

EXTENSIONS OF REMARKS

RECOGNIZING THE 50TH ANNIVERSARY OF THE AMERICAN ASSOCIATION OF UNIVERSITY WOMEN OF THOUSAND OAKS

HON. JULIA BROWNLEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 13, 2016

Ms. BROWNLEY of California. Mr. Speaker, today I rise to recognize the Thousand Oaks Chapter of the American Association of University Women (AAUW). Organized in 1966, AAUW Thousand Oaks was specifically designed to encourage and support educational opportunities for women and girls through advocacy, education, philanthropy, and research.

A leading voice for promoting equity and education for women and girls in our community, AAUW Thousand Oaks and its members have examined and taken positions on the fundamental educational, social, economic, and political issues that directly pertain to women and girls. As part of a national movement, AAUW Thousand Oaks is part of a nationwide network of more than 170,000 members and donors, 1,000 branches, and 800 college and university institutional partners and has awarded millions of dollars in fellowships and grants to support women in their professional and academic careers. Additionally, AAUW Thousand Oaks boasts being one of the fastest growing divisions of the national organization.

Locally, in an effort to promote science, technology, engineering, and mathematics (STEM) education, AAUW Thousand Oaks biannually hosts the Brighter Horizons Math, Science and Technology Conference for students in fifth through ninth grades. Led by women in technology-related vocations, the conference is infused with technology information workshops that relate to currently important technological career options in an effort to promote young women going into the field of science.

Every summer, AAUW Thousand Oaks' Tech Trek Committee works towards sending ten female students that have matriculated from the seventh grade in the Thousand Oaks area to a one-week STEM education camp at the University of California, Santa Barbara. AAUW Thousand Oaks also demonstrates its dedication to youth in our community through their Youth Cultural Summer Camp, Children's Theater, and local scholarships programs that help high school and community college students afford educational programs.

In recognition of its progressive efforts towards women in our community, AAUW Thousand Oaks has also been recognized for its "Outstanding Mission Based Programs" at the state level of the organization by AAUW of California.

On the occasion of its 50th anniversary, I would like to congratulate the American Association of University Women of Thousand Oaks for its outstanding leadership and steadfast commitment to advancing equity for women and girls in the Conejo Valley.

IN RECOGNITION OF SKYLER POWELL'S PROMOTION TO CHIEF PETTY OFFICER

HON. BARBARA COMSTOCK

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 13, 2016

Mrs. COMSTOCK. Mr. Speaker, I rise to acknowledge Skyler Powell on becoming the first cadet in the history of Purcellville, Virginia's VIKING Sea Cadet Division to achieve the rank of Chief Petty Officer. This is a tremendous honor considering that historically only 1 percent of the U.S. Naval Sea Cadet Corps' 10,000 cadets receive this appointment, and of that 1 percent only 20 percent have been female. I am proud to represent this young woman, who is a shining example of the Commonwealth of Virginia's hardworking and service-minded citizens.

The United States Naval Sea Cadet Corps, which was founded over 50 years ago, is a federally chartered non-profit civilian organization that serves to teach individuals about naval operations, community service, citizenship, and helps foster discipline and teamwork in our nation's youth.

In addition to the courses, training and exams, Powell developed and demonstrated dedication, leadership, self-reliance, commitment and courage as she rose through the cadet ranks. During summer break, she attended a two-week recruit training, a shortened version of the Navy's boot camp. She has also attended multiple advanced trainings on topics including marksmanship, cyber security and advanced music training in locations from San Francisco and Las Vegas, to Fort Custer and Fort Lee. She also served as a staff cadet at recruit training in Aberdeen, Maryland and Navy League orientation training in Norfolk, Virginia.

Chief Powell has earned the Veterans of Foreign Wars' Naval Sea Cadet Medal and the Sons of the American Revolution Good Citizenship Award in addition to maintaining a 4.1 GPA while taking honors and AP classes. During her Sea Cadet career she has logged over 250 volunteer community service hours. She is likewise an active member of the Loudoun Valley High School Marching Band and currently leads the VIKING Division CyberPatriot team—a nationwide cyber security competition sponsored by the U.S. Air Force.

Mr. Speaker, I would ask my colleagues to congratulate Skyler Powell for her promotion to Chief Petty Officer in Purcellville's VIKING Sea Cadet Division, and to join me in wishing her a happiness and fortune in her future endeavors.

IN REMEMBRANCE OF JOHN H. GLENN, JR. U.S. SENATOR, DECORATED WAR VETERAN, PATH-BREAKING ASTRONAUT, AND TRUE AMERICAN HERO

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 13, 2016

Ms. JACKSON LEE. Mr. Speaker, I rise to pay tribute to John Glenn, who died December 8, 2016 at the age of 95, in Columbus, Ohio. John Glenn represented the best of America.

Perhaps more than any other American of his generation, he personified the American spirit of daring, achievement, bravery, innovation, and humility.

As a four-term United States Senator from Ohio, John Glenn was one of the most passionate advocates for justice and opportunity for all persons.

Most important of all, for more than 75 years, John Glenn served his country honorably in his home State of Ohio, in the United States Senate, in uniform during World War II and the Korean Conflict, and in outer space as one of the original class of astronauts that made space exploration synonymous with American leadership.

John Glenn did indeed possess the 'right stuff,' as the writer Tom Wolfe documented in his 1979 best-selling book about the first Project Mercury astronauts selected for the NASA space program.

John Glenn was a hero and inspiration to millions of boys and girls who held their breath as he rocketed into outer space, orbited the earth, and safely descended from the heavens to return home to his beloved wife Annie and an adoring public.

Godspeed, John Glenn.
