Mr. STIVERS, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 794]

The Committee on Rules, having had under consideration House Resolution 794, by a record vote of 8 to 1, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 5485, the Financial Services and General Government Appropriations Act, 2017, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The resolution waives all points of order against consideration of the bill. The resolution provides that the bill shall be considered as read through page 265, line 9. The resolution waives points of order against provisions in the bill for failure to comply with clause 2 or clause 5(a) of rule XXI, except beginning with “: Provided further” on page 122, line 19, through “2012” on page 122, line 22. The resolution provides that where points of order are waived against part of a paragraph, points of order against a provision in another part of such paragraph may be made only against such provision and not against the entire paragraph. The resolution makes in order only those amendments printed in this report, amendments en bloc described in section 3 of the resolution, and pro forma amendments described in section 4 of the resolution. Each amendment printed in this report may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of

the question. The resolution waives all points of order against the amendments printed in this report or against amendments en bloc described in section 3 of the resolution. The resolution provides that it shall be in order at any time for the chair of the Committee on Appropriations or his designee to offer amendments en bloc consisting of amendments printed in this report not earlier disposed of. Amendments en bloc shall be considered as read, shall be debatable for 20 minutes equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations or their designees, shall not be subject to amendment, and shall not be subject to a demand for division of the question. The resolution provides that the chair and ranking minority member of the Committee on Appropriations or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate. The resolution provides one motion to recommit with or without instructions.

Section 6 of the resolution provides that section 1201 of H.R. 5485 shall be considered to be a spending reduction account for purposes of section 3(d) of House Resolution 5.

Section 7 of the resolution provides that during consideration of H.R. 5485, section 3304 of Senate Concurrent Resolution 11 shall not apply.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of the following:

- Section 306 of the Congressional Budget Act, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee; and
- Clause 3(e)(1) of rule XIII (“Ramseyer”), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the Committee on Appropriations was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

The resolution includes a waiver of points of order against provisions for failure to comply with the following:

- Clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill. The waiver applies to all provisions in the bill except beginning with “: Provided further” on page 122, line 19, through “2012” on page 122, line 22; and
- Clause 5(a) of rule XXI, which provides that a bill or joint resolution carrying a tax or tariff measure may not be reported by a committee not having jurisdiction to report tax or tariff measure.

Although the resolution waives all points of order against the amendments printed in this report or amendments en bloc described in section 3 of the resolution, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
