

More than a half century later, on June 21, 2000, Mr. Sakato and 21 other Asian-American veterans were finally given the recognition they had earned for their actions in combat and were awarded the Medal of Honor by President Clinton.

On Dec. 2nd, 2015, at the age of 94, George Sakato died in Denver, Colorado. George Sakato was one of the trailblazing men and women whose hands have shaped the United States into the great nation it is today. His example of bravery, humility, and love for his country is one to admire and emulate.

My condolences go to his daughter Leslie, and the rest of the Sakato family.

RECOGNITION OF KENTUCKY  
VOLUNTEERS

**HON. BRETT GUTHRIE**

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 10, 2015*

Mr. GUTHRIE. Mr. Speaker, I would like to recognize two constituents from my district, Thomas Sullivan and Daniel Disselkamp, who spent three weeks in northern Haiti building and upgrading powerlines to help communities receive affordable, safe, and reliable electricity. The power linemen from Nolin Electric Cooperative were the second group to volunteer their services on this project.

The project is one to commercialize power from the Caracol Industrial Park generation station that is currently serving 8,000 consumers in Caracol and surrounding communities with electricity 24 hours a day. When the project is complete, a total of 10,000 consumers will have access to electricity. One of the major factors contributing to ending poverty and improving the quality of life for people around the world is access to affordable and reliable electricity.

Only about 13 percent of Haitians currently have access to electricity, so the services provided by these linemen will have a positive impact on thousands of lives. Obtaining electricity access is an important step toward achieving improvements in healthcare, education, and economic opportunity.

That is why today I would like to thank and recognize Thomas Sullivan and Daniel Disselkamp for their service.

RECOGNIZING COMMANDER CHAD  
C. SCHUMACHER

**HON. ROBERT J. WITTMAN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 10, 2015*

Mr. WITTMAN. Mr. Speaker, I rise today to recognize those men and women who have served this great Nation with honor, men such as Commander Chad C. Schumacher, United States Navy.

For the past year, Commander Schumacher, a proud naval aviator and graduate of the United States Naval Academy, served on my staff as a Congressional Defense Fellow. During his assignment, he served as a senior member of my staff responsible for defense, veterans, foreign affairs

and intelligence matters. Commander Schumacher executed his work as a liaison to the constituents of the First District and the numerous defense installations in the First District with distinction. Furthermore, he provided exceptional support to me as my staff liaison to the House Armed Services Committee in my role as a Subcommittee Chairman and as the Co-Chair of the Congressional Shipbuilding Caucus.

Commander Schumacher directly contributed to my goal of providing excellent constituent service to the people of the First District. He was responsible for bringing numerous constituent inquiries to a successful conclusion and he was able to leverage his personal and operational experience to respond to the most challenging inquiries.

In addition to his efforts on behalf of the First District, Commander Schumacher took on projects with regional, state and national implications, demonstrating his ability to view a challenge from many angles and develop innovative solutions often requiring collaboration across many levels of government.

Commander Schumacher's work ethic, duty to mission, and commitment to servant leadership is without equal. I believe that his personal drive to achieve excellence in his work has and will set a very high standard for his peers.

I would also like to thank Commander Schumacher for the service and sacrifice he has made, and continues to make, for our Nation and our great Navy. His keen sense of honor, impeccable integrity, boundless work ethic, humor and loyal devotion to duty earned him the respect and admiration of my staff and the First District of Virginia. As an F-18 Hornet pilot with 2000 flight hours and 400 arrested landings, Commander Schumacher completed multiple deployments in support of Operation Enduring Freedom and Operation Iraqi Freedom, and served as an instructor at the United States Navy Fighter Weapons School (TOPGUN). Commander Schumacher is headed to the Pentagon where he will work in Legislative Affairs for U.S. Northern Command. I have no doubt that Commander Schumacher will continue to serve the Navy honorably and with distinction.

I wish him the best of luck as he continues his Naval career. It was an honor and a pleasure having him serve on my staff. We all can sleep soundly at night knowing that men and women like Commander Chad Schumacher are members of our all-volunteer force and they stand ready to defend our country and take the fight to our enemies; far away from their families and the comforts of the United States of America.

Commander Schumacher, thank you. Best wishes to you and God bless you, your family, and all the men and women in uniform. Fair winds and following seas.—and GO NAVY BEAT ARMY.

TRIBUTE TO LANDMARK INN  
STATE HISTORIC SITE OF  
CASTROVILLE, TEXAS

**HON. WILL HURD**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 10, 2015*

Mr. HURD of Texas. Mr. Speaker, I rise today to recognize the Landmark Inn State

Historic Site of Castroville, Texas, on the completion of its extensive restoration efforts. The Landmark Inn State Historic Site, which is a Texas Historical Commission property, preserves an important part of Texas' history. The Landmark Inn not only protects the cultural and natural value of this area, but also ensures that future generations of Texans will be able to enjoy its rich history.

The Landmark Inn gives unique insight into the lives of Texas' earliest settlers. The city of Castroville was established on September 3, 1844, by entrepreneur Henri Castro and a group of settlers from the Alsace region of France. One of its earliest inhabitants was a man named César Monod, who was elected Mayor of Castroville in 1852 and built a combined home and store to serve travelers along the San Antonio-El Paso road. In 1853, a merchant named John Vance bought the property and built living quarters for his visitors onto the existing store, including galleries, a family residence, and even a multistory bathroom. This became the Vance Hotel. Several other entrepreneurs, including George L. Haass and Laurent Quintle, built a dam on the property that diverted water from the Medina River to power a gristmill. Finally, in 1925, Jordan T. Lawler converted the gristmill into Castroville's very first electric power plant. It is over a hundred years later in 1981 that the Landmark Inn was dedicated as a historically designated site.

The 23rd Congressional District of Texas stretches from San Antonio to El Paso, along over 820 miles of the border, and includes Castroville, a gem that is home to over 2,600 residents. The Landmark Inn provides an opportunity for today's Texans to deepen their understanding of Castroville's early pioneers. Those dedicated to the Landmark Inn's restoration emulate the hard work and values evident in this great city's founders. The level of excellence shown in preserving the rich history of this site is a reflection of the residents of Castroville and their values, and their devotion to tradition serves as a source of pride for the entire city and the 23rd Congressional District of Texas. It is my honor to represent Castroville, and I wish continued success to the Landmark Inn in its future endeavors.
