

At the age of 53, Dr. Mishoe accepted the role as president of Delaware State College, where he oversaw the overall growth and development of the University. The school continued to expand under Dr. Mishoe's 27-year tenure, and he saw to it that greater emphasis be placed on the development and improvement of academic programs dedicated to the education of all people. Enrollment progressively increased from 386 students in 1960 to 2,327 in 1987.

Dr. Mishoe's phenomenal leadership generated an exemplary environment at DSU. Serving the second longest tenure, Dr. Mishoe was able to improve the physical infrastructure by completing the construction of Conwell Hall for men, Laws Hall for women, building of Business and Economics, and Evers Hall. Through his ability to create the first master's degree program in Education Curriculum and Instruction in 1981, and later, establishing six other graduate degree programs, Dr. Mishoe upheld the University's mission of integrating the highest standard of excellence.

Prior to entering academia, Dr. Mishoe served in the Air Force during World War II. During this time of racial conflict, Dr. Mishoe fought battles abroad and for civil rights at home. It was recently determined by the National Office of the Tuskegee Airmen that Dr. Mishoe is a documented Original Tuskegee Airman. He also served as a Special Consultant for the Ballistics Research Laboratory at the U.S. Army Ordnance Proving Ground in Maryland, prior to taking the helm at DSC.

Dr. Mishoe sadly passed away at the age of 72 on January 18, 1989, and is remembered as a dynamic community leader by his family, friends, students, and the many people whose lives he touched. I am very pleased to honor his life and legacy.

TRIBUTE TO JAGUAR TRACK CLUB

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 29, 2016

Mr. PAYNE. Mr. Speaker, I rise today to mark the 20th anniversary of the Jaguar Track Club, a competitive track program for youth ages 7–18 in South Orange, Maplewood, and surrounding communities in the 10th district of New Jersey. Founders Maurice and Daneen Cooper, Andrea Johnson, and Carl Lea held their first practice at Underhill Field in April 1996 and have been serving the public ever since.

The program's motto is "train your body to lead, train your body to follow." Not only are these young athletes exercising their bodies physically, but they are working their minds concurrently to become productive members of society. Each youth is trained to run sprint, middle, and long distances, as well as field events such as hurdles, shot put, discus, and long jump. However, the program also builds self-esteem, promotes physical fitness, teaches positive social skills, develops responsibility, and requires maintenance of academic excellence.

Over 2,000 athletes have gone through the Jaguar Track Club; many have continued their love for track in college and beyond. A number of the youth have achieved the distinction of All American, participated in Olympic trials,

and even represented the United States in the Olympics.

On December 28, 2016, the Jaguar Track Club will celebrate its 20th anniversary and the common bond shared of being a Jaguar. I am honored to recognize the athletes, parents, and coaches that have all participated throughout these past two decades. Congratulations once again to the Jaguar Track Club.

HONORING CARLO A. SCISSURA

HON. DANIEL M. DONOVAN, JR.

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 29, 2016

Mr. DONOVAN. Mr. Speaker, I rise today to recognize the tireless dedication of Brooklyn's Carlo A. Scissura for his service to the community.

For the last two decades, Carlo has devoted his life to public service. In 1999, Carlo was elected to Community School Board 20 where he served for five years. During his time on the board, Carlo worked closely with parents and teachers to fight for drug and alcohol abuse prevention programs. He was then appointed to the Community Education Council for district 20 where he served as President and Chairman of the Legislative Committee. Carlo was fundamental in having the School Construction Authority approve the largest capital construction plan for District 20. He has also served on the staffs of a local State Senator, Assemblyman, and Borough President.

Since 2012, Carlo has served as President and CEO of the Brooklyn Chamber of Commerce. Under Carlo's leadership, the Chamber has advocated fiercely for businesses and economic development in Brooklyn. In the last four years, the Chamber has launched multiple initiatives such as Explore Brooklyn, Brooklyn-Made, and Chamber on the Go. These programs have proven successful and beneficial to all businesses that call Kings County their home. The Chamber will be sad to see Carlo leave as his life takes a new turn down the path of success.

Mr. Speaker, Carlo Scissura's dedication to charity and improving his community is the essence of the model New Yorker. I thank him, and the Chamber thanks him for his service, dedication, and all of his great work. I am proud to honor this great American from New York's 11th District.

WITH THANKS FOR THE LIFE OF JUDGE DAVID A. KATZ

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 29, 2016

Ms. KAPTUR. Mr. Speaker, I rise today in this season of thanksgiving when we are especially grateful for family and friends to pay tribute to one such friend, The Honorable David A. Katz. Judge Katz passed from this life during the summer on July 26, 2016.

A justice with the United States District Court, Northern District of Ohio, Judge Katz was appointed by President Bill Clinton in 1994 and had served on senior status since 2005. His tenure was marked by strong juris-

prudence and included his tireless perseverance of a new federal courthouse in Toledo. A highly regarded and well respected jurist, the flags flew at half staff the day after his death to honor his public service. In issuing the order, chief judge for the Northern District of Ohio Solomon Oliver, Jr. summed up Judge Katz' service most succinctly when he stated, "Judge Katz' contribution to our court has been immeasurable. He came to the court with a keen sense of fairness and a very large dose of common sense. He could always be counted on. He was highly respected by the lawyers in the community. Though he had many strengths, one of his greatest was his ability to resolve complex cases involving multiple parties. As Chief Judge, I often sought and received his wise counsel. Every judge on our court highly valued David's friendship. We will all miss him greatly."

David Katz was born in Toledo to parents Ruth and Samuel Katz and raised in Findlay, Ohio. He married Joan Siegel in 1955. He graduated from Ohio State University's College of Law in 1957. He began private practice with the Toledo firm of Spengler Nathanson where he ably practiced until his judicial appointment. Strong in his faith and proud of his Jewish heritage, Judge Katz gave of his time and talents to the Toledo Jewish Community Foundation, where the David A. Katz Philanthropic Fund was established.

Even with all of the public accolades, Judge Katz' proudest and most important achievement was his family. A family man to his core, he cherished his wife, their children, grandchildren and great-granddaughter above all else. Though a public man and elder statesman whose imprimatur is writ large through the decisions he rendered and his contributions to our community, his true legacy is given to his family. As his family and friends remember Judge David A. Katz in thanksgiving for his life, we recall the words in the poem by Sylvan Kamens & Rabbi Jack Riemer, entitled *We Remember Them*.

At the rising sun and at its going down; We remember them.

At the blowing of the wind and in the chill of winter; We remember them.

At the opening of the buds and in the rebirth of spring; We remember them.

At the blueness of the skies and in the warmth of summer; We remember them.

At the rustling of the leaves and in the beauty of the autumn; We remember them.

At the beginning of the year and when it ends; We remember them.

As long as we live, they too will live, for they are now a part of us as We remember them.

When we are weary and in need of strength; We remember them.

When we are lost and sick at heart; We remember them.

When we have decisions that are difficult to make; We remember them.

When we have joy we crave to share; We remember them.

When we have achievements that are based on theirs; We remember them.

For as long as we live, they too will live, for they are now a part of us as, We remember them.

CONGRATULATING PETER GILEA ON RECEIVING THE BRONZE MEDALLION AND KNIGHTED INTO THE U.S. ARMY CAVALRY AND ARMOR ASSOCIATION'S ORDER OF ST. GEORGE

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 29, 2016

Mr. ROSKAM. Mr. Speaker, I rise today to honor a World War II veteran from the Sixth Congressional District of Illinois, Peter Gilea. Peter was recently named a knight of the U.S. Army Cavalry and Armor Association's Order of St. George and presented with the Bronze Medallion. The honor is awarded to Armor and Cavalrymen who perform outstanding service to the U.S. Army Armored Force.

Peter Gilea was drafted and went into the army January 25, 1943. He went through his training with the 735th Independent Tank Battalion, which he also helped establish and on February 12, 1944 his unit left the United States and arrived in Scotland on February 24, 1944. While serving as a commander on a Sherman tank with the 735th Tank Battalion in Europe, he received five campaign battle stars, which include fighting in Normandy, the pursuit through France and action in Luxembourg during the important allied victory of the Battle of the Bulge. Peter also received the Bronze Star Medal for bravery, two Purple Hearts, European-African-Middle Eastern Campaign Medal, Good Conduct Medal, American Defense Medal, World War II Victory Medal and the French Legion of Honor Medal.

His courage and commitment to defending the freedoms we cherish will forever be a credit to his patriotism and sacrifice. His bravery during campaigns through Normandy, Northern France, Rhineland, Ardennes-Alsace, and Central Europe was pivotal in the destruction of the oppressive and evil Nazi regime. It is because of men like Peter Gilea that we enjoy the rights and liberties we value so deeply.

Mr. Speaker, please join me in congratulating Peter Gilea for receiving the Bronze Medallion and receiving a knighthood into the Order of St. George. Once again, congratulations, and I wish Peter all the best in the years to come.

RECOGNIZING DAVID WILDY, WINNER OF THE 2016 SWISHER SWEETS/SUNBELT EXPO SOUTHEASTERN FARMER OF THE YEAR AWARD

HON. AUSTIN SCOTT

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 29, 2016

Mr. AUSTIN SCOTT of Georgia. Mr. Speaker, Representative CRAWFORD and I would like to recognize Mr. David Wildy of Manila, Arkansas for being selected as the 2016 Swisher Sweets/Sunbelt Expo Southeastern Farmer of the Year. Receiving the award over nine other state finalists, Mr. Wildy was honored at the

Willie B. Withers Luncheon on October 18, 2016, the opening day of the Sunbelt Ag Expo in Moultrie, Georgia.

Upon graduating from the University of Arkansas in 1975, Mr. Wildy became the fifth-generation Wildy to take over the family's century old farm, where he oversees the farm's cotton, corn, soybean, wheat, peanut and potato production. Throughout his career, Mr. Wildy has found success not only in developing his family farm but also in strengthening agriculture in his home state of Arkansas. In farming communities across the Southeast, Mr. Wildy is known as a generous man who shares his farm's resources with agricultural scientists and researchers from private industries, public universities, and the U.S. Department of Agriculture.

Mr. Wildy has also achieved distinction as a hard-working public servant and philanthropist in his community. He has served as President of the Mississippi County Farm Bureau, member of the USDA-Farm Service Agency in Mississippi County, member of the University of Arkansas Agriculture Development Council, member of the Arkansas Northeastern College Foundation Board of Governors, board member of the St. Francis Levee District of Arkansas, and board member of the Arkansas Certified Crop Advisor. Mr. Wildy has also championed education in his community, providing scholarships to local high school graduates and giving books to elementary school students.

Through his actions, service, and devotion to his farm and his community, Mr. Wildy has demonstrated profound leadership and dedication to the agriculture industry. On behalf of the House Agriculture Committee, we would like to thank David Wildy for his service and congratulate him on the honor of being the 2016 Swisher Sweets/Sunbelt Expo Southeastern Farmer of the Year.

IN RECOGNITION OF CAMDEN, ARKANSAS'S AEROJET ROCKETDYNE EMPLOYEES

HON. BRUCE WESTERMAN

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 29, 2016

Mr. WESTERMAN. Mr. Speaker, I rise today to recognize the 675 employees at Aerojet Rocketdyne's Camden, Arkansas, production facility and their upcoming achievement of the milestone shipment of the 2,700th PAC-3 Cost Reduction Initiative Rocket Motor, 500,000th PAC-3 Attitude Control Motor, and completion of the first full rate production contract of the PAC-3 Missile Segment Enhancement Rocket Motor, to Lockheed Martin and the United States Army.

Aerojet Rocketdyne is a world-recognized aerospace and defense leader principally serving the missile, space propulsion, and armaments markets. This most significant milestone will be commemorated with a celebration ceremony held in Camden, Arkansas, on Thursday, December 8, 2016.

The PAC-3 missile, powered by Aerojet Rocketdyne propulsion, is a high velocity interceptor that defeats incoming targets by direct,

body-to-body impact. The "hit-to-kill" PAC-3 missile is the world's most advanced, capable, and powerful terminal air defense missile, and when deployed in a Patriot battery, significantly increases the Patriot system's firepower. It is capable of defeating the entire threat of tactical ballistic missiles, cruise missiles, and aircraft. One hundred percent effective in Operation Iraqi Freedom, the PAC-3 missile is a quantum leap ahead of any other air defense missile when it comes to the ability to protect the Warfighter.

Aerojet Rocketdyne has manufactured the PAC-3 Solid Rocket Motors and Attitude Control Motors since 1998 at its Camden facility. Production of the Missile Segment Enhancement Rocket Motor began in 2014. The PAC-3 rocket motors are a noteworthy element of Aerojet Rocketdyne's industry-leading tactical propulsion portfolio produced in Camden, generating significant employment opportunities for the area.

On the occasion of this milestone, I am proud to recognize the dedicated, hardworking employees of Aerojet Rocketdyne in Camden and their achievements so far. These Arkansans are working hard to ensure our men and women in uniform have the resources they need to carry out their missions effectively and quickly, and they deserve our sincere appreciation.

MAMMOTH LAKES TRAIL AND PUBLIC ACCESS TENTH ANNIVERSARY

HON. PAUL COOK

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 29, 2016

Mr. COOK. Mr. Speaker, I rise today to recognize the tenth anniversary of the Mammoth Lakes Trail and Public Access (MLTPA), a non-profit organization which has devoted their efforts to the planning and creation of a four-season trail system in Mammoth Lakes and the immediate Eastern Sierra. MLTPA is an effective, independent leader in recreational wilderness regions of California, preserving America's natural beauty and encouraging a prosperous local economy. In 2005, the MLTPA began planning and raising over twenty million dollars which it invested to connect people with nature. Public access was improved so more people could come and enjoy the area's great outdoors and through collaborative partnerships and recreation opportunities, community participation increased. MLTPA has made a significant difference in connecting the community to the local government and businesses in order to bring people to the region by providing a safe and sustainable trail network. Mammoth Lakes Trail and Public Access has increased awareness about the future of the community and its relationship to the surrounding public lands. MLTPA has led a collaborative effort with the local government, federal agencies, and other nonprofits. Its upcoming projects include the acceleration of various transportation projects which aim to link the Town's bicycle, pedestrian, transit, and parking alternatives. I congratulate them on their ten years of success and look forward to all their success in the years to come.
