INTRODUCING THE VETERANS PENSIONS PROTECTION ACT OF 2016

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. HASTINGS. Mr. Speaker, I rise today to introduce the Veterans Pensions Protection Act of 2016. This bipartisan legislation will protect veterans from losing their pension benefits in the event they receive compensation covering unforeseen health care costs.

A few years ago, a constituent of mine was confronted with this situation. He is a Navy veteran who suffers from muscular dystrophy. One day, as he crossed the street, he was struck by a truck. He was injured. His service dog was injured. His wheelchair was severely damaged. Like any person would, he filed an insurance claim, and received a settlement to cover his medical expenses and the costs for replacing his wheelchair.

Now Mr. Speaker, imagine his surprise when he received a letter for the Department of Veterans Affairs (VA), explaining to him that because of his sudden jump in income, he no longer qualified for a pension. It sounds ridiculous, but that's what happened.

Now, when assessing a veteran's eligibility for a pension, the VA considers a variety of sources of revenue to calculate annual income. The VA uses this formula to make a simple determination: if a veteran's income exceeds the limit set by the VA, he or she does not qualify for a pension.

Under current law, compensation for medical expenses or pain and suffering, including insurance settlement payments or reimbursements, is considered income. This means that veterans are effectively punished when they receive these types of compensation after suffering medical emergencies like the one I just outlined. This is, quite simply, wrong.

Mr. Speaker, my legislation exempts reimbursements and compensation for medical expenses from the VA's formula for calculating income and pension eligibility. This will guarantee the continuity of our veterans' pensions, and will ensure that no veteran will have their benefits unfairly and abruptly depreciated or cancelled. This is a bill we can all get on board with. I urge my colleagues to support this critical legislation.

HONORING THE LIFE AND LEGACY OF SEGUNDO "SY" UNPINGCO

HON. MADELEINE Z. BORDALLO

OF GUAM

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Ms. BORDALLO. Mr. Speaker, I rise today to honor the life and legacy of Segundo "Sy" Unpingco. Sy was a son of Guam, strong promoter of Chamorro culture, and a survivor of the occupation of Guam during World War II. He passed away on November 26, 2015 at the age of 81.

Sy was born on Guam on May 21, 1934 to Jose Rivera Unpingco and Vicenta Aguon Unpingco. He was just seven years old when enemy forces invaded Guam during World War II. Like many Chamorros on Guam, Sy and his family endured the atrocities committed against the Chamorro people during the occupation. However following the war, Sy attended George Washington High School in Mangilao, Guam. He went on to receive his Bachelor of Administration degree from St. Mary's College and a Juris Doctorate from Lincoln Law School.

While in high school Sy met his beloved wife, Remedios "Remmy" Pangelinan and they were married in 1953. Together they had three children, Segundo, Jr., Vivian, and Paul. They made their home in San Jose, California, and throughout his career, Sy worked with the Santa Clara County Sheriff's Department and as a Courtroom Bailiff until his retirement. Following his retirement, Sy partnered with the late Marcial Sablan and Tony Chargualaf to form the Hafa Adai Golf Classic.

Throughout its 35 year history, the Hafa Adai Golf Classic has brought together golfers, nine hosting clubs from California, Washington, and Nevada, sponsors, donors, supporters, families and friends together for a two day tournament. It has attracted approximately 17,000 semi-professionals and amateur golfers and their families from across the U.S. mainland, Hawaii, Guam, the Commonwealth of the Northern Mariana Islands, and Japan. Under Sy's leadership, the Hafa Adai Golf Classic promoted our Chamorro culture, and extended Guam's Inafa'maolek spirit to all who participated in the event. Sy was a shining example of that island spirit of cooperation, camaraderie and reciprocity of our culture and heritage, but he leaves behind a legacy that will live on in the years to come.

I join the people of Guam in mourning the passing of Sy Unpingco and commending him for his service to our island and contributions to our people and Chamorro culture. I extend my condolences to his wife, Remmy, children, grandchildren, family and friends. He will be missed but his memory will always be remembered by the countless people he touched throughout the years.

ESSAY BY KAYSIE FAAS

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. OLSON. Mr. Speaker, I am privileged to interact with some of the brightest students in the 22nd Congressional District who serve on my Congressional Youth Advisory Council. I have gained much by listening to the high school students who are the future of this great nation. They provide important insight from across the political spectrum that sheds a light on the concerns of our younger constituents. Giving voice to their priorities will hopefully instill a better sense of the importance of being an active participant in the political process. Many of the students have written short essays on a variety of topics and I am pleased to share them with my House colleagues.

Kaysie Faas attends Needville High School in Needville, Texas. The essay topic is: Oil Prices Crash: The Impacts on Our Country and Our State.

Over the past year to eighteen months, we have watched crude oil prices plummet from over \$100 per barrel to the \$30 per barrel range. Over this same period gas prices at the pump have fallen from almost \$4.00 per gallon, to well below \$2.00; the lowest in years. While many people enjoy paying these lower gas prices and extra cash in their wallet, the effects on our economy are often very damaging, especially now that the United States produces much more oil than the past.

Years ago, the United States relied heavily on foreign oil as domestic production was falling short of expectations. Generally, when we rely on imported oil, increased oil prices negatively impact the U.S. economy, as the price for many goods and services are driven by the price of oil. For example, higher fuel prices result in increased shipping costs, which basically impact the cost of everything from apples to IPADs. Also, higher oil prices result in higher chemical prices for all chemicals that are produced from oil. So, in general, when we heavily rely on foreign oil, higher oil prices have a large impact on our economy.

However, in the 2000s, new technology (called "fracking") emerged in the oil and gas industry which made it possible to extract oil from previously untapped layers. As this technology spread across the U.S., the U.S. became one of the top oil and gas producers in the world. Closer to home, oil and gas production in our state of Texas also followed suit and boomed as well. This boom resulted in a great economic boost for our state as a whole and also for the greater Houston area that relies heavily on the oil and gas industry. I personally witnessed this boom during my family travels around the state. One time quiet and desolate small south Texas towns had become full of activity, with new hotels, convenience stores and restaurants. Everyone who wanted a job, had a job, and times were good. However, as the U.S. and Texas produces more oil, we are now more dependent and affected by the price of oil. So, as the price of oil drops, drilling and production does as well. This directly affects these small Texas towns and large city oil and gas centers such as our home congressional district and the Houston area. These decreases in drilling and production activities result in massive lay-offs in oil producing regions. Now the small town hotels and restaurants are empty and forced

to close. Large oil companies in the big cities are forced to cut thousands of jobs. These falling oil prices have a devastating effect on our area.

As stated above, cheaper gas prices appear to be a blessing to an economy. However, residing in a state and a congressional district that rely heavily on oil and gas, the effects can be devastating, even though we are saving at the pump.

RECOGNIZING MILDRED JANE WORSHAM AND LANDON WORSHAM**HON. ROBERT HURT**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. HURT of Virginia. Mr. Speaker, I submit these remarks in recognition of the service and dedication of Mildred Jane Worsham and Landon Worsham to the Chatham Presbyterian Church and the entire Chatham community.

Mildred Jane Worsham has been serving the Chatham Presbyterian Church congregation as their organist for over 70 years. Mildred began playing for Chatham Presbyterian in 1945 at the age of sixteen. Over the years, she shared that duty with the late Augusta Parrish on an every-other-month basis, and she now serves as the sole organist.

In addition to her duties as organist, Mrs. Worsham has also served as the church's long-standing session clerk, Choir Director, taught Sunday School, Bible School and Bible Studies, and Mrs. Worsham had the honor of being named the first female elder of Chatham Presbyterian Church and was one of the church's first female deacons. She was also a commissioner for the Presbytery of the Peaks, which included 129 churches spanning parts of Central Virginia, Southside, the New River Valley and Allegheny Highlands, and served as the Commissioner to the General Assembly of Presbyterian Church in the United States. Mrs. Worsham has also been a member of the Sylvania Garden Club, the Homemaker's Club, and assisted her husband's work as Chief of the Chatham Volunteer Fire Department for over 50 years.

For decades, Landon Worsham's service to the Chatham community has extended far beyond firefighting. In 2013, I had the privilege of joining the Town of Chatham, Virginia to honor Mr. Worsham for his 60 years of service to Chatham as a volunteer firefighter, 50 of which he spent as fire chief. In addition to this tremendous accomplishment, Mr. Worsham has been an active volunteer at the Chatham Presbyterian Church, serving as the superintendent of Chatham Presbyterian's Sunday school for over 50 years and counting. Mr. Worsham is also an elder at the church and has served numerous times on the session.

Mr. Worsham also served as a leader in the Chatham Lions Club and the Chatham Jaycees, as well as serving as the Vice President of the Pittsylvania County Fire-Rescue Association. He also served his country in the U.S. Air Force during World War II, and was wounded in New Guinea and awarded the Purple Heart.

I ask the members of this House of Representatives to join with me and the entire Chatham community in thanking and honoring the service and dedication of Jane Worsham

and Landon Worsham to the Chatham Presbyterian Church and the Town of Chatham, and to the surrounding counties and our great nation.
