1 (1) in paragraph (2)—

2 (A) in subparagraph (A), by striking “sub-

4 (B) and (C)”; and

5 (B) by adding at the end the following:

6 “(C)(i) The terms ‘employee pension benefit plan’
7 and ‘pension plan’ do not include an individual retirement
8 plan (as defined in section 7701(a)(37) of the Internal
9 Revenue Code of 1986) established and maintained pursu-

14 “(II) the program is implemented and adminis-
15 tered by the State or qualified political subdivision

19 selecting investment alternatives for employees to
20 choose;

21 “(III) the State or qualified political subdivision
22 (or governmental agency or instrumentality of ei-
23 ther) assumes responsibility for the security of pay-

1 employer be transmitted to the program promptly
2 and by providing an enforcement mechanism to as-
3 sure compliance with this requirement;

4 “(IV) the State or qualified political subdivision
5 (or governmental agency or instrumentality of ei-
6 ther) adopts measures to ensure that employees are
7 notified of their rights under the program, and cre-
8 ates a mechanism for enforcement of those rights;

9 “(V) participation in the program is voluntary
10 for employees;

11 “(VI) all rights of the employee, former em-
12 ployee, or beneficiary under the program are en-
13 forceable only by the employee, former employee, or
14 beneficiary, an authorized representative of such a
15 person, or by the State or qualified political subdivi-
16 sion (or governmental agency or instrumentality of
17 either);

18 “(VII) the involvement of the employer is lim-
19 ited to—

20 “(aa) collecting employee contributions

9 subdivision (or governmental agency or instru-
10 mentality of either) and permitting the State or
11 qualified political subdivision (or governmental
12 agency or instrumentality of either) to publicize
13 the program to employees;

14 “(VIII) the employer contributes no funds to
15 the program and provides no bonus or other mone-
16 tary incentive to employees to participate in the pro-
17 gram;

18 “(IX) the employer’s participation in the pro-
19 gram is required by the law of the State law or
20 qualified political subdivision;

21 “(X) the employer has no discretionary author-
22 ity, control, or responsibility under the program; and

23 “(XI) the employer receives no direct or indi-
24 rect consideration in the form of cash or otherwise,
25 other than consideration (including tax incentives

1 and credits) received directly from the State or
2 qualified political subdivision (or governmental agen-
3 cy or instrumentality of either) that does not exceed
4 an amount that reasonably approximates the em-
5 ployer's (or a typical employer's) costs under the
6 program.

7 “(ii) A State savings program will not fail to satisfy
8 the requirements of subclauses (I) through (XI) of clause
9 (i) merely because the program—

10 “(I) is directed toward those employers that do
11 not offer some other workplace savings arrangement;

12 “(II) utilizes one or more service or investment
13 providers to operate and administer the program,
14 provided that the State (or governmental agency or
15 instrumentality of the State) retains full responsi-
16 bility for the operation and administration of the
17 program; or

18 “(III) treats employees as having automatically
19 elected payroll deductions in an amount or percent-
20 age of compensation, including any automatic in-
21 creases in such amount or percentage, unless the
22 employee specifically elects not to have such deduc-
23 tions made (or specifically elects to have the deduc-
24 tions made in a different amount or percentage of
25 compensation allowed by the program), provided

1 that the employee is given adequate advance notice
2 of the right to make such elections and provided,
3 further, that a program may also satisfy the require-
4 ments of such subclauses (I) through (XI) without
5 requiring or otherwise providing for automatic elec-
6 tions such as those described in this subclause.

7 “(iii) For purposes of this subparagraph, the term
8 “qualified political subdivision” means any governmental
9 unit of a State, including a city, county, or similar govern-
10 mental body, that—

11 “(I) has the authority, implicit or explicit,
12 under State law to require employers’ participation
13 in the program as described in clause (i); and

15 litical subdivision’s payroll deduction savings pro-
16 gram—

17 “(aa) has a population equal to or greater
18 than the population of the least populated State
19 (excluding the District of Columbia and terri-
20 tories listed in paragraph (10));

21 “(bb) has no geographic overlap with any
22 other political subdivision that has enacted a
23 mandatory payroll deduction savings program
24 for private-sector employees and is not located

1 in a State that has enacted such a program
2 statewide; and

3 “(cc) has implemented and administers a
4 plan, fund, or program that provides retirement
5 income to its employees, or results in a deferral
6 of income by its employees for periods extend-
7 ing to the termination of covered employment
8 or beyond.

9 “(iv) For purposes of clause (i)(III), amounts with-
10 held from an employee’s wages by the employer are
11 deemed to be transmitted promptly if such amounts are
12 transmitted to the program as of the earliest date on
13 which such contributions can reasonably be segregated
14 from the employer’s general assets, but in no event later
15 than the last day of the month following the month in
16 which such amounts would otherwise have been payable
17 to the employee in cash.”.
