

whom he married on September 11, 1999, and his children, Ryley, Bailey, Halley, Kassidey and Owen. He leaves also his parents, Richard and Diane; his sister, Jill (Kenneth) Ferrone; father-in-law, Gordon Bickle; brothers-in-law, Greg and Kevin Bickle; niece, Madison; nephew, Miles Ferrone; and his family of firefighters. He also leaves his dogs, Toby, LuLu, Sophie Mae, and Kooper.

Charitable even through his death, John was a Lifebank donor. He will be sadly missed by the community to which he gave so much.

CELEBRATING SPECTROLAB'S 60TH ANNIVERSARY

HON. TONY CÁRDENAS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. CÁRDENAS. Mr. Speaker, I rise to recognize and celebrate the 60th Anniversary of Spectrolab, located in Sylmar.

Spectrolab was founded in 1956 by Mr. Alfred E. Mann, a noted entrepreneur, inventor, and philanthropist.

Spectrolab is the world's leading manufacturer of solar cells and solar panels for space. Having manufactured more than 6.5 million solar cells, Spectrolab has powered more than 600 satellites and exploration vehicles.

The technology and products developed by Spectrolab have been a part of our nation's first ventures into space, including Pioneer 1 in 1958 and Explorer 6 in 1959.

Its solar panels were placed on the moon during the *Apollo 11* mission in 1969.

In 2004, Spectrolab received NASA's George M. Low Award for Supplier Quality and Excellence and had multi-junction cells inducted into the Space Technology Hall of Fame by the United States Space Foundation.

Spectrolab's solar cells power the International Space Station, the largest spacecraft in orbit. They recently set a new record with its advanced solar cells, powering Juno, NASA's interplanetary probe, on a mission to Jupiter.

With more than 80 percent of all law enforcement aircraft and helicopters in the United States using Spectrolab's Nightsun searchlights, this Sylmar Company has also made a difference in cities across the country.

Spectrolab's contributions to the San Fernando Valley and the space industry are truly commendable.

I applaud the record of unparalleled accomplishments in space exploration, illumination, and solar cell technology and satellite development.

RECOGNIZING THE 50TH ANNIVERSARY OF UNITED WAY OF LAKE AND SUMTER COUNTIES

HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. WEBSTER of Florida. Mr. Speaker, I am pleased to recognize the tireless service and earnest dedication of United Way of Lake and Sumter Counties as they celebrate their 50th anniversary.

Since 1965, United Way of Lake and Sumter Counties has collaborated with community partners to empower individuals and families in Lake and Sumter Counties to achieve their maximum potential through education, income stability, and healthy lives. In 2016, United Way of Lake and Sumter Counties will invest more than \$273,295 in 14 education, income and health programs in Lake and Sumter Counties. In addition, United Way of Lake and Sumter Counties community investments include \$345,000 to fund other programs including: 2-1-1, Family Emergency Services, the Human Care Network, and the Volunteer Tax Assistance program.

I am pleased to recognize the selfless work of United Way of Lake and Sumter Counties and their altruistic aspiration to improve our communities and help our neighbors. May their example inspire many to follow in their footsteps.

IN HONOR OF THE HUMANITARIAN EFFORTS OF KIMSE YOK MU (KYM)

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. PAYNE. Mr. Speaker, I rise today to give recognition to the non-profit organization Kimse Yok Mu (KYM). This Turkish based international organization has successfully provided developmental and humanitarian aid through enlisting the help of 180,000 volunteers worldwide in over 113 countries. I urge my colleagues to join me in celebrating the amazing achievements of this great organization.

Established in 2002, KYM has been able to aid over 200,000 families within Turkey and even millions more around the world. Their efforts include helping bring clean water to 17 African countries through the creation of 1,622 fresh water drinking wells, providing cataract surgery to 25,577 people on the African continent, as well as helping orphaned children in 56 countries.

KYM has been granted United Nations ECOSOC Special Consultative Status as an international charity, as they are credited with providing different sources of aid through medical services, social services, disaster relief, humanitarian services, educational programs, and sustainable infrastructure development. KYM is known to quickly respond to natural disasters through its sophisticated monitoring system and efficient work ethic.

The KYM has significantly changed millions of people's lives for the better, and on behalf of the people of the United States and New Jersey we thank them immensely for their humanitarian efforts.

PERSONAL EXPLANATION

HON. TERRI A. SEWELL

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Ms. SEWELL of Alabama. Mr. Speaker, during Roll Call votes 453, 454, and 455 held on July 13th, 2016, I was inescapably detained

handling important matters related to my District and the State of Alabama. If I had been present, I would have voted NO on the Palmer amendment, NO on the Gosar amendment, and NO on the Perry amendment to the FY2017 Interior, Environment, and Related Agencies Appropriations Bill.

HONORING SUSAN E. STRICKLER ON THE OCCASION OF HER RETIREMENT FROM THE CURRIER MUSEUM OF ART IN MANCHESTER, NEW HAMPSHIRE

HON. FRANK C. GUINTA

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. GUINTA. Mr. Speaker, I would like to express my congratulations to Susan Strickler on her retirement after 20 years with the Currier Museum of Art in Manchester, New Hampshire, and thank her for the outstanding work she did during her career.

Ms. Strickler's commitment to expanding access to great art to the residents of New Hampshire and building on the strong reputation the Currier has had in New England and beyond has been outstanding. Her efforts to bring in new modern exhibits, while also highlighting the timeless beauty of more historical and revered works has helped to broaden the appeal of the museum to new generations.

She has not only helped to promote and expand access to the arts in New Hampshire, but also to solidify the Currier as an important landmark in the City of Manchester, with the expansion of its grounds and buildings.

It is with great admiration that I congratulate Ms. Strickler on her retirement and all that she's accomplished in her career, and wish her the best on all future endeavors.

HONORING STATE TECHNICAL COLLEGE OF MISSOURI PRESIDENT DR. DON CLAYCOMB ON HIS RETIREMENT

HON. BLAINE LUETKEMEYER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. LUETKEMEYER. Mr. Speaker, I rise today to honor a constituent of mine, Dr. Don Claycomb. He retired as President of State Technical College of Missouri on June 30, 2016. Dr. Claycomb dedicated over two decades of service to the college. Dr. Claycomb is currently the longest-serving public college president in Missouri.

At the beginning of his career, Dr. Claycomb was a high school agriculture teacher and FFA advisor. During those years of teaching, Dr. Claycomb was introduced to State Technical College of Missouri. During the years Dr. Claycomb has been president there have been numerous name changes for the college. When he first started working there in 1993, the name was Linn Technical Junior College; it was then changed to Linn Technical College. Then in 1996, the name was changed to Linn State Technical College. In 2013, the Missouri General Assembly passed HB 673 that would change the college's name to State

Technical College of Missouri as of July 1, 2014. Throughout the name changes for the college, Dr. Claycomb stated, "We have maintained the main purpose of preparing students for the workforce."

At Dr. Claycomb's hiring, the original board members charged him with specific goals, which he attributes to his success while president of the college. They first asked him to improve staff morale which Dr. Claycomb passionately started working on and believes it is a continuous process. Secondly, he was tasked with developing sound financial practices for the college. In the years that Dr. Claycomb has been president, there have been strong audits for the college. Their third goal was to continue the effort to define the college as a legal entity that is separate from the Linn R-2 school system. These goals helped Dr. Claycomb successfully lead the college into what it is today.

In 2015, Dr. Claycomb was chosen as one of the few to receive the Missouri Pioneers in Education from the Missouri State Board of Education and the Missouri Department of Elementary and Secondary Education. This was awarded to him in acknowledgement of over fifty years of an outstanding career and contributions to public education. At the 2016 commencement at State Technical College of Missouri, Dr. Claycomb received an honorary degree from the college. Also at commencement, it was announced that the Information Technology Center would be renamed the Dr. Donald M. Claycomb Information Technology Center. Dr. Claycomb's wife Linda's statement explains why these awards were given, "This wasn't a job for Don Claycomb, Don lives and breathes this place. It's in his blood."

Dr. Claycomb will get to spend more time with his family now that he is retired. He will celebrate his 27th wedding anniversary this summer with his wife, Linda. She holds a doctorate and teaches nursing education at Columbia College at the Columbia and Lake of the Ozarks campuses. Dr. Claycomb has appreciated his wife understanding his job and the time it took him away from the family. Dr. Claycomb and Linda have five children and five grandchildren. He looks forward to spending more time with them. In addition to his family, Dr. Claycomb enjoys collecting antique tractors, reading books, and gardening. These hobbies will fill his days now that the new president has taken the helm of State Technical College of Missouri.

I ask you to join me in recognizing Dr. Claycomb on his retirement from State Technical College of Missouri after twenty-three years of commitment to the college, students, and community.

IN RECOGNITION OF CAPTAIN
WILLIAM C. OSTENDORFF

HON. THOMAS J. ROONEY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. ROONEY of Florida. Mr. Speaker, I rise today to recognize the distinguished career of Captain William C. Ostendorff, who recently completed his second term as a Commissioner at the U.S. Nuclear Regulatory Commission (NRC). After a varied and distinguished career as an engineer, legal counsel,

policy advisor, and naval officer, Captain Ostendorff now departs the NRC to return to teaching at the United States Naval Academy.

Prior to his appointment to the Nuclear Regulatory Commission, Captain Ostendorff served at the National Academies where he was the Director of the Committee on Science, Engineering, and Public Policy. He was also the Director of the Board on Global Science and Technology. He came to the National Academies after serving as Principal Deputy Administrator at the National Nuclear Security Administration from April 2007 until April 2009. From 2003–2007, Captain Ostendorff was a member of the staff of the House Armed Services Committee. There, he served as counsel and staff director for the Strategic Forces Subcommittee with oversight responsibilities for the U.S. Department of Energy's atomic energy defense activities as well as the U.S. Department of Defense's space, missile defense, and intelligence programs.

Captain Ostendorff was an officer in the United States Navy from 1976 until he retired in 2002 with the rank of Captain. During his naval career, he served on six submarines, including command of the USS *Norfolk* from 1992–1995. While in the Navy, he also served as Director of the Division of Mathematics and Science at the United States Naval Academy. He holds a bachelor's degree in systems engineering from the United States Naval Academy, law degrees from the University of Texas and Georgetown University, and is a member of the State Bar of Texas.

Mr. Speaker, I thank Captain Ostendorff for the duty and honor he has consistently displayed throughout his years of outstanding service to our nation. His unparalleled experience and knowledge of nuclear security and defense issues have made him an invaluable resource for our nation, and we are truly better off because of his service. I wish him all the best as he returns to the United States Naval Academy.

CELEBRATING THE GENERAL
MILLS 150TH ANNIVERSARY

HON. KEITH ELLISON

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. ELLISON. Mr. Speaker, I rise today to commemorate and honor General Mills for their 150th year of hard work, leadership and community service in the food and service sector. General Mills, then named the Minneapolis Milling Company, first began when Cadwallader Washburn opened his first flour mill in Minneapolis. John Crosby joined eleven years later and together they reorganized business practices that farmers deemed unfair. They soon won the Gold Medal at the international Miller's Exhibition, which inspired them to name their flour "Gold Medal". The company has since expanded to a highly successful multi-national food corporation that has also tried its hand in the restaurant, toy, and fashion industries.

In 1928, the name changed to General Mills. The same year the company had 5,800 employees with annual sales of \$123 million mostly due to their strongest products of Softasilk cake flour and Wheaties cereal. By 1928, General Mills was the largest flour mill-

ing company in the world. General Mills' diversification and technology allowed them to produce military equipment and dehydrated food for World War II mobilization efforts. By the 1990's, General Mills went international, competing in European and Mexican markets.

General Mills shares its wealth of food expertise through philanthropic work to increase food security, advance sustainable agriculture and protect our natural resources. In 2015, its foundation donated 20 million meals. General Mills strives to ensure the world's watersheds are restored and protected, and to increase the world's pollinator populations. General Mills has partnered with many non-profit organizations in pursuing these goals.

From Betty Crocker to the Pillsbury Dough Boy, General Mills is responsible for some of our most iconic food brands. Whether it is a box of Cheerios, a can of Crescent Rolls, or a bag of Gold Medal Flour, nearly every American household can claim to have a General Mills product. Without a doubt, General Mills will continue to innovate and develop offerings that meet our nation's palate preferences and nutritional needs. I am proud to represent the congressional district where General Mills was started and remains today. I congratulate General Mills and its hardworking employees for their accomplishments and lasting legacy.

HONORING MS. SANDY ELLES

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 14, 2016

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Sandy Elles, the 2016 recipient of the Napa County Farm Bureau Distinguished Service Award in honor of her service as the Executive Director for the past fifteen years.

A native of Burlington, New Jersey Ms. Elles earned a Bachelor of Arts in Political Science from American University and a Bachelor of Arts in Urban Planning from Rutgers University. After moving west to California, Ms. Elles built a successful career as both a business leader and public servant.

Ms. Elles worked with Blue & Gold Fleet in San Francisco from 1981 until 2001, while also serving on the Cotati City Council from 1990 to 1998. During that time, she received the prestigious American Planning Association award for Distinguished Leadership from an Elected Official, and the Sonoma County Conservation Council recognized Ms. Elles as the 1996 Environmentalist of the Year.

After retiring from Blue & Gold Fleet, Ms. Elles served as Executive Director of the Napa County Farm Bureau from 2001 until June 2016, providing guidance to Napa Valley farmers. Under her direction, the Napa County Farm Bureau won the California Farm Bureau Federation Golden State Hall of Fame Award for the best County Farm Bureau in both 2009 and 2010.

Ms. Elles has also been a leader in many other community organizations, including the Napa Chamber of Commerce and Jack L. Davies Napa Valley Agricultural Land Preservation Fund. She was also an instrumental figure in launching ferry service to the San Francisco Giants downtown ballpark from 1998 to 2000.

Mr. Speaker, Ms. Elles has led an impressive career in both business and public service and has dedicated her time and skills to
