## R E P O R T

[To accompany H. Res. 223]

The Committee on Rules, having had under consideration House Resolution 223, by a record vote of 8 to 2, report the same to the House with the recommendation that the resolution be adopted.

### SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 2028, the Energy and Water Development and Related Agencies Appropriations Act, 2016, and H.R. 2029, the Military Construction and Veterans Affairs, and Related Agencies Appropriations Act, 2016, under modified-open rules. The resolution provides one hour of general debate on each bill equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The resolution waives all points of order against consideration of each bill. The resolution waives points of order against provisions in each bill for failure to comply with clause 2 of rule XXI. The resolution provides that after general debate each bill shall be considered for amendment under the five-minute rule except that: 1) amendments shall be debatable for 10 minutes equally divided and controlled by the proponent and an opponent and shall not be subject to amendment; and 2) no pro forma amendments shall be in order except that the chair and ranking minority member of the Committee on Appropriations or their respective designees may offer up to 10 pro forma amendments each at any point for the purpose of debate. The resolution authorizes the Chair to accord priority in recognition to Members who have pre-printed their amendments in

the Congressional Record. The resolution provides one motion to re-commit each bill with or without instructions.

Section 3 of the resolution provides that during consideration of H.R. 2028 and H.R. 2029, the provisions of House Concurrent Resolution 27, as adopted by the House, shall have force and effect in the House as though Congress has adopted such concurrent resolution; and the allocations printed in this report shall be considered for all purposes in the House to be allocations under section 302(a) of the Congressional Budget Act of 1974.

Section 4 of the resolution provides that on any legislative day during the period from May 4, 2015, through May 11, 2015; the Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the House adjourned to meet at a date and time, within the limits of clause 4, section 5, article I of the Constitution, to be announced by the Chair in declaring the adjournment.

Section 5 of the resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 4.

#### EXPLANATION OF WAIVERS

Although the resolution waives all points of order against consideration of H.R. 2028, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

The waiver of all points of order against consideration of H.R. 2029 include a waiver of Section 306 of the Congressional Budget Act, prohibiting consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee.

The resolution includes a waiver of points of order against provisions in H.R. 2028 and H.R. 2029 for failure to comply with clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill. This waiver is necessary because each bill contains unauthorized appropriations and legislative provisions.
