It makes me proud to hear that our K-9 team is well trained and making Pinellas County safe, and I ask that this body join me in recognizing the efforts of Dobies and Officer Nguyen.

REMEMBERING THE LIFE OF
DELBERT "DEL" LATTA

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2016

Ms. KAPTUR. Mr. Speaker, I rise today to commemorate my former colleague, retired Congressman Delbert "Del" Latta, who passed away this past May in Bowling Green, Ohio.

Congressman Latta honorably served the people of Ohio's 5th Congressional district for thirty years, and was a pillar of the Republican Party, while making friends on both sides of the aisle. He served as close friend and advisor to Presidents Nixon and Reagan. Del was a man of strong convictions, helping him to quietly and steadily serve as a leader of his party for nearly three decades.

Before winning his seat in the House of Representatives, Del served as a member of the Ohio Senate for five years. During his early tenure in the U.S. House he served on the Rules Committee, but after 16 years his sterling reputation for honesty and integrity earned him a spot on the Judiciary Committee in 1974.

His time on the Judiciary Committee coincided with the Watergate hearings, perhaps the most challenging constitutional period of recent history. Del Latta was steadfast and resolute during this trying time, serving as a loyal defender of a President under siege. For those of us who have been through similar periods of history in this chamber, a President truly values Members of Congress who serve

as loyal defenders in public, and honest brokers in private. Del Latta was both a loyal defender, and an honest broker.

Del was eminently likeable, even if you disagreed with him on policy. He possessed a truly collaborative nature, enabling him to work with other Members to achieve landmark legislation that would shape the party's platform. In 1981 Mr. Latta shepherded passage of an economic package in the House for a new President, Ronald Reagan. He led with his amiable charm, keen wit, and resilience, all characteristics that I also see in his son, our colleague, Congressman BOB LATTA.

In 1988 the Congressman chose to end his congressional career on his own terms. At the time, he served as Dean of the Ohio Congressional delegation. Flash forward twenty years and Del's son BOB sought the same seat, Ohio's Fifth Congressional district.

Congressman Latta's passion and commitment to his country and his government deserve recognition and the utmost respect. Del was a man who served faithfully with a humble spirit that embodies the Midwest. It was my privilege to have served with him in the U.S. House at a time when there were but a handful of veteran Members. He was always respectful and of good humor.

Over the past several weeks I have thought about those weekly trips from Washington to Ohio that I would often share with Del Latta, and how often he spoke fondly about his wife Rose Mary, and his daughter Rose Ellen, and our colleague BOB. How proud he would be today of his five grandchildren and three great-grandchildren.

We offer them our prayers and hope that they find comfort in the wonderful memories of our dear colleague and fellow Ohioan, Del Latta.

IN RECOGNITION OF NICK
STRICKLEN

HON. PATRICK J. TIBERI

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2016

Mr. TIBERI. Mr. Speaker, I rise today to recognize Nick Stricklen of Lexington High School for winning the Boys 3200 Meter Run at the Division II Ohio High School Track and Field State Championship.

An achievement such as this certainly deserves recognition. The Ohio High School Athletic Association has enabled talented teams and individuals to earn state titles since its founding in 1907. Throughout this time, the champions of OHSAA state level competitions have represented the highest achieving and most talented athletes in Ohio. Each year these elite competitors join the ranks of those who embody Ohio's proud history of athletic success.

Nick's victory caps a tremendous season. This sort of achievement is earned only through many hours of practice, perspiration and hard work. He has set a new standard for future athletes to reach. Everyone at Lexington High School can be extremely proud of his performance.

On behalf of the citizens of Ohio's 12th Congressional District, I congratulate Nick Stricklen on his state championship. I wish him continued success in both his athletic and academic endeavors.

FINANCIAL SERVICES AND GENERAL GOVERNMENT APPROPRIATIONS ACT, 2017

SPEECH OF

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, July 6, 2016

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 5485) making appropriations for financial services and general government for the fiscal year ending September 30, 2017, and for other purposes:

Mr. HASTINGS. Mr. Chair, this body will vote on amendments to H.R. 5485, Financial Services and General Government Appropriations Act, 2017. Included in these amendments was Amendment Number 17, which would have struck language from the underlying legislation that delays the implementation of the Consumer Financial Protection Bureau's (CFPB) recently proposed rule regulating payday loans. While I will not be present to vote on the adoption of this amendment, I will vote against this measure.

It is an unfortunate reality that many people live paycheck-to-paycheck in this country. For these individuals, any unexpected bill, whether it is a car repair or a medical emergency, can wreak havoc. Short-term, small-dollar loans are essential resources for those who need just a little help overcoming these types of unexpected expenses. Likewise, just as these small-dollar, short-term loans are essential to many working-class American families, protecting consumers from unscrupulous actors is also imperative.

However, I fear that in trying to protect consumers, the CFPB's proposed rule will cut off access to short-term credit without providing a necessary alternative. By some estimates, the current proposed rule will force nearly 80 percent of payday lenders to shutter their doors. Ironically, in trying to protect consumers, the CFPB's efforts to regulate payday lenders will end up hurting consumers and their ability to access much needed sources of credit.

Mr. Chair, it is for this reason that I oppose the implementation of the CFPB's proposed rulemaking at this time and will vote against the amendment preventing the rule's delay. I will continue to work tirelessly to ensure that an appropriate balance is struck: ensure working-class Americans have unencumbered access to vital short-term, small-dollar credit, while protecting consumers from unscrupulous actors in the industry.
