

tireless efforts to provide accessible eye care and eye health education to her community and the general public.

HONORING NANCY VORHEES

HON. CATHY McMORRIS RODGERS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 20, 2016

Mrs. McMORRIS RODGERS. Mr. Speaker, I rise to honor a good friend and community advocate, Nancy Vorhees, on her retirement as Chief Administrative Office (CAO) of Inland Northwest Health Services (INHS).

Nancy first started with Inland nearly two decades ago as Chief Operating Officer of Northwest Health Partners (NHP), which includes Northwest MedStar, Northwest Telehealth, Community Wellness, Health Training, INHS Foundation, and Children's Miracle Network Hospital. All of the divisions under Nancy's direction worked diligently to integrate the delivery of health care services throughout the Inland Northwest. Her work also focused on regional economic development, removal of barriers to health care, quality care, and customer satisfaction.

As a champion of rural medicine, Nancy provided leadership that connected our rural, and often times most vulnerable patients, to health care resources in urban settings. Nancy served on many regional and national boards including the American Telehealth Association, Northwest Regional Telehealth Resource Center, Mid-Valley Hospital, and Greater Spokane Incorporated's Health Industry Development Group. Nancy became Inland's CAO and a member of the Providence Health Care Senior Leadership Team in 2015.

In addition to her role at Inland, Nancy has served as interim Executive Director of the Spokane Teaching Health Clinic, a collaboration with Empire Health Foundation, Providence Health Care, and Washington State University. The goal of this partnership is to improve regional access to health care by increasing the number of medical residencies in the area. I am pleased that she will continue in this role after her retirement from Inland.

Mr. Speaker, Nancy is a tremendous asset to the Spokane community, Eastern Washington, and Inland Northwest. Her years of dedication and work have touched the lives of countless people in many positive ways. I look forward to her continued friendship and leadership to expand access to health care through her role at the Spokane Teaching Health Clinic.

IN RECOGNITION OF THE
MITTERSILL PROJECT RIBBON
CUTTING CEREMONY

HON. ANN M. KUSTER

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 20, 2016

Ms. KUSTER. Mr. Speaker, I rise today to congratulate the Cannon Mountain Ski Area for the completion of the Mittersill Improvement Project.

The ribbon-cutting ceremony marks the conclusion of a four-year project that has com-

pletely upgraded an integral part of New Hampshire's vibrant snow-sports economy into a world-class resort for both recreation and professional training. Included in the upgrades was a widening of the Taft trail, which is now the widest ski trail in New Hampshire, and facilities upgrades that culminated in Mittersill being named a US Ski Team training venue. The project also increased snowmaking capacity, improved public access, and made the resort a safer place to ski.

The project has been made possible by a collaboration of partners including, Cannon Mountain, the Holderness School, the Franconia Ski Club, and the U.S. Ski and Snowboard Association, in addition to generous contributions by many members of the ski and snowboard community.

As co-chairwoman of the Congressional Ski and Snowboard Caucus, I am an advocate on behalf of the winter recreation industry, including the many professionals whose hard work develops and supports the beautiful resorts we have in New Hampshire. I look forward to continuing to work with my colleagues on both sides of the aisle to support, develop, and protect this industry.

I am pleased to congratulate all who worked on this project for their valuable contribution to the Granite State.

IN RECOGNITION OF GINA
ARGENTO

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 20, 2016

Mrs. CAROLYN B. MALONEY of New York. Mr. Speaker, I rise in recognition of Gina Argento, who was honored for her achievements as part of Women's History Month. Ms. Argento is President of Broadway Stages, one of New York's largest film, television, and music production facilities which is located in Greenpoint, Brooklyn.

Ms. Argento and her brother, Tony, opened Broadway Stages in 1983, turning a rundown movie theatre into a sound stage. Over the past 32 years, Broadway Stages has expanded both its physical size and capabilities. Broadway Stages now has over half a million square feet of space with 38 state-of-the-art stages and support facilities. Offering full service film, television, photography and music production facilities, Broadway Stages has served an extensive list of hit movies and television shows including "The Good Wife," "Blue Bloods," "Mr. Robot," "Madam Secretary," "Unbreakable Kimmy Schmidt," "Limitless," "Broad City," "Unforgettable," and "Master of None," in addition to commercials, print and music videos. Broadway Stages has facilities in Brooklyn and Queens and is currently in the process of building a 69 acre facility in Staten Island.

Under Ms. Argento's leadership, Broadway Stages has exhibited an unparalleled commitment towards the local community in Greenpoint, Brooklyn. In addition to creating hundreds of local jobs, Broadway Stages helps neighboring residents, small businesses, and community-based organizations. Broadway Stages has donated food, equipment, and additional resources to local soup kitchens, partnered with the McGolrick Park Neighbor-

hood Alliance to clean up the beloved park located in the center of Greenpoint and hosted family-friendly neighborhood block parties during the summer. Most recently, Broadway Stages joined the television show "Blue Bloods" and CBS to give \$25,000 to the families of NYPD officers Rafael Ramos and Wenjian Liu who were brutally murdered in Brooklyn.

Ms. Argento is also committed to supporting young people. Broadway Stages provided new audio equipment to St. Stanislaus Kostka Catholic Academy, sponsored a 5 Boro Basketball team for teens, created a "Green Science Week" at PS110, and partnered with community organizations to hold a local "Schoolfest" fair for students and their families. Broadway Stages also funded the SYSTEM Teen Summer Program, which provides high school students the opportunity to participate in hands-on activities focused on green technology, engineering, gardening, and community service.

Broadway Stages is an incredible community partner that is committed to building a strong and environmentally sustainable future. Under Ms. Argento's leadership, Broadway Stages has become a model of the way private industry can champion energy sustainability and environmentally-sound community development. By installing 50,000 square feet of solar photovoltaic systems on the roofs of 7 of its sound stages, Broadway Stages created the world's first solar powered sound stage and the largest private solar power installation in New York State. The solar roofs have offset 30 percent of Broadway Stage's annual electricity consumption. Broadway Stages also created an organic vegetable farm called "Eagle Street Rooftop," located on top of a warehouse in Greenpoint. The 6,000 square foot rooftop farm features a variety of educational and volunteer programs and a farmer's market during the growing season. Broadway Stages is also involved in cleaning up a Brownfield site at 359 Kingsland Avenue.

Ms. Argento has worked with YMCA Greenpoint, Boy Scouts of America, Kings County Democratic Club, Greenpoint Chamber of Commerce, Solar One, and EWVIDCO, an advocacy organization for industrial businesses in Greenpoint. Ms. Argento is a loving mother to her three sons, John, Anthony, and Paul. She and her husband, John Ciafone, make an incredible team.

Mr. Speaker, I ask my colleagues to join me in recognizing the remarkable work of Gina Argento, a successful businesswoman, environmentalist, and fantastic neighbor.

ST. XAVIER GOLF TEAM

HON. BRAD R. WENSTRUP

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 20, 2016

Mr. WENSTRUP. Mr. Speaker, I rise today to congratulate the Cincinnati St. Xavier High School golf team on their state championship win this fall 2016 season.

With skill and precision, the Bombers' golf team won its second consecutive state championship, totaling 5 wins in team history.

While mostly considered an individual sport, the golf team exemplified St. X teamwork and brotherhood to win a high pressure, one-round
