### OLDER AMERICANS ACT REAUTHORIZATION ACT OF 2016

Mr. GARDNER. Mr. President, we wish to highlight an issue of importance to Colorado and its community of senior citizens. Earlier this month, Congress passed the Older Americans Act Reauthorization Act of 2016 and sent it to the President for his signature. This reauthorization ensures that a wide range of social and nutritional services directed to assist senior citizens is not disrupted. While the reauthorization improves the status quo for the State of Colorado, we continue to have concerns about the disproportionate level of funding going to our State in comparison to the rest of the country.

Mr. BENNET. I agree with my colleague from Colorado. In an attempt to protect certain States with guaranteed funding levels, in 2006 Congress changed the Older Americans Act funding formula to ensure States received a guaranteed funding level based on senior populations. Due to Colorado's growing senior population and this provision from 2006, Colorado saw massive cuts during sequestration, when other States did not.

Mr. GARDNER. Instead of allowing the funding to go to States with growing senior populations, the hold-harmless funding formula in the current reauthorization continues the disproportionate trend by preventing funding in States with lower senior populations from going to States with growing levels of senior citizens. While we are supportive of the services provided by the Older Americans Act, Congress's priority should be ensuring the stability of the programs that millions of seniors around the country depend upon.

Mr. BENNET. We believe that, moving forward, it is imperative that steps are taken in future reauthorizations to safeguard services for all seniors regardless of their State of residence. It is our hope that as Congress continues to address issues that are important to all senior citizens, we find a path forward to address the issue we have raised here today.

• Mr. BOOZMAN. Mr. President, today I wish to congratulate Tamhra Hutchins-Frye on her recent promotion to brigadier general in the Arkansas Air National Guard.

She received her commission in August 1989 through the Academy of Military Science in Knoxville, TN, and has held various assignments in the 188th Fighter Wing in Fort Smith, AR, the 189th Airlift Wing at the Little Rock Air Force Base, and Arkansas Air National Guard and Joint Force Headquarters at Camp Robinson in North Little Rock.

She was deployed to Kabul, Afghanistan, in support of Operation Enduring Freedom as the chief of staff of the North Atlantic Treaty Organization's Afghanistan Transformation Task Force and then the Headquarters International Security Assistance Force, where she helped lead the transformation of the Government of the Islamic Republic of Afghanistan as it transitioned to self-rule.

Tamhra earned a bachelor of science in elementary education from Arkansas Tech University in 1983 and a master of arts in human resource management from Webster University in 2012. She has also completed numerous trainings and programs during her time in the Air National Guard.

As a dedicated member of the Air National Guard, Hutchins-Frye has been awarded the Legion of Merit and a Bronze Star. It is also important to note that Brigadier General Hutchins-Frye is the first woman to obtain this rank in the

I offer my sincere congratulations to BG Tamhra Hutchins-Frye on this momentous occasion, and I applaud her continued commitment and dedication to our Nation's readiness. I know she will continue to make Arkansas proud in this new chapter of her career.●

#### RECOGNIZING THE BENTONVILLE POLICE DEPARTMENT

• Mr. BOOZMAN. Mr. President, today I wish to celebrate the 100th anniversary of the Bentonville Police Department, which was established on May 9, 1916, when community leaders adopted an ordinance to create the Office of Watch to protect its 2,000 citizens.

As the community grew, so did the need to increase police personnel. In 1951, community leaders approved expanding the department by adding a chief of police, two patrolmen, and the first patrol car. A lot has changed with the Bentonville Police Department in the last century. Today there are 99 men and women in the police department providing services that extend beyond the description of the 1916 department, and they are doing things only imagined at that time.

The talents and abilities of the men and women serving in today's department are put to good use to protect the 44,000 Bentonville residents. They work tirelessly to ensure the public is safe as members of investigative units, forensic analysis teams, K9 teams, a bomb squad, a bicycle team, a SWAT team, and a crisis negotiations team. Their commitment to the community is exemplified by the numerous programs and outreach efforts they offer to the people of Bentonville.

The wide range of calls members of the Bentonville Police Department respond to shows the need for preparation and training. These officers are
