SENATE CONCURRENT RESOLUTION 44—RECOGNIZING THE SUNFLOWER AS THE FLOWER FOR MILITARY CAREGIVERS

Mr. BURR (for himself, Mrs. MURRAY, and Mr. BLUMENTHAL) submitted the following concurrent resolution; which was considered and agreed to:

S. CON. RES. 44

Whereas military caregivers are nameless, courageous, giving individuals whose determination and sacrifices are rarely acknowledged and little-known outside of the military community;

Whereas a military caregiver provides support and medical care to a member of the uniformed services or veteran who suffers from a physical, mental, or emotional wound or injury;

Whereas military caregivers can include a father, mother, spouse, sibling, family member, loved one, or close friend of an injured member of the uniformed services or veteran;

Whereas since the first armed conflict of the United States, injured veterans have been cared for by family members and loved ones after returning home from combat;

Whereas since the Revolutionary War, military caregivers in the United States have tended to injured veterans as the veterans have recovered from seen and unseen wounds from combat operations;

Whereas military caregivers have shown time and time again, regardless of the conflict, that caring for those who return home is a part of the character of the United States;

Whereas many of the members of the uniformed services and veterans who served in Operation Enduring Freedom or Operation Iraqi Freedom—

(1) suffered wounds or injuries; and

(2) require assistance from a caregiver to complete either activities of daily living such as bathing, dressing, and feeding, or instrumental activities such as transportation, meal preparation, and health management;

Whereas, according to a study of military caregivers conducted by the RAND Corporation, more than 1,000,000 individuals serve as caregivers to veterans who served in Operation Enduring Freedom or Operation Iraqi Freedom;

Whereas the Caregivers and Veterans Omnibus Health Services Act of 2010 (Public Law 111-163; 124 Stat. 1130) facilitated a new program for access to health insurance, mental health services, caregiver training, and respite care by family caregivers of veterans who served in Operation Enduring Freedom or Operation Iraqi Freedom;

Whereas the adoration, loyalty, and longevity of military caregivers—

(1) endures through the hardships of extended hospital stays, multiple surgeries, and lifetimes of care; and

(2) helps create a fresh start that is hopeful even during difficult times;

Whereas the sunflower is a flower that symbolizes adoration, loyalty, and longevity; and

Whereas there is no more appropriate representation of the devotion and determination to overcome obstacles shown every day by military caregivers than the sunflower: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That Congress—

(1) honors military caregivers for service and sacrifice to the United States;

(2) encourages the people of the United States—

(A) to show support to military families; and

(B) to recognize the sacrifices endured by those families in service to the United States; and

(3) recognizes the sunflower as the flower for military caregivers.
