

was built in 1842 by members of the founding families. In 1894 a slate roof was added, and the cupola was added in 1895–1900. There are 12 stained glass windows dating back to 1900 which were donated in honor of the founding members. The church is surrounded by a cemetery which dates back to the building of the church. In 1976 the church building was added to the New Jersey Register of Historic Places, and in 1977 it was added to the National Register of Historic Places.

The Rockaway Valley United Methodist Church has helped the United Methodist community celebrate and practice their beliefs. The church has also done much more for the community of Boonton Township. The church has served as a gathering place for the entire community. Boy Scouts of America Troop 69 has been using the church as a meeting place for 80 years. The church also plays host to a Christian drama school, and a weekly karate class. In 2014 the church donated over 400 pounds of food to the Interfaith Food Pantry. The Rockaway Valley United Methodist Church holds a weekly playgroup for children from birth to kindergarten along with their caregivers to foster a community among the small congregation.

For Rockaway Valley United Methodist Church's 230th Anniversary, I commend all of the pastors and committees of the Church. Since its founding, Rockaway Valley United Methodist Church has been supported by the people of Boonton Township; this is one of the main reasons why the church is still a big part of the community. After 230 years of outstanding service to the Boonton Township, I commend and congratulate Rockaway Valley United Methodist Church for all of its hard work and dedication.

Mr. Speaker, I ask you and my colleagues to join me in congratulating the Rockaway Valley United Methodist Church, as it celebrates its 230th Anniversary.

TRIBUTE TO DYLAN DECLERCK

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Friday, December 11, 2015

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to congratulate Dylan DeClerck for being recognized by the Des Moines Business Record as this year's Outstanding Youth in Philanthropy.

At a young age Dylan recognized that one of the most important aspects of life is giving back to others and helping those that need it most. For his part, Dylan founded the organization Opportunity on Deck at the age of 16. This organization plays a key role in empowering youth by encouraging active lifestyles and athletics. Dylan's organization has served over 500 children in Greater Des Moines and continues teaching young people the importance of healthy living, teamwork and sportsmanship. Opportunity on Deck gives youth who wouldn't normally have a chance to participate in sports camps the ability to experience them free of charge.

Dylan's willingness to serve others before himself has already made a long-lasting impact on the lives of hundreds of young people in the Greater Des Moines area. His dedication to improving the community through vol-

unteerism and civic engagement is a testament to his character. Today, Dylan attends Drake University as a marketing and finance student. Although he is busy with his studies he continues to volunteer what little extra time he has to serving others.

Mr. Speaker, Dylan's leadership and display of civic duty at such a young age gives me great hope for our nation's future. It is Iowans like him who make me proud to call myself an Iowan and represent the people of our great state. I ask that my colleagues in the United States House of Representatives join me in congratulating Dylan for receiving this outstanding recognition and in wishing him nothing but continued success.
