

FURTHER REVISED ALLOCATION TO SUBCOMMITTEES OF
BUDGET TOTALS FROM THE CONCURRENT RESOLU-
TION FOR FISCAL YEAR 2016

NOVEMBER 5, 2015.—ORDERED TO BE PRINTED

Mr. COCHRAN, from the Committee on Appropriations,
submitted the following

REPORT

The Committee on Appropriations submits the following report revising the section 302(b) allocation to its subcommittees for fiscal year 2016 set forth in Senate Report 114-55 (May 21, 2015) and revised in Senate Report 114-61 (June 10, 2015), Senate Report 114-72 (June 24, 2015), Senate Report 114-78 (July 8, 2015), and Senate Report 114-81 (July 15, 2015).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

The Budget Act requires that as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such a resolution. The conference report on the concurrent resolution for fiscal year 2016 (S. Con. Res. 11) was agreed to by the Congress on May 5, 2015.

Pursuant to section 302(a) of the Congressional Budget Act of 1974, as amended, the joint explanatory statement accompanying the conference report on the concurrent resolution on the budget for fiscal year 2016 (H. Rept. 114-96; filed April 29, 2015) contains allocations to the Senate Committee on Appropriations for fiscal year 2016. Those allocations are consistent with the discretionary spending limits in section 251(c) of the Balanced Budget and Emergency Deficit Control Act of 1985 (BBEDCA), as adjusted by the Office of Management and Budget pursuant to section 251A of that

Act. Those allocations have not yet been adjusted to reflect the enactment of the H.R. 1314, the Bipartisan Budget Act of 2015.

The Committee notes that, under the terms of section 251 of BBEDCA, the Chairman of the Committee on the Budget may increase the 302(a) allocation of the Committee on Appropriations if certain conditions relating to funding of specific programs are met. These provisions address such programs as: cost of emergencies (sec. 251(b)(2)(A)(i)); continuing disability reviews and redeterminations (sec. 251(b)(2)(B)); healthcare fraud and abuse control (sec. 251(b)(2)(C)); and disaster funding (sec. 251(b)(2)(D)).

The conference report also provides for a separate allocation to the Committee on Appropriations for fiscal year 2016 for Overseas Contingency Operations (OCO)/Global War on Terrorism (GWOT). Any appropriation designated for OCO under section 251(b)(2)(A)(ii) of BBEDCA will be scored against this separate allocation. The OCO allocation may be subdivided among the subcommittees and the Chairman of the Committee on the Budget may adjust the 302(a) allocation to account for new information.

On May 21, 2015, the Committee on Appropriations filed an initial allocation to its subcommittees pursuant to its section 302(a) allocation.

On September 30, 2015, the Committee on the Budget filed a revised 302(a) allocation for the Committee (Congressional Record pp. S7043–7044) reflecting permissible increases in the fiscal year 2016 discretionary allocation. These increases reflect \$700,000,000 in nonsecurity budget authority designated as an emergency requirement, plus associated outlays.

The further revised allocations to subcommittees for 2016 are set forth below:

FURTHER REVISED SUBCOMMITTEE ALLOCATIONS FOR FISCAL YEAR 2016

[In millions of dollars]

Subcommittee	Discretionary			Overseas Contingency Operations/ Global War on Terrorism		Mandatory		Total
