TRIBUTE TO SUGAR GROVE  
SUNSHINE 4-H CLUB

**HON. DAVID YOUNG**

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 8, 2016*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate the Sugar Grove Sunshine 4-H Club on celebrating its 100th anniversary on September 24, 2016.

Heart, Head, Hands and Health are the tenants of 4-H, and 4-H is one of the hallmark organizations that so many young Iowans have passed through during their formative years. Ever since the Sugar Grove Sunshine 4-H Club was founded during World War I, it has benefited the youth of central Iowa in countless ways. Originally called the 4-H Sewing Club, the Sugar Grove Sunshine 4-H Club has guided Dallas County area youth through innumerable fair projects, animal shows, and 4-H meetings, where they were able to build upon their own interests, create with their hands, learn about animal care, develop important social skills, master public speaking, and be involved in their communities. The skills developed and honed in 4-H stay with students throughout their lifetime, and the result is that our communities are filled with leaders who strive to do what's best for all.

Mr. Speaker, I am proud to represent the Sugar Grove Sunshine 4-H Club and its members in the United States Congress. It is with great pride that I recognize them today. I ask that my colleagues in the United States House of Representatives join me in congratulating them all on this momentous anniversary and in wishing them nothing but continued success.

RECOGNIZING DR. LOUIS J.  
AGNESE, JR.

**HON. HENRY CUELLAR**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, December 8, 2016*

Mr. CUELLAR. Mr. Speaker, I rise today to recognize the career of Dr. Louis J. Agnese, Jr. who served as president of the University of the Incarnate Word (UIW) in San Antonio, Texas for thirty-one years.

Dr. Louis J. Agnese grew up in Brooklyn, New York, as the youngest of five children. He received his Bachelor of Arts in History and Psychology from St. Mary of the Plains College; his Master of Education in Counseling and an Education Specialist Degree in Supervision of Counseling Services from Gannon University; and a Ph.D. in Counselor Education from The University of Pittsburgh. He went on to work at Briar Cliff University before interviewing for the presidency of Incarnate Word in 1985.

UIW eventually hired Dr. Agnese to become the university's eighth president. Dr. Agnese was only 33 at the time, making him one of the youngest college presidents in the nation. Immediately upon being hired, he sought ways to help improve the university. He spent much of his time researching the university's history, meeting with staff and faculty, as well as looking for innovative ways to help improve student enrollment, which had been declining for several years.

During Dr. Agnese's presidency, student global enrollment rose from 1,296 students in 1985 to 11,422 in 2016. This growth turned UIW from the 19th largest private university in Texas to the 3rd largest private university in the state. The number of living alumni has increased from 8,000 in 1985 to nearly 40,000 today.

Not only did the student enrollment grow, but the number of academic programs dou-

bled. The university created its first Ph.D. program and added professional doctoral programs in pharmacy, optometry, physical therapy, nursing practice, business administration, and beginning in 2017, osteopathic medicine. The university's endowment also increased from \$3 million in 1985 to \$130 million today, while the school's budget grew from \$2 million to \$217 million.

UIW has received numerous recognitions throughout Dr. Agnese's tenure. The university has been noted for eight consecutive years as one of the Great Colleges to Work For in the U.S. by the Chronicle of Higher Education, chosen as one of the Top Workplaces in San Antonio by The San Antonio Express-News, included in The Chronicle's national Top 10 Honor Roll category for medium-sized universities for the seventh straight year, and today, with more than 1,100 employees, UIW has an estimated \$100 million impact on the San Antonio economy. UIW is also currently ranked No. 1 nationally among private, not-for-profit universities in conferring the most bachelor's degrees to Hispanics, a group that continues to be underrepresented nationally in higher education.

Dr. Agnese's long and successful career has brought with it numerous awards. His many honors include: the Humanitarian Award from the National Conference of Christians and Jews, the Outstanding leader in Catholic education by the Archdiocese of San Antonio, the Ford Salute to Education Lifetime Achievement Award for his contributions to higher education, the Sister Cecilia Bush Award from the Dear Neighbor Ministries for his commitment to Minority Education, and multiple honorary doctorates along with several distinguished alumni awards.

Mr. Speaker, I am honored to have the opportunity to remember the legacy of UIW's eighth president, Dr. Louis J. Agnese, Jr.
