

This bill, as amended, simply repeals language that some have interpreted as potentially infringing on private property rights. Passing this bill would not have an impact on how oil and gas operations are conducted in the Allegheny National Forest or in any national forest nationwide.

I thank the sponsor of this bill for working with the Democrats on the committee to craft a workable response that hopefully will pass by unanimous consent. I ask my colleagues to support the bill.

Mr. Speaker, I yield back the balance of my time.

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I thank the gentleman for his support of this piece of legislation, and I urge passage of this bill.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania (Mr. THOMPSON) that the House suspend the rules and pass the bill, H.R. 3881, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the yeas have it.

Mr. THOMPSON of Pennsylvania. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

H.R. 4510

GENERAL LEAVE

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and to include extraneous materials on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Pennsylvania?

There was no objection.

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I yield myself such time as I may consume.

Since 1882, the town of Minturn, Colorado, has used Bolts Ditch to fill Bolts Lake, a place of recreation for the town and an important source of water for the surrounding community. When Congress passed the Colorado Wilderness Act in 1980, 450 feet of Bolts Ditch was inadvertently included in the Holy Cross Wilderness area, which led to questions about the town's ability to access this important infrastructure. After a discussion amongst stakeholders, the town agreed to seek a legislative solution to address this access issue.

This bipartisan bill simply allows the Forest Service to issue a special use permit to the town of Minturn to allow nonmotorized access to maintain a headgate and water ditch in the Holy Cross Wilderness. This bill ensures the town will have access to Bolts Ditch for basic maintenance needs. H.R. 4510 was developed in consultation with the community and the Forest Service, and it enjoys support from a wide range of groups in the region.

I urge the adoption of the bill.

Mr. Speaker, I reserve the balance of my time.

Mr. POLIS. Mr. Speaker, I yield myself such time as I may consume.

I thank Chairman BISHOP for bringing H.R. 4510, the Bolts Ditch Access and Use Act, to the floor today.

I introduced this simple but very important piece of legislation at the request of the local community of Minturn, in Eagle County, because it improves public land, water, and communities in my district.

This bill has bipartisan support from the Colorado delegation. I thank Mr. TIPTON and Mr. LAMBORN for partnering with me on this bill here in the House. In the Senate, Senator GARDNER and Senator BENNET have partnered to pass this bill as well. I am also thankful to the town of Minturn, to the conservation community, and to water utilities for working together for a commonsense solution that we can all support. This is an example of how we can solve a problem when everybody comes together.

The need for this legislation is to solve a vital local problem for the peo-

ple of Minturn, Colorado, a town of about 1,000 people in Eagle County, which is in our Rocky Mountains in Colorado. The problem it fixes results from a mistake in the 1980 Wilderness Act, which inadvertently left Bolts Ditch off of the list of existing water facilities which it should have been included on. This legislation would authorize a special use of the Bolts Ditch headgate and the segment of the Bolts Ditch within the Holy Cross Wilderness area, allowing Minturn to use its existing water right to fill Bolts Lake.

The residents of Minturn who brought this bill to me, as well as Coloradans across the central mountains, have long relied on water infrastructure like Bolts Ditch to access clean and affordable drinking water. This bill will ensure that the town of Minturn is able to utilize a crucial resource and to do so without compromising the sanctity of the surrounding wilderness areas.

Mr. Speaker, I reserve the balance of my time.

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I have no additional speakers on this piece of legislation.

I reserve the balance of my time.

Mr. POLIS. Mr. Speaker, I thank the majority and minority staffs of the committee for working with us on this bill. It is very important to the people of Minturn and to our central mountain region in Colorado, so I urge its passage.

Mr. Speaker, I yield back the balance of my time.

Mr. THOMPSON of Pennsylvania. Mr. Speaker, this is important infrastructure for this community in Colorado.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania (Mr. THOMPSON) that the House suspend the rules and pass the bill, H.R. 4510, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

FORT FREDERICA NATIONAL MONUMENT BOUNDARY EXPANSION ACT

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 3480) to expand the boundary of Fort Frederica National Monument in the State of Georgia, and for other purposes, as amended.
