(b) The alternate calculation method referred to in subsection (a) is a method of calculating the actual yield for the 2016 crop year for county-level agriculture risk coverage payments under section 1117(b)(1) of the Agricultural Act of 2014 (7 U.S.C. 9017(b)(1)), under which—

(1) county data of the National Agricultural Statistics Service (referred to in this section as “NASS data”) is used for the calculations;

(3) if there is insufficient NASS data for a comparable contiguous county (as determined under standards of the Secretary in effect as of the date of enactment of this Act), the calculation of the county yield is determined using reliable yield data from other sources, such as Risk Management Agency data, National Agricultural Statistics Service district data, National Agricultural Statistics Service State yield
data, or other data as determined by the Farm Service Agency office in the applicable State.

(c)(1) A supplemental payment made under the pilot program established under this section may be made to an agricultural producer who is subject to the alternate calculation method described in subsection (b) if that agricultural producer would otherwise receive a county-level agriculture risk coverage payment for the 2016 crop year in an amount that is less than the payment that the agricultural producer would receive under the alternate calculation method.

(2) The amount of a supplemental payment to an agricultural producer under this section may not exceed the difference between—

(A) the payment that the agricultural producer would have received without the alternate calculation method described in subsection (b); and

(B) the payment that the agricultural producer would receive using the alternate calculation method.

(d)(1) There is appropriated to the Secretary, out of funds of the Treasury not otherwise appropriated, $5,000,000, to remain available until September 30, 2018, to carry out the pilot program described in this section.

(2) To the extent that the cost of the pilot program exceeds the amount made available, the Secretary shall reduce all payments under the pilot program on a pro rata basis.

(f) Nothing in this section affects the calculation of actual yield for purposes of county-level agriculture risk coverage payments under section 1117(b)(1) of the Agricultural Act of 2014 (7 U.S.C. 9017(b)(1)) other than payments made in accordance with the pilot program under this section.

(g) A calculation of actual yield made using the alternate calculation method described in subsection (b) shall not be used as a basis for any agriculture risk coverage payment determinations under section 1117 of the Agricultural Act of 2014 (7 U.S.C. 9017) other than for purposes of the pilot program under this section.

Sec. 773. None of the funds made available by this Act or any other Act may be used—
(1) in contravention of section 7606 of the Agricultural Act of 2014 (7 U.S.C. 5940); or

(2) to prohibit the transportation, processing, sale, or use of industrial hemp that is grown or cultivated in accordance with section 7606 of the Agricultural Act of 2014, within or outside the State in which the industrial hemp is grown or cultivated.

SEC. 774. Notwithstanding any other provision of law, for purposes of applying the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 301 et seq.), the acceptable market name of Lithodes aequispinus is “golden king crab.”

(b) PHASED TRANSFERS.—Transfers of project-based assistance under this section may be done in phases to accommodate the financing and other requirements related to...

project by the Secretary, except that the Secretary may waive this requirement upon determination that such a waiver is necessary to facilitate the financing of acquisition, construction, and/or rehabilitation of the receiving project or projects.

(8) If the transferring project meets the requirements of subsection (d)(2), the owner or mortgagor of the receiving project or projects shall execute and record either a continuation of the existing use agreement or a new use agreement for the project where, in either case, any use restrictions in such agreement are of no lesser duration than the existing use restrictions.

To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of—
