Most recently, Teresa served as the deputy director of the U.S. Navy Judge Advocate General's Corps Trial Counsel Assistance Program. In this position, Teresa helped cultivate and hone the skills of multiple generations of Navy prosecutors, enhancing the Navy's ability to support victims of sexual assault and to hold perpetrators accountable. Among the many prestigious and important positions throughout her career, she also served as senior policy adviser for the Department of Defense Sexual Assault Prevention and Response Office, director of the National Center for the Prosecution of Violence Against Women, chief of the sex crimes unit at the Northampton County District Attorney's Office, and a member of the sexual assault response team at the National Sexual Violence Resource Center.

Teresa radiated that special balance of determination and compassion that enabled victims of sexual assault and family violence to find their voices in the pursuit of justice. In recognition of her accomplishments, she received the 2009 Visionary Award from Ending Violence Against Women International. In 2001, she received the Allied Professional Award for Outstanding Commitment to Victims' Services from the Crime Victims Council of the Lehigh Valley.

I would like to recognize Ms. Scalzo's honorable commitment and exceptional service to victims, the justice system, and our country. She is survived by her mother Marie; her brother Carl; his wife Theresa; and her nephew and nieces, Brett, Paige, and Maggie. It is an honor to stand in recognition of this compassionate advocate and seeker of justice.

REMEMBERING COE SWOBE

Mr. HELLER. Mr. President, today I wish to remember a true Nevada statesman and dedicated public servant, former Nevada State Assemblyman and State Senator Coe Swobe. I send my condolences and prayers to his family during this difficult time. Although he will be sorely missed, his legendary influence throughout Nevada will continue on.

Mr. Swobe was born in 1929 and raised in northern Nevada. He graduated from the University of Nevada, Reno, after serving in the U.S. Air Force during the Korean war. As one of our Nation's servicemembers, he made exceptional sacrifices for our country and deserves our deepest gratitude. His service to his country, as well as his bravery and dedication to his family and community, have earned him a place in history among the many outstanding men and women who have contributed to our Nation and to our State. Mr. Swobe later earned his juris doctorate from the University of Denver Sturm College of Law. He then returned to Reno, where he served as assistant U.S. At-

torney for the District of Nevada for 2 years and began his career as a true public servant to the Silver State.

In 1962, Mr. Swobe was first elected to the Nevada State Assembly. Shortly thereafter, he became a member of the Nevada State Senate, where he served from 1966 to 1974. During his tenure, Mr. Swobe was a staunch supporter of the preservation of Lake Tahoe and led the way in establishing the first agreement between then Nevada Governor Paul Laxalt and California Governor Ronald Reagan and the two State legislatures in helping to protect the Lake. This agreement later established the Tahoe Regional Planning Agency, TRPA, which continues to protect this precious Nevada jewel today. He also helped expand the Lake Tahoe park system, including the establishment of Sand Harbor State Park. In 2007, he was appointed to serve on the governing board for the TRPA, where he worked vigorously to help raise awareness about wildfire prevention. Residents across the State of Nevada and the Lake Tahoe Basin are fortunate to have had someone dedicated to working towards the betterment and protection of our State.

In addition, Mr. Swobe cofounded Nevada's Lawyers Concerned for Lawyers, LCL, to help others struggling with alcohol addiction. For over 30 years, he dedicated his time to this program, which is available to lawyers, judges, and anyone else in the legal community in need of support. His legacy and love for Nevada, as well as his genuine concern for others, will live on for generations to come.

Throughout his life, Mr. Swobe demonstrated only the highest level of excellence and dedication while serving the great State of Nevada. I am deeply appreciative of his hard work and invaluable contributions to our State. Today, I join citizens across the Silver State in celebrating the life of an upstanding Nevadan, Coe Swobe.

CENTENNIAL OF THE WYOMING DENTAL ASSOCIATION

Mr. BARRASSO. Mr. President, I am honored to recognize the Wyoming Dental Association as it celebrates its 100th anniversary. This historic milestone marks the success of the organization's efforts to assist its members in their mission of achieving the highest level of patient care for Wyoming.

Life on the frontier posed many challenges for Wyoming's first dentists. Pioneer practitioners often traveled long distances through rugged terrain to treat their patients. Armed with rudimentary tools including forceps, pedal-powered drills, and whiskey to kill the pain, these circuit riders treated patients with little or no oversight. Seeing a need for standardization, the Wyoming Legislature created the Wyoming Board of Dental Examiners, which required all practicing dentists to register with the State. In 1916, several licensed dentists joined to form

the Wyoming Dental Association, an organization dedicated to supporting the State's dentists. From that day forward, the association's members dedicated themselves to advancing the practice of dentistry.

Thanks to extensive progress made in technology and medical care, modern oral health care has dramatically improved. Today there are over 500 licensed dentists in Wyoming. Our State's dentists are dedicated to their patients' health, not only providing dental care but also educating the public on the importance of oral hygiene. Every dentist has adopted a professional code of ethics and works to maintain the highest standards of excellence.

The Wyoming Dental Association is a leader in promoting dental hygiene. Through its dedicated advocacy and leadership, the association collaborates with the Wyoming Legislature, local government agencies, and nonprofit organizations to help the people of Wyoming. Their achievements are impressive.

In particular, dentists around the State volunteered hundreds of hours to complete Wyoming's Oral Health Initiative, which was designed to gauge the overall dental health of residents. The initiative provided stakeholders with valuable data that led to the development of strategies to improve education and access to care. Thanks to the Wyoming Dental Association's participation in this crucial study, the State is advancing dental health care to new levels of success.

After 100 years, the Wyoming Dental Association is stronger than ever thanks to its incredible leadership. The dedicated efforts of the association's executive director, Diane Bouzis, and its current board of directors continue to improve the services its members receive. Thank you to President Mike Shane, President-elect Dana Leroy, Vice President Lance Griggs, Secretary-Treasurer Deb Shevick, and ADA Delegates Rod Hill and Brad Kincheloe. We also acknowledge the hard work of the State's district directors, including Lorraine Gallagher, Brian Cotant, Steve Harmon, Paul Dona, Aaron Taff, and Leslie Basse. These incredible individuals serve the association and their patients with great integrity.

Thanks to the strength of the association's membership, we can always count on Wyoming's dental practitioners to come to Washington. They provide up-to-date information and input about the major concerns and issues facing the industry. Our entire State benefits from their advocacy. It is always great to meet with John Roussalis, Earl Kincheloe, Mike Keim, Bob Pattalochi, David Okano, Tyler Bergien, Brian Hokanson, and Carl Jeffries. These fine folks are excellent representatives of the profession.

The Wyoming Dental Association is a remarkable organization committed to improving dental health care in all of

Wyoming's communities. I am pleased to offer my sincere appreciation to the members of the Wyoming Dental Association as they celebrate their centennial.

NATIONAL JERKY DAY

Mr. ROUNDS. Mr. President, today I remind my fellow Americans of National Jerky Day on June 12, 2016.

Jerky has been a staple of the American diet since the birth of our Nation because of its portability and high protein content. Early settlers learned bison jerky preparation techniques from Native Americans. Lewis and Clark cured and ate jerky over the course of their historic expedition. Now, our astronauts consume jerky aboard the International Space Station.

The production of jerky is also an important component of our national economy. Companies from coast to coast employ thousands of workers to produce American-made jerky and distribute it internationally. Our Nation's farmers and ranchers produce high-quality products that help make the best jerky in the world.

Therefore, I encourage my fellow citizens to enjoy a nutritious jerky snack in celebration of National Jerky Day on Sunday, June 12, 2016.

ADDITIONAL STATEMENTS

STRATHAM'S 300TH ANNIVERSARY CELEBRATION

• Ms. AYOTTE. Mr. President, today I wish to honor the 300th anniversary of the town of Stratham, New Hampshire.

Stratham is located in southeast New Hampshire, in a region inhabited by Native Americans for thousands of years before the arrival of Europeans on our shores. It was first settled in 1631, and in 1709, the residents petitioned for the creation of their own town in order to build a school, church, and meeting house. Lieutenant Governor George Vaughn granted residents permission, on March 20, 1716, to collect taxes, hold town meetings, elect selectmen, appoint a minister, and build a meeting house on Kings Grant Highway. The location of the original Stratham Meeting House is where the Stratham Community Church stands today.

In 1906, a park was opened in town after Edward Tuck sold 70 acres of land to the town of Stratham for \$1. Mr. Tuck's major stipulation during the transfer of Stratham Hill Park's land was that "it was given for the free use and enjoyment of the residents of Stratham and the surrounding communities." In 1966, the town of Stratham celebrated their 250th anniversary and residents have gathered every year since to celebrate their founding at what is now known as the Stratham Fair. A Land Protection Committee was created in 2002, and a decade later,

over 543 acres or nearly 6 percent of the town of Stratham has been conserved and protected permanently.

Today Stratham is home to the headquarters of the Timberland Corporation and to the only Lindt & Sprungli factory in the United States.

This year, on the occasion of Stratham's 300th Anniversary of its founding, I join more than 7,000 residents in commemorating the rich heritage and valuable contributions to the State of New Hampshire and our Nation.●

REMEMBERING GARY DiGIUSEPPE

• Mr. BOOZMAN. Mr. President, today I wish to acknowledge the life of Gary John DiGiuseppe whose passion for agriculture and journalism helped keep Arkansans informed about the State's No. 1 industry.

Gary was a man who knew the importance of dedication and hard work. He was fiercely dedicated to his family and his life's work. He was a man who possessed a broad base of invaluable knowledge that he shared eagerly through his radio shows and literature. He worked as an agricultural reporter for 35 years. To others in his field, he was known as a true professional of agriculture.

Many knew Gary as the man who started their mornings off with a friendly voice. He was an accomplished talk show host and writer. He was known for doing an excellent job reporting on conferences and interviews. There are few who do not trust his educated opinion. His writing has also been published in the "Arkansas Money & Politics" magazine.

Gary was often referred to as an asset, trustworthy, and well informed. In addition, he was well versed in other aspects of life. He was an accomplished musician and stood firm on his important principles through determined discipline.

Gary always represented situations clearly and fair in his reporting. I was happy to talk with him about the agricultural topics that he was researching and reporting on.

He maintained a passion for learning and teaching all aspects of agriculture.

I am remembering Gary today as a true friend of Arkansas agriculture. My thoughts and prayers go out to Gary's wife, Mary, and his entire family. I humbly offer my gratitude and appreciation for one of Arkansas' finest agriculture advocates.●

TRIBUTE TO COLTER SCULLY

• Mr. DAINES. Mr. President, I would like to acknowledge an exceptional Montanan, Colter Scully. Colter is a rising senior at Powell County High School and is preparing for his board of reviews to complete his Eagle Scout application. Three years ago, Colter was inspired to create a frisbee-golf course in his community. Thanks to his leadership and perseverance, the course was opened on May 31, 2016.

Colter's scoutmaster, Tom Burkhardt, describes Colter as a natural outdoorsman and leader, who leads quietly and kindly but has earned the following and respect of his peers. Tom says, "What sets Colter apart is once he sets his mind to something he's going to do all that he needs to do to see it through."

Eagle Scouts applicants must present a community project that requires planning, coordination, and future thinking. Colter sought out the Deer Lodge Parks Board and a local youth club against corporate tobacco, reACT, to coordinate the creation of his frisbee-golf course. Colter created a dynamic team of individuals who came together to provide the communities of Deer Lodge and Powell with a tobacco-free and entertaining activity.

The Eagle Scout is one of the highest performance-based achievements a young man can earn. In fact, only 5 percent of scouts attain this ranking. Colter had to secure 21 merit badges ranging from first-aid and camping to environmental science and family life, while holding leadership positions. Colter has humbly served Troop 239 as quartermaster, patrol leader, and senior patrol leader.

He embodies the boy scout oath to do his best, to serve God and his country, and to help others at all times in all areas of his life. At Powell County High School, Colter is an honor student who puts forth his best work, earning a 4.0 GPA, while juggling three sports: football, basketball, and track.

I have no doubt this young man's hard work and dedication will be rewarded. As an Eagle Scout, he will be joining the ranks of impressive individuals such as Neil Armstrong and Gerald Ford. I hope you will join me in wishing Colter the best of luck as he prepares for his Eagle Scout board of review.●

TRIBUTE TO WILLIAM PARK

• Mr. HELLER. Mr. President, today I wish to recognize an upstanding Nevadan, William Park, who has served as a volunteer firefighter for the Smith Valley Fire Protection District for over 50 years. It gives me great pleasure to recognize his years of hard work and dedication to creating a safe environment for the Smith Valley community.

Mr. Park joined the Smith Valley Fire Protection District as a volunteer firefighter in 1966. He was one of the first Emergency Medical Services, EMS, instructors in the State as part of the Professional Rescue Instructors of Nevada, where he trained hundreds of emergency medical technicians. In just 10 years, Mr. Park rose in the ranks and was selected to serve as assistant fire chief and later fire chief of the District. In the late 1970s, Mr. Park's construction company, Park Construction, rebuilt the Smith Valley Fire Protection District's Wellington Station, growing the facility to two apparatus bays. By 1980, he became the
