##### HOUSE RESOLUTION 7670

Whereas, The 1st President of the United States George Washington stated, "The basis or our political systems is the right of the people to make and to alter their Constitutions of Government"; and

Whereas, It was the stated intention of the framers of the Constitution of the United States of America that the Congress of the United States of America should be "dependent on the people alone." (James Madison Federalist 52); and

Whereas, That dependency has evolved from a dependency on the people alone to a dependency on those who spend excessively in elections, through campaigns or third-party groups; and

Whereas, The United States Supreme Court ruling in Citizens United v. Federal Election Commission, 558 U.S. 310 (2010) removed restrictions on amounts of independent political spending; and

Whereas, The removal of those restrictions has resulted in the unjust influence of powerful economic forces, which have supplanted the will of the people by undermining our ability to choose our political leadership, write our own laws, and determine the fate of our state; and

Whereas, Article V of the United States Constitution requires the United States Con-

gress to call a convention for proposing amendments upon application of two-thirds of the legislatures of the several states for the purpose of proposing amendments to the United States Constitution; Now, therefore be it

*Resolved*, That this House of Representatives of the State of Rhode Island and Providence Plantations hereby sees the need for a convention to propose amendments in order to address concerns such as those raised by the decision of the United States Supreme Court in Citizens United v. Federal Election Commission and related cases and events including those occurring long before or afterward or for a substantially similar purpose, and desires that said convention should be so limited; and be it further

*Resolved*, That this House hereby respectfully requests that the delegates to said convention be comprised equally of individuals currently elected to state and local office, or be selected by election, in each Congressional district for the purpose of serving as delegates, though all individuals elected or appointed to federal office, now or in the past, be prohibited from serving as delegates to the Convention, and furthermore requests the ability to restrict or expand the power of its delegates within the limits expressed above; and be it further

*Resolved*, That this House hereby intends that this be a continuing application considered together with applications calling for a convention passed in the 2013-2014 Vermont legislature as R454, the 2013-2014 California legislature as Resolution Chapter 77, the 2013-2014 Illinois legislature as Senate Joint Resolution No. 42, the 2014-2015 New Jersey legislature Senate concurrent Resolution No. 132, and all other passed, pending, and future applications, the aforementioned concerns of Rhode Island notwithstanding until such time as two-thirds of the several states have applied for a Convention and said Convention is convened by Congress; and be it further

*Resolved*, That the citizenry of the State of Rhode Island, speaking through this House of Representatives, and pursuant to Article V of the United States Constitution, hereby petitions the United States Congress to call a Convention for the purpose of proposing Amendments to the Constitution of the United States of America as soon as two-thirds of the several states have applied for a Convention; and be it further
