

addiction as simply a moral failing rather than the treatable medical condition that it is.

While opioid addiction may start with an excessive prescription or an indiscretion of youth, it ends with a scientifically understood, increasingly treatable, medical condition in which the biochemical pathways necessary to normal decisionmaking in the brain have been hijacked and the chemistry of the brain permanently altered.

Heroin does not discriminate. It does not care if you are rich or poor, Black or White, a devoted mother, or a loving child. None of us are immune to its chemical grips.

So today I pay my respects. Those who fall prey to opioids are worthy of being mourned. They are not forgotten.

#### WE NEED TO INVESTIGATE COMMUNITY HEALTH CENTERS

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Mr. Speaker, in 2010, the National Association of Community Health Centers stated:

Federally-Qualified Health Centers do not provide abortions to any of their patients, and we are not aware of any that have ever done so.

Remember last year we said we wanted to give community health centers more money because they assured us that they didn't do abortions?

However, on Tuesday, April 26, this week, we learned that some health center clinics in New York have been performing abortions.

The National Association of Community Health Centers has egregiously violated our trust. The fact that abortions are performed at these federally funded community health center clinics is astonishing.

We put our confidence in them, as providers of life-affirming women's health care, based on their commitment to not entangle such care with abortion. Abortion is not health care.

Mr. Speaker, we need an investigation into Community Health Centers to determine how many of their clinics are providing for, referring, or performing abortions, and the National Association of Community Health Centers should expel this network of New York clinics from their association.

#### NATIONAL REENTRY WEEK

(Ms. BASS asked and was given permission to address the House for 1 minute.)

Ms. BASS. Mr. Speaker, I rise today to recognize National Reentry Week—reentry after an individual has paid their debt to society. Eighty-five percent of individuals who are incarcerated eventually get out, and we need to make sure that they have access to a well-paying job and quality education when they return home.

Reentry programs work. Mr. Jerrel McCoy lives in south L.A. He is 45 years old and served 27 years in a California prison. Today Mr. McCoy works for SHIELDS for Families-Jericho Vocational Services, which works with formerly incarcerated individuals to help them secure and maintain employment to avoid going back to prison.

With the help of these reentry services, Mr. McCoy has purchased his first car and moved into an apartment. According to Mr. McCoy, reentry programs allowed him to apply skills developed during his incarceration, and he learned that he has gifts and potential. Today Mr. McCoy strives to offer these benefits to his clients.

Reentry services are smart and just.
