#### LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I yield to the gentleman from California (Mr. MCCARTHY), the majority leader, for the purpose of inquiring of the schedule of the week to come.

(Mr. MCCARTHY asked and was given permission to revise and extend his remarks.)

Mr. MCCARTHY. I thank the gentleman for yielding.

Mr. Speaker, on Monday, the House will meet at noon for morning hour and 2 p.m. for legislative business. Votes will be postponed until 6:30.

On Tuesday and Wednesday, the House will meet at 10 a.m. for morning hour and noon for legislative business.

On Thursday, the House will meet at 9 a.m. for legislative business. Members are advised that later votes than normal are possible on Thursday and to keep their travel plans flexible.

No votes are expected in the House on Friday.

□ 1300

Madam Speaker, the House will consider a number of suspensions next week, a complete list of which will be announced by close of business today.

The House will consider H.R. 5053, the Preventing the IRS Abuse and Protecting Free Speech Act, sponsored by Representative ROSKAM. This common-sense bill prohibits the IRS from collecting donor information, which has been used by the IRS to improperly target tax-exempt organizations.

Finally, Madam Speaker, the House will consider H.R. 5293, the FY17 Defense appropriations bill, sponsored by Representative RODNEY FRELINGHUYSEN. We expect a large number of amendments to be considered on this bill. So, again, Members are reminded to keep their travel schedules flexible at the end of next week.

Mr. HOYER. Madam Speaker, I thank the gentleman for that information.

Today, we considered a third appropriations bill. It was a structured rule, which is not uncommon on both sides of the aisle to have a structured rule.

But next week, the gentleman has announced the Defense appropriations bill, and I am wondering whether or not that will be an open rule so that amendments will be able to be offered by Members without constraint of being limited?

I yield to the gentleman from California.

Mr. MCCARTHY. Madam Speaker, to answer the gentleman's question, yes, that will come under a structured rule. So Members will be able to offer amendments but before the Rules Committee and then have the debate on the floor prior to passage of the bill.

Mr. HOYER. Madam Speaker, does the gentleman mean by "structured rule" that we will simply require amendments to be filed as of a certain time, but that there will be no restriction on amendments that will be in order?

I yield to the gentleman from California.
