HONORING THE LIFE OF
CONGRESSMAN RAY THORNTON

(Mr. HILL asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HILL. Madam Speaker, I rise today with my colleagues to honor the life of Congressman Ray Thornton, who was a pillar in Arkansas politics and a stalwart advocate and voice for the improvement of education in our great State of Arkansas.

Serving six terms in Congress, for over 23 years, Congressman Thornton served in two different congressional districts, the fourth and the second. Ray was committed to the people of Arkansas and supporting Arkansas ideals on the political stage.

His distinguished career included service in the United States Navy during the Korean war, leadership as president of both Arkansas State University and the University of Arkansas, an 8-year term on the Arkansas Supreme Court, and appointment as the first chairman of the Arkansas Lottery.

In 2013, Congressman Thornton donated his personal and professional papers to the University of Arkansas.

Though he will be greatly missed by many throughout our State, his countless contributions and legacy will live on and serve as an example of statesmanship and public service for all Arkansans.

HONORING THE LIFE OF RABBI
HERBERT BAUMGUARD

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Madam Speaker, I rise in remembrance of Rabbi Herbert Baumguard, who passed away this past Friday, at the age of 95.

Rabbi Baumguard founded Temple Beth Am, which is an important institution in my congressional district that has brought the south Florida Jewish community together for over 60 years.

A native of Norfolk, Virginia, Rabbi Baumguard served as an assistant to a chaplain in World War II. He credited that experience with his motivation for becoming a rabbi.

One of Rabbi Baumguard's strongest ideals was the continuing friendship and alliance with the State of Israel. The Rabbi was committed to not only strengthening our ties with our great ally, but to seeing that the United States continues to support and defend the Jewish state, which is an idea that I shared with him.

I am so honored and privileged to have had the opportunity to represent Temple Beth Am and to experience all that Rabbi Baumguard has done to improve south Florida. May his memory be a blessing.

HONORING THE SERVICE OF CHIEF
DELL URBAN

(Mr. DOLD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DOLD. Madam Speaker, I rise today to honor Dell Urban, the chief of the North Chicago Fire Department, who is retiring after spending more than 25 years on the force. Ms. Urban is the first female fire chief in Lake County, and one of only two female fire chiefs in the State of Illinois.

As fire chief, Ms. Urban was responsible for saving countless lives and did her duty protecting the community of North Chicago. We should all aspire to be as brave as the firemen who lay down their lives each and every day to ensure our safety.

In addition to performing her duties, Ms. Urban has been a mentor and a friend to many firefighters throughout her time as chief, and she is leaving the station far better off than before she was chief.

I want to thank Ms. Urban for her service and wish her all the best in her future endeavors.

FIREARMS TRANSFER
IMPROVEMENT ACT

(Mr. GUINTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GUINTA. Madam Speaker, the Firearms Transfer Improvement Act,

which I introduced in Congress, would provide a significant boost to New Hampshire gun dealers, nearly all of them small-business owners, as well as the Granite State's tourism industry and larger economy.

At its foundation, this bill is meant to protect every American's right to bear arms, an essential freedom that is as important as it ever was.

My bill would extend the same Federal law that allows interstate long gun purchasing to handgun purchases. For instance, a Vermonter could purchase a handgun in New Hampshire, where no sales tax exists, and transport it home, as long as he or she follows his or her State's gun laws.

This bill would be a boon for States like New Hampshire that, in addition to enjoying greater Second Amendment freedom, would also enjoy greater economic freedom. Granite Staters stand to benefit immensely, as do sporting enthusiasts around the country.

I would like to thank the 18 original cosponsors for their support of this necessary legislation.

POTENTIAL DRAWDOWN OF LAND
FORCES

The SPEAKER pro tempore (Mrs. COMSTOCK). Under the Speaker's announced policy of January 6, 2015, the gentleman from New York (Mr. GIBSON) is recognized for 60 minutes as the designee of the majority leader.

GENERAL LEAVE

Mr. GIBSON. Madam Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include supporting material on the subject of this Special Order.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New York?

There was no objection.

Mr. GIBSON. Madam Speaker, tonight I am speaking to gain support for H.R. 4534. This is the POSTURE Act. It stops the administration's drawdown of our land forces, the United States Marine Corps and the United States Army.

This is a bipartisan bill, myself and 52 others, 52 cosponsors, including 42 Republicans and 10 Democrats. I am proud to say that we are coming together to make sure that we keep our land forces strong.

This is also a bicameral bill. The language of this bill has also been introduced in the United States Senate.

Madam Speaker, the predicate here is a belief in peace through strength, a belief that what we want to do is deter potential adversaries; and to do that, we certainly need to restore our capability in our Armed Forces, deterrence really being capability and will.

Tonight I am focused in on the POSTURE Act. Of course, Madam Speaker, the coauthors and I, we certainly share deep concern for the entire joint force, but today we are particularly focused in on the land forces.
