

EXTENSIONS OF REMARKS

HONORING BOB BROWNSTEIN

HON. MICHAEL M. HONDA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2016

Mr. HONDA. Mr. Speaker, I rise today to honor Mr. Bob Brownstein. I am joined by my colleagues Congresswoman ZOE LOFGREN and Congresswoman ANNA ESHOO. Bob is retiring from his 17-year career as Policy Director of Working Partnerships USA, but his dedication and service to working families in the Bay Area has spanned over 40 years. His commitment to creating a better, more just future for Silicon Valley makes him a hallmark of leadership in our community.

A native of the Bronx, Bob grew up admiring the towering photograph of President Franklin D. Roosevelt that hung in his father's hardware store. To the young boy and his father, President Roosevelt represented a higher echelon of politician and public servant—one who devoted his career to empowering the underprivileged and the underserved. It was in the manner and legacy of President Roosevelt that Bob embarked on his own career in public service, driven by his steadfast faith in and vision of societal progress.

Bob Brownstein entered the California political scene in 1977, and his impact was immediately felt across the region. He changed local government and city politics as he led efforts to elect San Jose officials by district, giving greater representation for residents in City Hall. Later, he was instrumental in establishing the partnership between the city and San Jose State University to build the Martin Luther King Library.

Bob, a lifelong advocate for workers, was the driving force behind the 1998 movement for living wages. He led two campaigns to raise the minimum wage and worked closely to reform San Jose's rent control laws. He played a significant role in passing the Living Wage ordinance, which raised San Jose's living wage to what was then the highest in the nation while still creating an infrastructure for job growth. Most recently, Bob led an initiative to ensure part-time workers receive fair consideration for increased work hours.

As the Director of Policy and Research with Working Partnerships USA, Bob not only fought for the rights and agenda of the disenfranchised, but has become one of the most prominent voices in health care policy. He was the architect of Children's Health Initiative, making Santa Clara County the first in the country to provide health coverage to nearly every child. He has been the catalyst for profound reinvention in our community, bringing both tangible and institutional change—a rich legacy that will continue to impact lives for generations.

Mr. Speaker, I commend Mr. Bob Brownstein for his years of dedication and commitment to our community both as an advocate for progressive values and as an outstanding public servant. His relentless pursuit

to empower those in need will forever be remembered and appreciated by the many lives he has touched and will continue to influence.

40TH ANNIVERSARY OF THE RICHMOND COUNTY PIPES AND DRUMS

HON. DANIEL M. DONOVAN, JR.

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2016

Mr. DONOVAN. Mr. Speaker, I rise today to commemorate the 40th anniversary of the Richmond County Pipes and Drums.

Formed in 1975, the Richmond County Pipes and Drums have been actively involved in the Staten Island community. They have marched in parades, played at community events, and participated in fundraisers for local causes, bringing joy to anyone who gets the chance to listen. In fact, the first parade they marched in was in March 1976 for America's Bicentennial, for which they were appropriately dressed in red, white, and blue uniforms. Furthermore, they perform at almost every Celtic event throughout New York City. They have even participated in hundreds of events in Upstate New York, Long Island, New Jersey, and Pennsylvania over the years.

Most importantly, however, is the work that the Richmond County Pipes and Drums do for those who put their lives on the line to protect others. They are enthusiastic and patriotic supporters of our military and our veterans, for whom they have performed on numerous occasions. They have paid tribute to our nation's servicemen killed or missing in action, as well as local firefighters and policemen. They have demonstrated tremendous support for our first responders, proving just how dedicated to giving back they are.

Mr. Speaker, the Richmond County Pipes and Drums are dedicated servants in the Staten Island community. I thank them for their great work and congratulate them on their 40 years of performance.

THANKING STARBUCKS AND THEIR UPSTANDERS SERIES FOR RECOGNIZING THE BALDWIN PROMISE

HON. BILL HUIZENGA

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2016

Mr. HUIZENGA of Michigan. Mr. Speaker, I rise today to thank Starbucks and their Upstanders series for recognizing Baldwin Community Schools and the Baldwin Promise. It is wonderful to see an organization highlight a caring community like Baldwin, which united to raise funds that will help their children pay for college.

The Upstanders series all began with an idea from Starbucks' CEO Howard Schultz

and Executive Vice President Rajiv Chandrasekaran. It was created to showcase uplifting American stories and bring citizens across our nation together. Chandrasekaran stated the Upstanders mission well when he quipped, "Our goal is very simple: we want to connect with millions of Americans and inspire and engage them. That's it." If Starbucks is looking for an inspiring community, then they chose the perfect one in Michigan's second district with Baldwin.

Baldwin Community Schools was designated as a Michigan Promise Zone in 2009, meaning that every child in Baldwin has a tuition free path to a college education. Earning this designation took commitment and sacrifice from the entire Baldwin community. In order to be designated, the village of Baldwin had to privately fundraise over \$100,000. Baldwin looked within for donations, even though it is located in Lake County, where more than 24 percent of residents live below the poverty level. Nevertheless, the citizens of Baldwin banded together, giving whatever they could.

Baldwin exceeded their goal by 150 percent, raising more than \$160,000 to put a down payment on their children's future. Because of the community's sacrifice, Baldwin earned the Promise Zone designation. Now, any student who graduates from Baldwin High School is granted \$5,000 per year for four years to attend the college of their choice.

The people of Baldwin and their commitment to their community and one another truly exemplify what West Michigan is all about. I want to thank Starbucks for creating the Upstanders series and sharing Baldwin's story with the nation.

TRIBUTE TO CORPORAL LEE KARR OF THE CITY OF PUEBLO, COLORADO POLICE DEPARTMENT

HON. SCOTT R. TIPTON

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2016

Mr. TIPTON. Mr. Speaker, I rise today to honor Corporal Lee Karr of the City of Pueblo Colorado Police Department for his outstanding duty and assistance to the citizens of Pueblo. During his normal duties of the day, Corporal Lee Karr went above and beyond his call of duty to assist a victim of robbery.

On September 12, 2016, Corporal Karr, and a fellow officer, were called to assist a 51 year old woman who had been a victim of robbery at a bus stop in the City of Pueblo, Colorado. Karr and the other officer carried out their protocol, and then Officer Karr took his commitment of public service to another level.

After comforting the victim, Karr placed her in a cool, air-conditioned police car and began assisting her with sorting out issues associated with the items that were stolen. The victim needed a new State of Colorado ID, bank and Medicaid cards—all the items that were stolen from her purse. Corporal Karr paid for

these items out of his own pocket without any hesitation. Once the issue of her cards were resolved, Corporal Karr drove the victim to her destination and then, finally to her home.

Mr. Speaker, Corporal Karr went above and beyond the call of public service to assist a member of his community. I commend him on a job well done, and thank him for serving as an exemplary model of public service and safety. Each and every day law enforcement officers perform these selfless acts of kindness and generosity in their communities. I am proud to honor Corporal Karr and his commitment to the City of Pueblo and its people.

CONGRATULATING GERALDINE
JONES ON BECOMING PRESIDENT
OF CALIFORNIA UNIVERSITY OF
PENNSYLVANIA

HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2016

Mr. SHUSTER. Mr. Speaker, I rise today to congratulate Geraldine M. Jones, the seventh president of California University of Pennsylvania. This past April, the board of governors for Pennsylvania's State System of Higher Education concluded a year-long, nationwide search for the university's top position by unanimously selecting Mrs. Jones, who had been serving as the university's interim president.

President Jones is no stranger to the Vulcan community or to western Pennsylvania. She graduated in 1972 from then-named California State College with a bachelor of education degree, and later earned her master's degree in education at California in 1980. She was a school teacher to second-grade students in Uniontown, Pennsylvania, and later returned to her alma mater to serve as a program director for Upward Bound and chair the Department of Academic Development Services. She went on to serve as the associate dean of the College of Education and Human Services for two years before taking on the role of college dean from 2000–2008. In July of 2008, she was selected as provost and vice president for academic affairs, which she held until she was appointed as acting, and then interim, university president.

Somehow, she still finds time to pay it forward and be an active member of her community. She serves as a board member on local and regional community organizations, such as the Washington County Community Foundation and the Washington County Chamber of Commerce. She has been a lifelong member of Mt. Zion AME Church in Brownsville, PA.

California University will hold a formal installation ceremony for President Jones on October 14, 2016. President Jones has spent her whole life serving the educational community and the people of western Pennsylvania, and has been a living embodiment of the University's core values: integrity, civility, and responsibility. California University of Pennsylvania is fortunate to have her, and I am honored to be able to congratulate her on this momentous achievement.

IN TRIBUTE TO JOAN LIND VAN
BLOM

HON. ALAN S. LOWENTHAL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2016

Mr. LOWENTHAL. Mr. Speaker, in every sport, in every art, in every field of human endeavor, there are figures that impact history so deeply that the future is reshaped forever.

They are icons, pioneers, and trailblazers.

Joan Lind Van Blom belongs among this pantheon.

A graduate of Wilson High School and California State Long Beach, Joan is widely considered the greatest American female athlete to have ever competed in the sport of rowing.

Joan was a trailblazer, paving the way for women in the U.S. to compete on the international rowing stage.

During her rowing career, she was the top single sculler in America for nearly a decade and won 14 national titles.

In 1976, she won a silver medal in the XXI Summer Games in Montreal, Canada, becoming the first U.S. woman to win an Olympic medal in rowing. Four years later, again a member of the U.S. Olympic team, she was the favorite to win the gold in Moscow, but the U.S. delegation boycotted the Moscow Games. In the XXIII Summer Games in Los Angeles in 1984 she returned to the medal stand earning a silver medal.

The same year she married coach, former Olympian, and National Rowing Hall of Famer John Van Blom, and for the last three decades the pair have enjoyed the title of the First Couple of Rowing.

She went on to be inducted in the Wilson High, Cal State Long Beach, Century Club, and National Rowing halls of fame. Joan still holds 11 indoor rowing world records.

Joan also served the Long Beach Unified School District for over three decades, 25 years of that as a teacher and then another decade as the district's first physical education curriculum leader. She was instrumental in winning a million-dollar grant to put rowing machines in each of LBUSD's nine high schools.

In 2014 she was given the prestigious Ernestine Bayer Award for her deep contributions to the entire sport of rowing.

One year ago she passed away in her Long Beach home at the age of 62.

Her smile and joy of life served as a beacon, drawing people from her past back to her, and her husband John said the last two years while Joan battled brain cancer were filled with reconnections and reunions with people from throughout their life.

In addition to her husband John, Joan is also survived by son John Jr. and her sisters, Loretta Madsen and Carol Hansen.

IN HONOR OF E15 DAY

HON. ROD BLUM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2016

Mr. BLUM. Mr. Speaker, I rise today in celebration of E15 Day on September 16th, when gasoline retailers can once again sell E15 to

American consumers and to urge the Environmental Protection Agency (EPA) to remove regulatory barriers which prevent the sale of E-15 year round.

The EPA first created the 1-psi waiver of the Reid Vapor Pressure (RVP) to increase the availability of 10 percent ethanol blends. As a result, nearly every gallon of gasoline sold in the United States contains ethanol. However, the EPA has been unwilling to provide a similar waiver for E-15 gasoline blends. This means E15 cannot be sold during the summer months, causing many retailers to not carry the higher blend and restricting access to renewable fuels.

In response to these burdensome restrictions, I introduced H.R. 1944, the Fuel Choice and Deregulation Act. This legislation would extend the RVP waiver to include gasoline blended with more than 10 percent ethanol, allowing gas stations to sell E15 year round.

I urge the EPA to repeal these archaic and meaningless regulations and increase access to E-15 gasoline.

I applaud Governor Branstad for recognizing E15 Day in Iowa, and I hope Congress continues to work on enacting policy which increases consumer access and savings at the pump.

I am proud of the vital role Iowa has in developing and providing America with cleaner energy sources. Drivers across the country are fueling their cars with Iowa grown ethanol. By allowing access to E15 year round, we can give consumers greater choice while helping our environment.

HAPPY DOUBLE TEN DAY

HON. BLAKE FARENTHOLD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2016

Mr. FARENTHOLD. Mr. Speaker, Monday, October 10 is Taiwan's National Day—also known as Double Ten Day. On the eve of this special occasion, I would like to offer my early wishes to the people and government of Taiwan.

Taiwan is a very close trade partner and security ally of the U.S. in the Asia-Pacific region. Formosa Plastics Corporation, a Taiwanese company invested in the congressional district I represent and create lots of job opportunities to my constituency. It sets a good example of Taiwan-U.S. economic relationship.

Last June, Eva Air, one of the biggest Taiwanese airline companies launched the direct flight route between Dallas, Texas and Taipei, Taiwan. The direct flight further facilitates the passenger and cargo movement between the two nations.

I am glad to see closer trade ties between Taiwan and the U.S. and I realize that Taiwan should be included in the International Civil Aviation Organization (ICAO), which works to secure the civil aviation throughout the world. The ICAO's 39th Triennial Assembly will be soon taking place shortly in Montreal, beginning on September 27. We hope that Taiwan will be invited to attend the Assembly as three years ago.

Again, I wish the people of Taiwan a Happy Double Ten Day, and I look forward to working closely with Taiwanese people to further enhance our bilateral relations.
