RECOGNIZING THE AWARD RECIPIENTS OF THE CENTREVILLE IMMIGRATION FORUM ANNUAL DINNER

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 7, 2016

Mr. CONNOLLY. Mr. Speaker, I rise to recognize the Centreville Immigration Forum on the occasion of its 2nd Annual Dinner. The theme of this year's gala is "Our Global Community" and will celebrate the rich diversity of cultures in Northern Virginia.

Northern Virginia is blessed by its diversity. In Fairfax County, nearly 1 in 4 residents were born in another country, more than 100 languages are spoken in our schools, and we are home to more minority-owned technology firms than anywhere else in the nation. Our different cultures and heritages do not divide us; they make us stronger.

Three exceptional individuals will be honored during this gala who have gone above and beyond in ensuring that everyone, regardless of their country of origin, has full access to the benefits and opportunities this community and our nation provide. I am pleased to include the names of the following 2016 Annual Dinner honorees.

Walter Tejada, Former Chairman of the Arlington County Board of Supervisors. Mr. Tejada is well known for his extensive knowledge and experience on the issues of cultural outreach and public service. He has served in numerous leadership roles including as Chairman of the Arlington County Board of Supervisors and with the National Council of La Raza. Prior to his election to the Board, Mr. Tejada served in various positions with the League of United Latin American Citizens, Virginia Coalition of Latino Organizations, the American Salvadoran Association of Virginia and the Virginia Latino Leaders Council, where he currently serves as President. He has received several awards for his work, including the Phyllis Campbell Newsome Award from the Center for Non-Profit Advancement

and the Legacy Award from the Greater Washington Hispanic Chamber of Commerce.

Grace Community Clinic. Grace Community Clinic was opened in October 2013 by Dr. Tong S. Park and other leaders from the Korean Central Presbyterian Church, which I am proud to represent. The clinic provides free medical services to 40–50 people each month. More than 40 volunteers support the Clinic, including five doctors as well as nurses, receptionists, and translators. In addition to primary care consultations, the Clinic offers limited referrals for free dental care to a nearby dentist, and free radiology and lab work through donations from INOVA and Fairfax Radiology. The clinic also makes referrals to specialists who provide low-cost care on an as needed basis.

Ibrahim Choudhary, Ahmadiyya Muslim Youth of Northern Virginia. The motto of the Ahmadiyya Muslim Community, “love for all, hatred for none”, is a vision that it seeks to fulfill through peaceful dialogue and public service. Mr. Choudhary and the members of his youth group have focused their efforts on correcting misunderstandings and misconceptions about Muslim youth by serving their local communities through various projects, from food drives for the poor to handing out flyers with messages of peace. Local Ahmadiyya Muslim youths have also volunteered regularly with the Capital Area Food Bank to help hand out food to those in need in the DC Metro area.

Mr. Speaker, the efforts of these individuals are noteworthy not only because they are rooted in an appreciation for our region’s cultural and ethnic diversity, but also because they help to strengthen the bonds of friendship and cooperation in our community. I congratulate them on their awards and ask my colleagues to join me in commending them for their service to the Northern Virginia region.

CELEBRATING DAVID FLORES

HON. JOHN R. CARTER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 7, 2016

Mr. CARTER of Texas. Mr. Speaker, I rise today to celebrate the life and work of David Flores of Georgetown, Texas. After nearly four decades of impeccable work as County Auditor, David is beginning his richly-deserved retirement.

County Auditors play a vital role in maintaining the fiscal integrity in county government and few have taken on this important responsibility with greater professionalism than David. He knows that second-rate work isn’t acceptable. The people of Texas deserve that level of excellence when it comes to managing their precious tax dollars. David doesn’t let them down.

David’s positive impacts on the counties he’s served cannot be overstated. Under his leadership, Williamson County’s bond rating went from “low investment grade” to AAA, the highest rating available. He’s established thoughtful standards for county purchases and has provided superb oversight for \$1 billion in capital projects. Central Texas is better because of his leadership and hard work.

David’s commitment to excellence doesn’t stop when the work day ends. He has been a trustee for the Texas County and District Retirement System and is a past president for the Texas Association of County Auditors. David shouldered the demanding responsibilities as the Chairman of the Investment Committee for the Texas Association of Counties from 2008 to 2012. Over the years, he’s deservedly received numerous awards and commendations as well as the admiration of his peers and colleagues.

Retirement is to be celebrated and enjoyed. It is not the end of a career, but rather the beginning of a new adventure. I heartily salute David Flores’ work and contributions to his community. I’m sure I echo the thoughts of all when I wish him the best in both his retirement and all his future endeavors.

280TH ANNIVERSARY OF THE
UNION FIRE COMPANY

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 7, 2016

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise today to recognize the 280th anniversary of the Union Fire Company. Founded by Benjamin Franklin in 1736, the Union Fire Company was Philadelphia’s first volunteer fire company.

Dr. Franklin established the Union Fire Company as the very first fire suppression unit which universally responded when summoned. This overcame the issues surrounding prior firefighting clubs that existed in Boston, which also paid for fire wards or watchmen as early as 1711. The difference between Franklin’s Union Fire Company and the other clubs in Boston and New York was that Franklin saw the advantage of protecting all the homes and businesses of the community, not just those who had joined the club. Franklin formed the Union Fire company from roughly 30 volunteers from what is today the Old City section of Philadelphia. Their equipment included leather buckets, with strong bags and baskets (for packing and transporting goods), which were to be brought to every fire. All homeowners were required to have these leather fire-fighting buckets in their houses. Recognizing the efficacy of Dr. Franklin’s model, similar volunteer fire companies began to spring up throughout Philadelphia.

In the late 1860’s, Philadelphia city officials spoke of transforming Franklin’s volunteer service into a professional fire department to meet the demands of the ever-growing city. Finally, on December 29, 1870, Philadelphia city council enacted an ordinance to professionalize the fire service into a singular department. The Philadelphia Fire Department, administered by seven Commissioners chosen by the City Council, officially entered into service on March 15, 1871.

Mr. Speaker, I ask this Congress to pause and reflect on the unquestionable courage of all firefighters throughout America, be they volunteer or professional. As we are indebted to the many thousands of America’s firefighters who died in the line of duty, I ask that the list of the 289 Philadelphia firefighters who have given their lives in the line of duty be recorded with the year, rank, and company to which they served:
