SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for further consideration of H.R. 5293, the Department of Defense Appropriations Act, 2017, under a structured rule. The resolution provides that no further general debate shall be in order.

The resolution provides that the bill shall be considered as read through page 170, line 7. The resolution waives all points of order against provisions in the bill for failure to comply with clause 2 of rule XXI. The resolution makes in order only those amendments printed in this report, amendments en bloc described in section 3 of the resolution, and pro forma amendments described in section 4 of the resolution.

Each amendment printed in this report may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in this report or against amendments en bloc described in section 3 of the resolution. The resolution provides that it shall be in order at any time for the chair of the Committee on Appropriations or his designee to offer amendments en bloc consisting of amendments printed in this report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 min-

EXPLANATION OF WAIVERS

The resolution includes a waiver of points of order against provisions in the bill for failure to comply with clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill. This waiver is necessary because the bill contains unauthorized appropriations and legislative provisions.

Although the resolution waives all points of order against the amendments printed in this report or amendments en bloc described in section 3 of the resolution, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
