COMMEMORATING GEORGE WASHINGTON LODGE NO. 143, FREE AND ACCEPTED MASONS, ON ITS 200TH ANNIVERSARY

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 14, 2016

Mr. SHUSTER. Mr. Speaker, I rise today to commemorate George Washington Lodge No. 143, Free and Accepted Masons, of Chambersburg, PA, on its 200th anniversary.

Similar to the Borough of Chambersburg, the George Washington Masonic Lodge No. 143 has a history dating back nearly to our country's founding. Having been resurrected by a group of committed Masons who sent a petition to Grand Lodge for a warrant to institute George Washington Lodge No. 143, the lodge has maintained this historic presence since 1816. A point of local pride, the lodge remains the oldest Masonic building in the Commonwealth of Pennsylvania.

Also, as many of us know, it was its association with the Free and Accepted Masons that prevented the lodge from being destroyed during the burning of Chambersburg in 1864. Having withstood that assault and standing the test of time, George Washington Lodge No. 143 was listed on the National Register of Historic Places in 1976. Prior to that achievement, a small addition was added to the rear of the building at the time of its 150th anniversary, in 1966.

In more ways than one George Washington Lodge No. 143 represents the story of our country and I am proud to commemorate the 200th year of its institution.
