

115TH CONGRESS  
1ST SESSION

# H. R. 3235

To amend the Food Security Act of 1985 with respect to the administration of wetland determinations, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

JULY 13, 2017

Mrs. NOEM (for herself, Mr. CRAMER, and Mr. PETERSON) introduced the following bill; which was referred to the Committee on Agriculture

---

## A BILL

To amend the Food Security Act of 1985 with respect to the administration of wetland determinations, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Wetland Determina-  
5       tions Efficiency and Transparency Act”.

6       **SEC. 2. ADMINISTRATION OF WETLAND DETERMINATIONS.**

7       Section 1222(a) of the Food Security Act of 1985  
8       (16 U.S.C. 3822(a)) is amended—

9               (1) in paragraph (1), by striking “subsection  
10          (b) and paragraph (6)” and inserting “subsection

1       (b), paragraphs (6) and (7), and paragraphs (1)(B)  
2       and (2) of section 1244(e)”; and

3                 (2) by adding at the end the following:

4                 “(7) ADMINISTRATION.—

5                 “(A) TIMELY COMPLETION.—

6                         “(i) IN GENERAL.—The Secretary,  
7                         acting through the Chief of the Natural  
8                         Resources Conservation Service, shall en-  
9                         sure the completion of a wetland delineation,  
10                         determination, or certification by the  
11                         date that is 60 days after the date on  
12                         which a person subject to this subtitle re-  
13                         quests the delineation, determination, or  
14                         certification.

15                         “(ii) EFFECT OF DELAY.—If a wet-  
16                         land delineation, determination, or certifi-  
17                         cation is not completed by the date de-  
18                         scribed in clause (i), upon completion of  
19                         the wetland delineation, determination, or  
20                         certification, the Secretary shall provide  
21                         for a reasonable transition period for com-  
22                         ing into compliance with the wetland delin-  
23                         eation, determination, or certification, as  
24                         necessary, and a person shall not become  
25                         ineligible under section 1221 for program

1           loans or payments as a result of actions  
2           taken, between the date described in clause  
3           (i) and the date on which such transition  
4           period ends, in violation of the wetland de-  
5           lineation, determination, or certification.

6           “(B) FINAL AGENCY ACTION.—A wetland  
7           delineation, determination, or certification made  
8           by the Secretary shall be considered a final  
9           agency action subject to judicial review, and a  
10          person challenging a wetland delineation, deter-  
11          mination, or certification shall not be required  
12          to exhaust all administrative remedies prior to  
13          bringing a suit in Federal court.

14          “(C) DUTY TO DISCLOSE.—In the case of  
15          a wetland delineation, determination, or certifi-  
16          cation for which there exists a dispute, the Sec-  
17          retary shall make available a copy of the agency  
18          record, to a person involved in the dispute who  
19          requests such a copy, not later than 30 days  
20          after the date on which the person makes the  
21          request.

22          “(D) BURDEN OF PROOF.—In the case of  
23          a wetland delineation, determination, or certifi-  
24          cation for which there exists a dispute, the Sec-

1           retary shall bear the burden of proof by a pre-  
2           ponderance of the evidence.

3           “(E) EFFECT ON EXISTING PROCESS.—  
4           Nothing in this paragraph shall be construed to  
5           prohibit a person challenging a wetland delineation,  
6           determination, or certification from using  
7           the administrative appeal process in place be-  
8           fore the date of enactment of this paragraph.”.

9 **SEC. 3. TECHNICAL ASSISTANCE PERMITTED.**

10          Section 1244(e) of the Food Security Act of 1985 (16  
11 U.S.C. 3844(e)) is amended to read as follows:

12          “(e) PROVISION OF TECHNICAL ASSISTANCE BY  
13 OTHER SOURCES.—

14          “(1) THIRD PARTY TECHNICAL ASSISTANCE  
15 PERMITTED.—The Secretary shall permit a person  
16 to secure technical assistance from an approved  
17 source, as determined by the Secretary, other than  
18 the Natural Resources Conservation Service—

19           “(A) in the preparation and application of  
20 a conservation plan under subtitle B or similar  
21 plan required as a condition for assistance from  
22 the Department of Agriculture; and

23           “(B) in the preparation of a wetland delin-  
24 eation or determination to submit to the Sec-  
25 retary under section 1222.

1           “(2) REJECTION.—If the Secretary rejects a  
2 technical determination made by an approved source  
3 pursuant to paragraph (1)(A), or a wetland delineation  
4 or determination made by an approved source  
5 pursuant to paragraph (1)(B), the basis of the Secretary’s  
6 rejection must be supported by documented  
7 evidence.”.

8 **SEC. 4. DATE OF RETURN OF WETLAND CHARACTERISTICS.**

9           Section 1222(b)(1)(G) of the Food Security Act of  
10 1985 (16 U.S.C. 3822) is amended by striking “after that  
11 date” and inserting “after such original conversion”.
