

quickly established himself as a leader and fixture in that industry. He would host at his home, as overnight guests, the likes of Frankie Avalon, Sammy Davis, Jr., and Pat Boone.

Mr. Levy ran for mayor of Buffalo in 1973, as a Republican in a heavily Democratic Buffalo. Though unsuccessful, his campaign tagline, "For the Love of Buffalo," reflected Stewart's pride and civic purpose. He inspired everyone he touched. He was charismatic and kind, interested and interesting, and insatiably curious. His mind and his enthusiasm never aged.

I remember thinking the last time I saw and visited with him that Stewart Levy was gifted with that rare quality—so rare—that made you look forward to the next opportunity you had to see and visit with him again.

To Stewart's wife, Faye, and sons, Jordy and Mitchell, thank you for sharing him with us. Stewart Levy will be missed, but there will always be light and inspiration to guide us from the love and friendship that he gave us.

AMERICA SUPPORTS HELPING FAMILIES IN MENTAL HEALTH CRISIS

(Mr. MURPHY of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MURPHY of Pennsylvania. Mr. Speaker, during a time when our Nation seems so divided, polarized, and unable to come together on any issue, there is one thing on which most of America agrees, by policy, politics, and polling.

In April, a national mental health survey found that 86 percent of Americans support the Helping Families in Mental Health Crisis Act. When it comes to mental health, Democrats, Republicans, and Independents agreed that H.R. 2646 is the answer.

In July, the House followed America's call and came to pass the bill 422-2 to provide more hospital beds, more psychiatrists, psychologists, and reform our broken system. Now, the American people wait for the Senate to join us in passing this badly needed legislation.

Millions of Americans are saying: please do not leave Washington without passing the bill so that the House can concur and we can get it signed into law. Every day they don't, 959 new families mourn the loss of a loved one who suffered from mental illness. And every day, 118 families mourn a new death by suicide. Every day the Senate waits, we delay reform.

Pass H.R. 2646. Where there is help, there is hope.

A BETTER WAY TO IMPROVE HEALTH CARE

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, as any hard-working American knows, health insurance costs and regulations impact all of us on a daily basis. Americans need patient-centered solutions to address our healthcare system's key problems, and House Republicans have a better way than the so-called Affordable Care Act to improve health care.

Our plan gives Americans more control and more choices. It makes sure they never have to worry about being turned away or having their coverage taken away, regardless of age, income, medical conditions, or circumstances. Our plan clears out the bureaucracy to accelerate the development of life-saving devices and therapies, and it protects Medicare for today's seniors and preserves the program for future generations.

This reform can't come soon enough. According to a report by the Kaiser Family Foundation, most North Carolinians are projected to have just one insurer's plan to choose from in the 2017 Federal individual health exchange.

I will not rest until ObamaCare is repealed and we have returned control of medical decisions to doctors and their patients.

THE CLANKING BAGS OF FILTHY LUCRE TO IRAN

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, during negotiations with the criminal Ayatollah, the U.S. paid Iran, the world's largest state sponsor of terror, a \$400 million ransom to free hostages. Shockingly, the administration now has made two additional payments, totaling \$1.3 billion.

Speculation is our government may have used underhanded and sneaky tactics, multiple hard currencies, and precious metals to hide the filthy lucre from Americans.

The government's payments of bags of clanking coins to the outlaw nation will not go to build roads and bridges and hospitals. Instead, it is going to Iran's corrupt military and helping radical terrorists continue to spread murder and aggression.

Illusionaries say that the Iranian nuclear bribe deal will help us live together in peace and harmony. Peace is not what the rogue nation wants. They want death to America.

Why did our government pay off the Ayatollah to preach hate and prepare for war? We don't need to pay Iran to hate us. They will do it for free.

And that is just the way it is.

CONGRESS NEEDS TO ADDRESS THE ZIKA PUBLIC HEALTH CRISIS

(Mr. POLIS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POLIS. Mr. Speaker, here we are debating various issues. Soon we will be going into debate on veterans bills, on tax cut bills. Yet this body has continually failed to act on addressing the Zika health crisis that has already impacted over 3,000 Americans in States like Texas and Florida, and it will only continue to get worse until we put the resources we need into our public health to prepare vaccinations, to deal with mosquito control.

This is the type of issue that doesn't solve itself. And it is amazing that, when people look to the United States Congress for leadership, rather than acting on funding Zika, months after the initial request by the President of the United States, we continue to discuss topics which are not going to become law, bills that would be vetoed if they pass the Senate, won't pass the Senate, and, obviously, don't address the immediate public health crisis that is affecting thousands of Americans and will affect even more until this body decides to address it.

CONGRATULATING THE STATE COLLEGE SPIKES ON THEIR NEW YORK-PENN LEAGUE CHAMPIONSHIP

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to congratulate the players, coaches, and staff of the State College Spikes on their 2-1 win over Hudson Valley last night to capture the New York-Penn League Championship.

The New York-Penn League is a Class A Short Season baseball league which includes teams from across Pennsylvania, New York, Maryland, Massachusetts, Ohio, Vermont, West Virginia, and Connecticut.

The championship represents the end of a great season for State College. The team set a regular season club record for wins at 50. Tommy Edman, a draft pick of the St. Louis Cardinals in June, also set the Spikes' single season runs scored record with 61.

Earlier this year, I had the chance to meet with the members of the Spikes' management in my office here in Washington, D.C., and I was happy to have the opportunity to learn more about the organization and their players.

I know how much the team contributes to the community and to the economy of State College. I wish them the best of success next year.

CONDEMNING NICARAGUA'S REPRESSIVE ACTIONS AND HUMAN RIGHTS VIOLATIONS

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise today to condemn the repressive
