

Administration in the 2012 Food and Drug Administration Safety and Innovation Act. This legislation enhanced the FDA's ability to develop and implement accelerated approval programs to provide therapies to patients with rare, debilitating, and one-hundred percent fatal diseases.

Duchenne muscular dystrophy is a genetic disorder resulting in progressive muscle degeneration. This rare condition, which typically affects boys, is characterized by lung and heart complications that cause certain premature death.

Despite compelling evidence of its efficacy, the FDA recently refused to consider a New Drug Application for a therapy developed to treat a commonly diagnosed form of Duchenne.

As there are no alternative treatments for this particular form of Duchenne eligible for purchase or approval, Duchenne patients are left unable to mitigate the effects of the deadly disease.

I urge the FDA to grant a full and fair review to New Drug Applications for Duchenne therapies in accordance with the Food and Drug Administration Safety and Innovation Act. The timely delivery of treatments is of the utmost importance to the Duchenne community.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 6, 2016

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a thriving town in the Mississippi Delta, the Town of Crenshaw.

Over the course of 20 years, men and women of the Armed Forces, law enforcement, Fire and Emergency Medical Services have been recognized for their service to our communities and country.

Mayor Oscar Barlow and First Lady Heather Barlow have put in tireless hours to get the word out about paying tribute to these very special men and women. They have gone above and beyond their call to make each program special for these men and women.

In addition, they not only get the administration involved in paying tribute, but also area churches, federal, state and county leaders all come together in unity to show support to those who put their lives on the line daily for our communities and country.

Our men and women of Armed Forces, law enforcement, Fire and EMS come out to re-

The Town of Crenshaw and our country also owe a thank you to the Mayor and First Lady for putting together such a wonderful tribute program for 20 years and for the vision they have in making these programs. We owe these men and women a simple, yet huge "THANK YOU!"

Mr. Speaker, I ask my colleagues to join me in recognizing the Town of Crenshaw, Mississippi for paying tribute to all Servicemen who serve and protect our communities and this great country.
