tion 721 applies pursuant to a transaction de-
scribed in paragraph (1)(B) or (2) of section
708(b).

“(c) INVESTMENT SERVICES PARTNERSHIP INTER-

ices partnership interest’ means any interest in an
investment partnership acquired or held by any per-
son in connection with the conduct of a trade or
business described in paragraph (2) by such person
(or any person related to such person). An interest
in an investment partnership held by any person—

“(A) shall not be treated as an investment
services partnership interest for any period be-
fore the first date on which it is so held in con-
nection with such a trade or business,

“(B) shall not cease to be an investment
services partnership interest merely because
such person holds such interest other than in
connection with such a trade or business, and

“(C) shall be treated as an investment
services partnership interest if acquired from a
related person in whose hands such interest was
an investment services partnership interest.
“(2) Businesses to which this section applies.—A trade or business is described in this paragraph if such trade or business primarily involves the performance of any of the following services with respect to assets held (directly or indirectly) by one or more investment partnerships referred to in paragraph (1):

“(A) Advising as to the advisability of investing in, purchasing, or selling any specified asset.

“(B) Managing, acquiring, or disposing of any specified asset.

“(C) Arranging financing with respect to acquiring specified assets.

“(i) substantially all of the assets of the partnership are specified assets (determined without regard to any section 197
intangible within the meaning of section 197(d), and

“(ii) less than 75 percent of the capital of the partnership is attributable to qualified capital interests which constitute property held in connection with a trade or business of the owner of such interest.

“(B) Look-through of certain wholly-owned entities for purposes of determining assets of the partnership.—

“(i) In general.—For purposes of determining the assets of a partnership under subparagraph (A)(i)—

“(I) any interest in a specified entity shall not be treated as an asset of such partnership, and

“(II) such partnership shall be treated as holding its proportionate share of each of the assets of such specified entity.

“(ii) Specified entity.—For purposes of clause (i), the term ‘specified entity’ means, with respect to any partnership (hereafter referred to as the upper-tier partnership), any person which engages in
the same trade or business as the upper-tier partnership and is—

“(I) a partnership all of the capital and profits interests of which are held directly or indirectly by the upper-tier partnership, or

“(II) a foreign corporation which does not engage in a trade or business in the United States and all of the stock of which is held directly or indirectly by the upper-tier partnership.

“(C) Special rules for determining if property held in connection with trade or business.—

“(i) In general.—Except as otherwise provided by the Secretary, solely for purposes of determining whether any interest in a partnership constitutes property held in connection with a trade or business under subparagraph (A)(ii)—

“(I) a trade or business of any person closely related to the owner of such interest shall be treated as a trade or business of such owner,
“(II) such interest shall be treated as held by a person in connection with a trade or business during any taxable year if such interest was so held by such person during any 3 taxable years preceding such taxable year, and

“(III) paragraph (5)(B) shall not apply.

“(ii) CLOSELY RELATED PERSONS.—

For purposes of clause (i)(I), a person shall be treated as closely related to another person if, taking into account the rules of section 267(c), the relationship between such persons is described in—

“(I) paragraph (1) or (9) of section 267(b), or

“(II) section 267(b)(4), but solely in the case of a trust with respect to which each current beneficiary is the grantor or a person whose relationship to the grantor is described in paragraph (1) or (9) of section 267(b).

“(D) ANTIABUSE RULES.—The Secretary may issue regulations or other guidance which
prevent the avoidance of the purposes of sub-
paragraph (A), including regulations or other
guidance which treat convertible and contingent
debt (and other debt having the attributes of
equity) as a capital interest in the partnership.

“(E) CONTROLLED GROUPS OF ENTITIES.—

“(i) IN GENERAL.—In the case of a
controlled group of entities, if an interest
in the partnership received in exchange for
a contribution to the capital of the part-
nership by any member of such controlled
group would (in the hands of such mem-
ber) constitute property held in connection
with a trade or business, then any interest
in such partnership held by any member of
such group shall be treated for purposes of
subparagraph (A) as constituting (in the
hands of such member) property held in
connection with a trade or business.

“(ii) CONTROLLED GROUP OF ENTI-
TIES.—For purposes of clause (i), the term
‘controlled group of entities’ means a con-
trolled group of corporations as defined in
section 1563(a)(1), applied without regard
to subsections (a)(4) and (b)(2) of section 1563. A partnership or any other entity (other than a corporation) shall be treated as a member of a controlled group of entities if such entity is controlled (within the meaning of section 954(d)(3)) by members of such group (including any entity treated as a member of such group by reason of this sentence).

“(F) Special rule for corporations.—For purposes of this paragraph, in the case of a corporation, the determination of whether property is held in connection with a trade or business shall be determined as if the taxpayer were an individual.

“(4) Specified asset.—The term ‘specified asset’ means securities (as defined in section 475(e)(2) without regard to the last sentence thereof), real estate held for rental or investment, interests in partnerships, commodities (as defined in section 475(e)(2)), cash or cash equivalents, or options or derivative contracts with respect to any of the foregoing.

“(5) Related persons.—
“(A) In general.—A person shall be treated as related to another person if the relationship between such persons is described in section 267(b) or 707(b).

“(B) Attribution of partner services.—Any service described in paragraph (2) which is provided by a partner of a partnership shall be treated as also provided by such partnership.

“(d) Exception for certain capital interests.—

“(1) In general.—In the case of any portion of an investment services partnership interest which is a qualified capital interest, all items of gain and loss (and any dividends) which are allocated to such qualified capital interest shall not be taken into account under subsection (a) if—

“(A) allocations of items are made by the partnership to such qualified capital interest in the same manner as such allocations are made to other qualified capital interests held by partners who do not provide any services described in subsection (e)(2) and who are not related to the partner holding the qualified capital interest, and
“(B) the allocations made to such other interests are significant compared to the allocations made to such qualified capital interest.

“(2) AUTHORITY TO PROVIDE EXCEPTIONS TO ALLOCATION REQUIREMENTS.—To the extent provided by the Secretary in regulations or other guidance—

“(A) ALLOCATIONS TO PORTION OF QUALIFIED CAPITAL INTEREST.—Paragraph (1) may be applied separately with respect to a portion of a qualified capital interest.

“(B) NO OR INSIGNIFICANT ALLOCATIONS TO NONSERVICE PROVIDERS.—In any case in which the requirements of paragraph (1)(B) are not satisfied, items of gain and loss (and any dividends) shall not be taken into account under subsection (a) to the extent that such items are properly allocable under such regulations or other guidance to qualified capital interests.

“(C) ALLOCATIONS TO SERVICE PROVIDERS’ QUALIFIED CAPITAL INTERESTS WHICH ARE LESS THAN OTHER ALLOCATIONS.—Allocations shall not be treated as failing to meet the requirement of paragraph (1)(A) merely because the allocations to the qualified capital inter-
terest represent a lower return than the allocations made to the other qualified capital interests referred to in such paragraph.

“(3) Special rule for changes in services and capital contributions.—In the case of an interest in a partnership which was not an investment services partnership interest and which, by reason of a change in the services with respect to assets held (directly or indirectly) by the partnership or by reason of a change in the capital contributions to such partnership, becomes an investment services partnership interest, the qualified capital interest of the holder of such partnership interest immediately after such change shall not, for purposes of this subsection, be less than the fair market value of such interest (determined immediately before such change).

“(4) Special rule for tiered partnerships.—Except as otherwise provided by the Secretary, in the case of tiered partnerships, all items which are allocated in a manner which meets the requirements of paragraph (1) to qualified capital interests in a lower-tier partnership shall retain such character to the extent allocated on the basis of
qualified capital interests in any upper-tier partnership.

“(5) Exception for no-self-charged carry and management fee provisions.—Except as otherwise provided by the Secretary, an interest shall not fail to be treated as satisfying the requirement of paragraph (1)(A) merely because the allocations made by the partnership to such interest do not reflect the cost of services described in subsection (c)(2) which are provided (directly or indirectly) to the partnership by the holder of such interest (or a related person).

“(6) Special rule for dispositions.—In the case of any investment services partnership interest any portion of which is a qualified capital interest, subsection (b) shall not apply to so much of any gain or loss as bears the same proportion to the entire amount of such gain or loss as—

“(A) the distributive share of gain or loss that would have been allocated to the qualified capital interest (consistent with the requirements of paragraph (1)) if the partnership had sold all of its assets at fair market value immediately before the disposition, bears to
“(B) the distributive share of gain or loss that would have been so allocated to the investment services partnership interest of which such qualified capital interest is a part.

“(7) QUALIFIED CAPITAL INTEREST.—For purposes of this section—

“(A) IN GENERAL.—The term ‘qualified capital interest’ means so much of a partner’s interest in the capital of the partnership as is attributable to—

“(i) the fair market value of any money or other property contributed to the partnership in exchange for such interest (determined without regard to section 752(a)),

“(ii) any amounts which have been included in gross income under section 83 with respect to the transfer of such interest, and

“(iii) the excess (if any) of—

“(I) any items of income and gain taken into account under section 702 with respect to such interest, over

“(II) any items of deduction and loss so taken into account.
“(B) ADJUSTMENT TO QUALIFIED CAPITAL INTEREST.—

“(i) DISTRIBUTIONS AND LOSSES.—

The qualified capital interest shall be reduced by distributions from the partnership with respect to such interest and by the excess (if any) of the amount described in subparagraph (A)(iii)(II) over the amount described in subparagraph (A)(iii)(I).

“(ii) SPECIAL RULE FOR CONTRIBUTIONS OF PROPERTY.—In the case of any contribution of property described in subparagraph (A)(i) with respect to which the fair market value of such property is not equal to the adjusted basis of such property immediately before such contribution, proper adjustments shall be made to the qualified capital interest to take into account such difference consistent with such regulations or other guidance as the Secretary may provide.

“(C) TECHNICAL TERMINATIONS, ETC., DISREGARDED.—No increase or decrease in the qualified capital interest of any partner shall re-
result from a termination, merger, consolidation, or division described in section 708, or any similar transaction.

“(8) Treatment of Certain Loans.—

“(A) Proceeds of Partnership Loans Not Treated as Qualified Capital Interest of Service Providing Partners.—For purposes of this subsection, an investment services partnership interest shall not be treated as a qualified capital interest to the extent that such interest is acquired in connection with the proceeds of any loan or other advance made or guaranteed, directly or indirectly, by any other partner or the partnership (or any person related to any such other partner or the partnership). The preceding sentence shall not apply to the extent the loan or other advance is repaid before the date of the enactment of this section unless such repayment is made with the proceeds of a loan or other advance described in the preceding sentence.

“(B) Reduction in Allocations to Qualified Capital Interests for Loans From Nonservice-Prov

—For purposes of this sub-
section, any loan or other advance to the partnership made or guaranteed, directly or indirectly, by a partner not providing services described in subsection (c)(2) to the partnership (or any person related to such partner) shall be taken into account in determining the qualified capital interests of the partners in the partnership.

“(9) SPECIAL RULE FOR QUALIFIED FAMILY PARTNERSHIPS.—

“(A) IN GENERAL.—In the case of any specified family partnership interest, paragraph (1)(A) shall be applied without regard to the phrase ‘and who are not related to the partner holding the qualified capital interest’.

“(B) SPECIFIED FAMILY PARTNERSHIP INTEREST.—For purposes of this paragraph, the term ‘specified family partnership interest’ means any investment services partnership interest if—

“(i) such interest is an interest in a qualified family partnership,

“(ii) such interest is held by a natural person or by a trust with respect to which each beneficiary is a grantor or a person
whose relationship to the grantor is described in section 267(b)(1), and

“(iii) all other interests in such qualified family partnership with respect to which significant allocations are made (within the meaning of paragraph (1)(B) and in comparison to the allocations made to the interest described in clause (ii)) are held by persons who—

“(I) are related to the natural person or trust referred to in clause (ii), or

“(II) provide services described in subsection (c)(2).

“(C) QUALIFIED FAMILY PARTNERSHIP.—

For purposes of this paragraph, the term ‘qualified family partnership’ means any partnership if—

“(I) specified family members,

“(ii) such partnership does not hold itself out to the public as an investment advisor.
“(D) SPECIFIED FAMILY MEMBERS.—For purposes of subparagraph (C), individuals shall be treated as specified family members if such individuals would be treated as one person under the rules of section 1361(c)(1) if the applicable date (within the meaning of subparagraph (B)(iii) thereof) were the latest of—

“(A) a person performs (directly or indirectly) investment management services for any investment entity,

“(B) such person holds (directly or indirectly) a disqualified interest with respect to such entity, and

“(C) the value of such interest (or payments thereunder) is substantially related to the amount of income or gain (whether or not realized) from the assets with respect to which the investment management services are performed,
