

115TH CONGRESS  
1ST SESSION

# H. R. 2474

To amend the Federal Food, Drug, and Cosmetic Act to provide an alternative standard for substantial equivalence determinations for devices, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

MAY 16, 2017

Mrs. MIMI WALTERS of California (for herself and Mr. BERA) introduced the following bill; which was referred to the Committee on Energy and Commerce

---

## A BILL

To amend the Federal Food, Drug, and Cosmetic Act to provide an alternative standard for substantial equivalence determinations for devices, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Medical Product Re-  
5 view Harmonization Act of 2017”.

6 **SEC. 2. ALTERNATIVE SUBSTANTIAL EQUIVALENCE SHOW-**  
7 **ING.**

8 Subsection 513(i)(1) of the Federal Food, Drug, and  
9 Cosmetic Act (21 U.S.C. 360c(i)(1)) is amended—

1           (1) by redesignating subparagraphs (B)  
2 through (F) as subparagraphs (C) through (G), re-  
3 spectively;

4           (2) by inserting after subparagraph (A) the fol-  
5 lowing:

6           “(B)(i) As an alternative to clause (ii) of subpara-  
7 graph (A), and for the purpose of determining substantial  
8 equivalence under subsection (f) and section 520(l), a per-  
9 son may submit information to the Secretary that dem-  
10 onstrates that a device conforms with national or inter-  
11 national standards, standards established or recognized  
12 under section 514, or guidance documents developed by  
13 the Secretary to demonstrate that a device is as safe and  
14 effective as a legally marketed device, notwithstanding  
15 technological differences.

16           “(ii) Any person may propose to the Secretary, for  
17 purposes of clause (i), a national or international stand-  
18 ard, a standard established or recognized under section  
19 514, or a guidance document developed by the Secretary.  
20 Not later than 60 days after receipt of any such proposal,  
21 the Secretary shall provide to the person submitting the  
22 proposal a written determination—

23           “(I) accepting all, part, or none of the proposal  
24 for purposes of demonstrating substantial equiva-  
25 lence under this paragraph; and

1           “(II) stating the full rationale (including the  
2           scientific, technical, and regulatory basis) for the  
3           Secretary’s determination.

4           “(iii) The Secretary shall—

5                 “(I) except as provided in subclause (II), com-  
6                 ply with the requirements for public participation  
7                 described in section 701(h)(1)(C) before first using  
8                 a standard or guidance document for purposes of  
9                 this subparagraph; and

10                “(II) in the case of establishing or recognizing  
11                a standard, comply with the requirements described  
12                in section 514 for establishing or recognizing, as ap-  
13                plicable, a performance standard.

14           “(iv) A person submitting a notification under section  
15           510(k) may rely on a standard or guidance document  
16           identified, established, or recognized by the Secretary in  
17           accordance with clause (iii) to resolve some or all of the  
18           differences that exist between a new device and its legally  
19           marketed predicate device to demonstrate substantial  
20           equivalence.”; and

21                (3) in subparagraph (F) (as redesignated by  
22                paragraph (1)), by adding at the end the following:

23                “(iv) The reliance on standards or guidance docu-  
24                ments to demonstrate substantial equivalence as described  
25                in subparagraph (B) shall be optional and have no effect

- 1 on the establishment of substantial equivalence pursuant
- 2 to subparagraph (A) where such option is not exercised.”.
