The SPEAKER pro tempore (Mr. HULTGREN). Pursuant to the rule, the gentleman from Florida (Mr. MILLER) and the gentleman from California (Mr. TAKANO) each will control 20 minutes.

GENERAL LEAVE

Mr. MILLER of Florida. Mr. Speaker, I ask unanimous consent that Members have 5 legislative days within which to revise and extend their remarks and add extraneous material on H.R. 5985, as amended.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. MILLER of Florida. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, H.R. 5985, as amended, would extend a number of expiring authorities and critical programs at both the Department of Veterans Affairs and the Department of Labor. These include extensions for veterans' health care and homeless programs, benefits for disabled veterans and their caregivers, vocational rehabilitative programs for servicemembers and veterans, home loan programs, and a variety of advisory committees and pilot programs.

Absent passage of this legislation today, these important and non-controversial authorizations and programs are set to expire at the end of this fiscal or this calendar year. These are not new programs, and the costs associated with them have either been fully offset or have been assumed in the baseline budget for fiscal year 2017.

Furthermore, both the majority and minority of the House and Senate Committees on Veterans' Affairs have worked on this language and agree on the need to extend all of these programs.

H.R. 5985, as amended, includes an extension of authority which would allow VA to continue to approve schools for GI Bill benefits for up to 18 months, even if the school's accreditor loses formal recognition by the Department of Education.

Mr. Speaker, this change is necessary to provide student veterans with the same protections that students using title IV funds would have, and it would ensure that our Nation's veterans don't immediately have their GI Bill benefits, including their housing allowances, halted by a DOE decision to no longer recognize an accrediting body.

This provision is a must-pass, as there is possibly an imminent decision by the Department of Education to do just that and to withdraw the approval of the Accrediting Council for Independent Colleges and Schools.

While I am not going to comment today on the Secretary of Education's decision, we have been told it could come as early as this month, and it is this body's duty to protect an estimated 18,000 veterans from losing their benefits instantaneously through absolutely no fault of their own.

The language in this bill would mirror language that is already included in the law governing nonveteran student aid and is supported by numerous veterans service organizations and other stakeholders, including the American Legion, Veterans of Foreign Wars of the United States, Student Veterans of America, and the National Association of State Approving Agencies.

Mr. Speaker, I encourage all Members to support H.R. 5985, as amended. I reserve the balance of my time.

Mr. TAKANO. Mr. Speaker, I yield myself such time as I may consume.

I rise today in support of H.R. 5985, a bill to extend certain expiring provisions related to care at the Department of Veterans Affairs. This bill makes sure that some of the vital programs we have in place to take care of our veterans continue past the end of the fiscal year and continue to help our veterans. Included in this bill are provisions related to health care, benefits, homeless veterans, and other related issues.

I am pleased to support extending programs related to support services for caregivers, child care for certain veterans receiving health care, and a pilot program on counseling in retreat settings for women veterans newly separated from the service.

It also has provisions to extend the authority related to rehabilitation and vocational benefits to members of the armed services with severe injuries or illnesses, homeless veterans' reintegration programs, homeless women veterans and homeless veterans with chil-

dren and providing housing assistance for homeless veterans.

The final section of the bill deals with the GI Bill and when an institution of higher education loses its accreditation. This section aligns GI Bill benefits in law with all other higher education benefits, such as Pell and Federal student loans.

Now, this provision is crucial because soon the Department of Education may withdraw recognition of the Accrediting Council for Independent Colleges and Schools. I support this move by the Department of Education. It is a long time coming.

But without section 415, when this happens, GI Bill benefits will be cut off for student veterans in schools accredited by this agency. It puts the 37,000 student veterans and dependents receiving GI Bill benefits in schools accredited by this agency on the same footing as all other students receiving Federal higher education benefits. It allows them the time they need to recoup.

Section 415 is strongly supported by veterans service organizations such as Student Veterans of America and is the result of bipartisan agreement.

Mr. Speaker, I reserve the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, I yield 1½ minutes to the gentleman from the Fifth District of Colorado (Mr. LAMBORN), a very active member of the House Committee on Veterans' Affairs.

Mr. LAMBORN. Mr. Speaker, I thank the chairman for the great work. We are going to miss his leadership next year when he goes into other pursuits. He will be sorely missed, and veterans will miss him.

Mr. Speaker, I rise today to speak of a missed opportunity in H.R. 5985. At present, the VA is pushing a rule that permits certified registered nurse anesthetists to practice without the supervision of a physician. This is a huge mistake. This bill should extend a 1-year period where the VA cannot implement this rule.

Opponents to this provision cited conditions present in forward-deployed locations as justification for implementing a change of this magnitude. Be that as it may, just because certain practices are permitted in forward-deployed locations due to military necessity does not mean that those risky practices should be forced upon our veterans at all other times and places.

Our veterans deserve the absolute best care possible. They should not be used as test subjects when the VA tries to change how it delivers services. It is not right for the VA to give our veterans unsafe and risky health care.

Mr. TAKANO. Mr. Speaker, I have no further speakers. I simply want to urge my colleagues to join me in passing H.R. 5985, as amended. I want to thank, sincerely, the work that we have done together with Chairman MILLER on this legislation. I am so pleased that we are passing this in the manner we are.

Mr. Speaker, I yield back the balance of my time.

Mr. MILLER of Florida. Mr. Speaker, once again, I encourage all Members to support H.R. 5985, as amended.

I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. MILLER) that the House suspend the rules and pass the bill, H.R. 5985, as amended.
