

NATIONAL ACADEMY OF FUTURE
SCIENTISTS AND TECHNOLOGISTS—MARIA BENNETT

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. OLSON. Mr. Speaker, I rise today to congratulate Maria Bennett from Katy, TX for being accepted into the National Academy of Future Scientists and Technologists to represent the state of Texas at the Congress of Future Science and Technology leaders.

Maria attends Cinco Ranch High School and is one of 13 high school honor students selected from the Twenty-Second Congressional District of Texas. These students were selected as Texas delegates at the Congress of Future Science and Technology Leaders. This program was designed for high school students to be recognized for their hard work in school, as well as to support their aspirations of working in a science or technology field. The National Academy was founded by Richard Rossi and Dr. Robert Darling; Mr. Rossi currently serves as president. The Congress is being held at the Tsongas Center at the University of Massachusetts, Lowell from June 29th through July 1st. Maria was selected by a group of educators to be a delegate for the Congress thanks to her dedication to her academic success and goals of pursuing science or technology. We are proud of Maria and all of her hard work, and know she will make Katy proud.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Maria for being accepted into the National Academy of Future Scientists and Technologists. Keep up the great work.

CELEBRATING THE 150TH ANNI-
VERSARY OF GREEN HILL RE-
TIREMENT COMMUNITY

HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today in celebration of the 150th Anniversary of Green Hill Retirement Community located in West Orange, Essex County, New Jersey.

Green Hill Retirement Community is devoted to providing personal care to older Americans of lifestyles ranging from all levels of need. Green Hill continues to preserve the vision of its founders set 150 years ago by working to adapt to the changing needs of their community.

Established in 1866, Green Hill is a non-profit facility dedicated to providing compassionate care to seniors and their families. Originally founded by the Society for the Relief of Respectable Aged Women in 1866, following the end of the Civil War with just 13 residences, Green Hill currently continues to expand and innovate new ways of living such as the launch of their Green House Homes development in 2011. Though the world has changed greatly since 1866, the need for selfless personal care continues to grow.

Additionally, Green Hill provides families of elderly loved ones with all of the necessary re-

sources crucial in the transition to a senior living community. Green Hill provides the tools and services required to evaluate the level of need for each prospective resident, determine what financial resources are available to them, and explore their different lifestyle options at Green Hill. Green Hill understands that transitioning to a senior living community can be stressful for both the prospective resident and their family; therefore Green Hill is dedicated to all efforts helping to ease the process.

In addition to the quality care that Green Hill provides to seniors on both ends of the need spectrum, including those independent and "on the go" as well as those who require full-time assistance, Green Hill also offers an immense selection of recreational, educational, and social activities. These programs increase the comfort of living in the convenient metropolitan location of Green Hill.

Mr. Speaker, please join me in thanking the members and supporters of the Green Hill Retirement Community of West Orange, New Jersey for all of their service to the community, and in congratulating them on their 150th Anniversary.

OUR UNCONSCIONABLE NATIONAL
DEBT

HON. MIKE COFFMAN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. COFFMAN. Mr. Speaker, on January 20, 2009, the day President Obama took office, the national debt was \$10,626,877,048,913.08.

Today, it is \$19,203,643,099,493.25. We've added \$8,576,766,050,550.17 to our debt in 6 years. This is over \$7.5 trillion in debt our nation, our economy, and our children could have avoided with a balanced budget amendment.

TRIBUTE TO COLTON
CLINGENPEEL

HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Colton Clingenpeel of Thomas Jefferson High School in Council Bluffs, Iowa for winning the Class 3A, 152-pound bracket at the Iowa High School Athletic Association State Wrestling tournament on February 20, 2016.

Iowa has a long and proud history of strong wrestling programs in our state, producing college and Olympic champions for years. Winning a state championship is the culmination of years of hard work and commitment, not only on the part of Colton, but also his parents, his family and coaches.

Mr. Speaker, the example set by Colton demonstrates the rewards of hard work, dedication, and perseverance. I am honored to represent Colton and his family in the United States Congress. I know all of my colleagues in the United States House of Representatives will join me in congratulating Colton on com-

peting in this rigorous competition and wishing him continued success in his education and high school wrestling career.

TRIBUTE TO DR. ROBERT A.
COPELAND, JR.

HON. JAMES E. CLYBURN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 19, 2016

Mr. CLYBURN. Mr. Speaker, I rise today in remembrance of Dr. Robert A. Copeland, Jr. a leading American ophthalmologist who helped the profession deepen its understanding of disparities and broaden its international reach. Dr. Copeland was the founding chairman of the Department of Ophthalmology at the Howard University College of Medicine, the position he held at the time of his untimely passing on the evening of Monday, April 11, 2016. He is survived by his wife Candie, whom he married May 24, 2008, and children Kennedie, Robert III, and Lucas.

Dr. Copeland was widely admired as an advocate for the prevention of eye disease, a mentor to countless students, and an expert and attentive physician. His advocacy reached Capitol Hill, where I had the pleasure of working with him on patient issues. Dr. Copeland was scheduled to come to my office for a meeting in conjunction with the American Academy of Ophthalmology on April 14, the week of his passing.

Robert A. Copeland, Jr., was born on December 13, 1955, in Philadelphia, Pennsylvania. His interest in the condition of the eye arose during his first week as a Fisk University undergraduate in 1973. Copeland was injured playing football and had to be treated for blunt trauma to the right eye at Meharry Medical College. After completing his studies at Fisk, Copeland earned a medical degree in 1981 from Temple University School of Medicine. He subsequently completed an internal medicine residency at the Robert Wood Johnson Medical School at the University of Medicine and Dentistry of New Jersey in 1982, an ophthalmology residency at Howard University Hospital in 1985, an external disease/cornea fellowship at Wayne State University School of Medicine in 1986, and a cornea, external disease, and uveitis fellowship at the University of California, San Francisco in 1989.

Dr. Copeland contributed more than three decades of service to Howard University. In 1982, he arrived at Howard University Hospital as a young ophthalmology resident. Four years later, he joined the Howard University Department of Surgery, Division of Ophthalmology, as an instructor. He was elevated to
