#### PERSONAL EXPLANATION

### HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 29, 2016*

Ms. MOORE. Mr. Speaker, I was unable to make it to the April 28, 2016, vote on H.J. Res. 88. If present, I would have voted NO on H.J. Res. 88, the resolution to disapprove of the final Department of Labor fiduciary duty rule.

The Department of Labor thoughtfully and carefully crafted the rule over five years with the input of thousands of written comments from academics, advocacy groups, and industry and the benefit of 4 days of field hearings and hundreds of meetings. The final rule will protect retirement savers from conflicts of interest that encourage advisors to prioritize their financial gain over that of their clients.

#### TRIBUTE TO HALEY CARLSON

### HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 29, 2016*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Haley Carlson of Atlantic, Iowa, for receiving the highest Future Farmer of America (FFA) Award, the Iowa Farmer Degree Award. Haley is a member of the Atlantic Future Farmer of America Chapter.

Haley has a strong commitment to agriculture and hopes to be involved in agriculture in the future. Haley said, "To accomplish this goal is really motivating." Her plans include an agriculture education and becoming an advocate for agriculture issues. In order for Haley to receive this award it took many years of hard work and determination to be successful

in agriculture. She has been an active member in the Atlantic FFA Chapter, exhibited livestock at the Cass County Fair and served as an officer of her FFA Chapter, as well as participating in numerous activities and contests. Haley had to accomplish a supervised agriculture experience project, maintain records of the project, and complete an application for consideration in completing her requirements for the award.

Mr. Speaker, I applaud and congratulate Haley for earning this award. It is with great pride that I recognize her today. I ask that my colleagues in the United States House of Representatives join me in congratulating her accomplishments and in wishing her nothing but continued success in her future endeavors in agriculture.

#### CELEBRATING THE LIFE OF DR. FREDERICK V. MILLER

### HON. DEBBIE WASSERMAN SCHULTZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Friday, April 29, 2016*

Ms. WASSERMAN SCHULTZ. Mr. Speaker, I rise today to celebrate the life of Dr. Frederick V. Miller of Fort Lauderdale, Florida.

Dr. Miller was an inspiration to all those who knew him—

From his selfless and passionate work on behalf of our society's most vulnerable people—critically-ill newborn and premature infants;

To his service in the United States Army; To his business career that helped care for South Floridians;

He truly lived a life of public service, with a vigor and spirit that lifted up every person he knew.

I had the distinct pleasure and privilege in the Florida Legislature to work with Dr. Miller to pass the "Drive Thru Baby Bill" which mandated that insurance companies cover the care after a birth that new mothers need—not the middling coverage they received before Dr. Miller lent his voice and service to our efforts.

Recognizing a problem with too many newborns being born with hearing challenges that went undetected, Dr. Miller worked with me to pass the Newborn Infant Screening Act to ensure that all newborns in the State of Florida had their hearing checked soon after birth.

I will always remember him as a man of science;

A kind man who cared deeply for his patients and;

A man who worked tirelessly to better the lives of mothers and children.

My thoughts are with his wife Sharon; his sons Harrison and Sterling; and their entire extended family.
