patriotism and your leadership.

PROVIDING FOR CONSIDERATION OF H.R. 538, NATIVE AMERICAN ENERGY ACT, AND PROVIDING FOR CONSIDERATION OF H.R. 702, ADAPTATION TO CHANGING CRUDE OIL MARKETS

Mr. BYRNE. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 466 and ask for its immediate consideration.

The Clerk read the resolution, as follows:
