

benefits. P2E provides customized training in job skills, eight weeks of subsidized employment, personal support, and access to existing jobs open with local employers in several industries, including finance/banking, media, manufacturing, and entertainment. P2E gained Joe and the WorkPlace national attention as it took on a serious problem that impacted communities and families across the country.

With programs like these, the WorkPlace is more than simply a job resource center—it is a think tank for workforce solutions. Joe and his team are able to identify the challenges at the root of unemployment and develop programs and services that help them to turn their lives around.

Joe is not only an extraordinary leader in our community, and he is more than a dear friend—he is family. Joe and I grew up in the same neighborhood and we have known each other for more years than either of us would care to admit. He has always been a source of inspiration and guidance for me and I am grateful for that friendship.

Today, as he marks his 20th Anniversary as President and CEO of the WorkPlace, Joe can look back on his career with pride and know that his dedication, hard work, and compassion have touched the lives of thousands. I am proud to rise today to join the WorkPlace Board of Directors and staff in extending my sincere thanks and appreciation to Joseph Carbone for his invaluable contributions to this outstanding organization and our community. My heartfelt congratulations and very best wishes for continued success.

TRIBUTE TO BECCA PIZZI

HON. KATHERINE M. CLARK

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, February 26, 2016

Ms. CLARK of Massachusetts. Mr. Speaker, I rise today in recognition of one of my constituents, Becca Pizzi of Belmont, Massachusetts. Becca is a single mother, a child care provider, a local ice cream shop manager, and just recently, a world record-breaking athlete.

In the early hours of January 30, 2016, in Sydney, Australia, Becca became the first woman from the United States to complete the World Marathon Challenge. This international marathon began in Antarctica and is comprised of seven marathons on seven continents, all over seven days. In her race around the world, Becca set two world records: the fastest average marathon time among women at 3 hours, 55 minutes, and 11 seconds, and shortest time frame for a female to complete marathons on all seven continents at 6 days, 18 hours and 38 minutes.

Upon her return, Becca's hometown of Belmont greeted her and her family with a parade in celebration of her accomplishment.

Through all of her training and through the grueling race, Becca credited her 8 year old daughter Taylor as her source of inspiration.

Becca's story exemplifies our community's unique grit and determination to reach the highest heights despite any obstacle. I thank Becca for inspiring athletes around the world and congratulate her on her historic achievement.

RECOGNIZING THE DEDICATED
SERVICE OF MILTON CHIEF OF
POLICE GREGORY BRAND

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 26, 2016

Mr. MILLER of Florida. Mr. Speaker, I rise to recognize Chief Gregory Brand for his dedicated service to the Gulf Coast community on the occasion of his retirement as the Chief of Police from the City of Milton, Florida.

Always striving for greatness, Chief Brand earned his Bachelor of Arts Degree from Saint Thomas University in Miami, Florida, where he was elected to "Who's Who among students in American Universities and Colleges." Upon graduation, Chief Brand began his law enforcement career in South Florida with the Hollywood Police Department in February 1977. After more than twenty-five years in Hollywood, during which he rose to the rank of Major, Chief Brand retired from the Hollywood Police Department and accepted the position of Chief of Police for the City of Milton in May 2002. Although now retiring, Chief Brand will remain in the city which he has grown to love so dearly.

As a former Deputy Sheriff, I understand the important and sometimes underappreciated role that law enforcement officers play in the local community in Northwest Florida and in communities across the country. Each and every day, dedicated law enforcement officers put themselves in danger to protect and serve their community as an officer of the law. Chief Brand has been a true pillar of the Northwest Florida community and exemplifies all of the qualities of a world-class law enforcement officer.

Mr. Speaker, on behalf of a grateful community, I am pleased to congratulate Chief Gregory Brand on his well-earned retirement. His decades of service are a testament to his commitment to the State of Florida, and my wife Vicki and I wish him all the best in his well-earned retirement with his wife, children and grandchildren.
