“(b) A debt, executory contract (other than a qualified financial contract), or unexpired lease of the debtor, or an agreement under which the debtor has issued or is
obligated for any debt, may be assumed by a bridge com-
pany in a transfer under section 1185 notwithstanding
any provision in an agreement or in applicable nonbank-
ruptcy law that—

“(1) prohibits, restricts, or conditions the as-

“(B) that prohibits, restricts, or conditions the assignment of the debt, contract, lease, or agreement; or

“(b)(1) During the period specified in section 1187(a)(3)(A), the trustee or the affiliate shall perform all payment and delivery obligations under such qualified financial contract of the debtor or the affiliate, as the case may be, that become due after the commencement of the case. The stay provided under subsection (a) terminates as to a qualified financial contract of the debtor or an affiliate immediately upon the failure of the trustee or the affiliate, as the case may be, to perform any such obligation during such period.

“(2) Any failure by a counterparty to any qualified financial contract of the debtor or any affiliate to perform any payment or delivery obligation under such qualified financial contract, including during the pendency of the stay provided under subsection (a), shall constitute a breach of such qualified financial contract by the counterparty.

“(c) Subject to the court’s approval, a qualified financial contract between an entity and the debtor may be assigned to or assumed by the bridge company in a transfer under, and in accordance with, section 1185 if and only if—

“(4) all property securing or any other credit enhancement furnished by the debtor for any qualified financial contract described in paragraph (1) or any claim described in paragraph (2) or (3) under any qualified financial contract between the entity and the debtor is assigned to and assumed by the bridge company.

“(d) Notwithstanding any provision of a qualified financial contract or of applicable nonbankruptcy law, a qualified financial contract of the debtor that is assumed or assigned in a transfer under section 1185 may not be accelerated, terminated, or modified, after the entry of the
order approving a transfer under section 1185, and any
right or obligation under the qualified financial contract
may not be accelerated, terminated, or modified, after the
entry of the order approving a transfer under section 1185
solely because of a condition described in section
1187(c)(1), other than a condition of the kind specified
in section 1187(b) that occurs after property of the estate
no longer includes a direct beneficial interest or an indi-
rect beneficial interest through the special trustee, in more
than 50 percent of the equity securities of the bridge com-
pany.

“(e) Notwithstanding any provision of any agreement
or in applicable nonbankruptcy law, an agreement of an
affiliate (including an executory contract, an unexpired
lease, qualified financial contract, or an agreement under
which the affiliate issued or is obligated for debt) and any
right or obligation under such agreement may not be ac-
celerated, terminated, or modified, solely because of a con-
dition described in section 1187(c)(1), other than a condi-
tion of the kind specified in section 1187(b) that occurs
after the bridge company is no longer a direct or indirect
beneficial holder of more than 50 percent of the equity

§ 1189. Licenses, permits, and registrations

“(a) Notwithstanding any otherwise applicable non-bankruptcy law, if a request is made under section 1185 for a transfer of property of the estate, any Federal, State, or local license, permit, or registration that the debtor or an affiliate had immediately before the commencement of the case and that is proposed to be transferred under section 1185 may not be accelerated, terminated, or modified at any time after the request solely on account of—
“(1) the insolvency or financial condition of the
debtor at any time before the closing of the case;
“(2) the commencement of a case under this
title concerning the debtor;
“(3) the appointment of or taking possession by
a trustee in a case under this title concerning the
debtor or by a custodian before the commencement
of the case; or
“(4) a transfer under section 1185.
“(b) Notwithstanding any otherwise applicable non-
bankruptcy law, any Federal, State, or local license, per-

obligations thereunder shall vest in the bridge company.

§ 1190. Exemption from securities laws

“For purposes of section 1145, a security of the
bridge company shall be deemed to be a security of a suc-

the bridge company and the security.

§ 1191. Inapplicability of certain avoiding powers

“A transfer made or an obligation incurred by the
debtor to an affiliate prior to or after the commencement

tion 1185 is not avoidable under section 544, 547,
548(a)(1)(B), or 549, or under any similar nonbankruptcy
law.

SEC. 536. (a) This section may be cited as the “Conscience Protection Act of 2017”.

(b) Congress finds as follows:

(1) Thomas Jefferson stated a conviction common to our Nation’s founders when he declared in 1809 that “[n]o provision in our Constitution ought to be dearer to man than that which protects the rights of conscience against the enterprises of the civil authority”.

VerDate Sep 11 2014 03:21 Sep 28, 2017 Jkt 069200 PO 00000 Frm 00855 Fmt 6652 Sfmt 6201 E:\BILLS\H3354.PCS H3354rfrederick on DSKBCBPHB2PROD with BILLS
(2) In 1973, the Supreme Court concluded that the government must leave the abortion decision “to the medical judgment of the pregnant woman’s attending physician”, recognizing that a physician may choose not to participate in abortion. Roe v. Wade, 410 U.S. 113, 164 (1973). The Court cited with approval a policy that “neither physician, hospital, nor hospital personnel shall be required to perform any act violative of personally-held moral principles”, 410 U.S. at 143 n. 38, and cited State laws upholding this principle. Doe v. Bolton, 410 U.S. 179, 197–8 (1973).

(3) Congress’s enactments to protect this right of conscience in health care include the Church amendment of 1973 (42 U.S.C. 300a–7), the Coats/Snowe amendment of 1996 (42 U.S.C. 238n), and the Weldon amendment approved by Congresses and Presidents of both parties every year since 2004.

(4) None of these laws explicitly provides a “private right of action” so victims of discrimination can defend their conscience rights in court, and administrative enforcement by the Department of Health and Human Services Office for Civil Rights has been lax, at times allowing cases to languish for years without resolution.
(5) Defying the Federal Weldon amendment, California’s Department of Managed Health Care has mandated coverage for all elective abortions in all health plans under its jurisdiction. Other States such as New York and Washington have taken or considered similar action, and some States may go farther to require all physicians and hospitals to provide or facilitate abortions. On June 21, 2016, the Obama Administration concluded a nearly two-year investigation of this matter by determining that California’s decision to require insurance plans under the California Department for Managed Health Care authority to cover all legal abortion services did not violate the Weldon amendment. Until the new Administration is able to reverse this finding, individuals will have to choose between ignoring their conscience or forgoing health care coverage.

(6) The vast majority of medical professionals do not perform abortions, with 86 percent of ob/gyns unwilling to provide them in a recent study (Obstetrics & Gynecology, Sept. 2011) and the great majority of hospitals choosing to do so in rare cases or not at all.
(7) A health care provider’s decision not to participate in an abortion, like Congress’s decision not to fund most abortions, erects no new barrier to those seeking to perform or undergo abortions but leaves each party free to act as he or she wishes.

(8) Such protection poses no conflict with other Federal laws, such as the law requiring emergency stabilizing treatment for a pregnant woman and her unborn child when either is in distress (Emergency Medical Treatment and Active Labor Act). As the previous Administration has said, these areas of law have operated side by side for many years and both should be fully enforced (76 Fed. Reg. 9968–77 (2011) at 9973).

(9) Reaffirming longstanding Federal policy on conscience rights and providing a right of action in cases where it is violated allows longstanding and widely supported Federal laws to work as intended.

(c) Title II of the Public Health Service Act (42 U.S.C. 202 et seq.) is amended by inserting after section 245 the following:
“SEC. 245A. PROHIBITING GOVERNMENTAL DISCRIMINATION AGAINST PROVIDERS OF HEALTH SERVICES THAT ARE NOT INVOLVED IN ABORTION.

“(a) In General.—Notwithstanding any other law, the Federal Government, and any State or local government that receives Federal financial assistance, may not penalize, retaliate against, or otherwise discriminate against a health care provider on the basis that the provider does not—

“(2) provide or sponsor abortion coverage; or

“(3) facilitate or make arrangements for any of the activities specified in this subsection.

“(b) Rule of Construction.—Nothing in this section shall be construed—

“(2) to prevent any health care provider from voluntarily electing to provide or sponsor abortion coverage or health benefits coverage that includes abortion;

“(3) to prevent an accrediting agency, the Federal Government, or a State or local government from establishing standards of medical competency

“(4) to affect, or be affected by, section 1867 of the Social Security Act (42 U.S.C. 1395dd, commonly referred to as the ‘Emergency Medical Treatment and Active Labor Act’); or

“(5) to supersede any law enacted by any State for the purpose of regulating insurance, except as specified in subsection (a).

“(c) ADMINISTRATION.—The Secretary shall designate the Director of the Office for Civil Rights of the Department of Health and Human Services—

“(1) to receive complaints alleging a violation of this section, section 245 of this Act, or any of subsections (b) through (e) of section 401 of the Health Programs Extension Act of 1973; and

“(2) to pursue the investigation of such complaints in coordination with the Attorney General.

“(d) DEFINITIONS.—For purposes of this section:

payments to cover the cost of health care services or benefits, or other Federal payments, grants, or loans to promote or otherwise facilitate health-related activities.

“(2) HEALTH CARE PROVIDER.—The term ‘health care provider’ means—

“(A) an individual physician, nurse, or other health care professional;

“(E) a program of training in the health professions or an applicant to or participant in such a program;

“(F) an issuer of health insurance coverage; or
“(G) a group health plan or student health plan, or a sponsor or administrator thereof.

“(3) State or local government that receives federal financial assistance.—The term ‘State or local government that receives Federal financial assistance’ includes every agency and other governmental unit and subdivision of a State or local government, if such State or local government, or any agency or governmental unit or subdivision thereof, receives Federal financial assistance.

“SEC. 245B. CIVIL ACTION FOR CERTAIN VIOLATIONS.

“(a) In general.—A qualified party may, in a civil action, obtain appropriate relief with regard to a designated violation.

“(b) Definitions.—For purposes of this section:

“(1) Qualified party.—The term ‘qualified party’ means—

“(A) the Attorney General of the United States; or

“(B) any person or entity adversely affected by the designated violation.

“(2) Designated violation.—The term ‘designated violation’ means an actual or threatened violation of—
“(A) section 245 or 245A of this Act; or
“(B) any of subsections (b) through (e) of section 401 of the Health Programs Extension Act of 1973 regarding an objection to abortion.
“(c) ADMINISTRATIVE REMEDIES NOT REQUIRED.—An action under this section may be commenced, and relief may be granted, without regard to whether the party commencing the action has sought or exhausted available administrative remedies.
“(d) DEFENDANTS IN ACTIONS UNDER THIS SECTION MAY INCLUDE GOVERNMENTAL ENTITIES AS WELL AS OTHERS.—
“(1) IN GENERAL.—An action under this section may be maintained against, among others, a party that is a Federal or State governmental entity. Relief in an action under this section may include money damages even if the defendant is such a governmental entity.
“(2) DEFINITION.—For the purposes of this subsection, the term ‘State governmental entity’ means a State, a local government within a State, and any agency or other governmental unit or subdivision of a State or of such a local government.
“(e) NATURE OF RELIEF.—In an action under this section, the court shall grant—
“(1) all necessary equitable and legal relief, including, where appropriate, declaratory relief and compensatory damages, to prevent the occurrence, continuance, or repetition of the designated violation and to compensate for losses resulting from the designated violation; and

“(2) to a prevailing plaintiff, reasonable attorneys’ fees and litigation expenses as part of the costs.”.

SEC. 210. (a) Notwithstanding any other provision
of law, subject to the conditions listed under this section,
for fiscal years 2018 and 2019, the Secretary of Housing
and Urban Development may authorize the transfer of

very low-income use restrictions if any, associated with one
or more multifamily housing project or projects to another
multifamily housing project or projects.

(b) PHASED TRANSFERS.—Transfers of project-
based assistance under this section may be done in phases
to accommodate the financing and other requirements re-
lated to rehabilitating or constructing the project or
projects to which the assistance is transferred, to ensure
that such project or projects meet the standards under
subsection (c).

(c) The transfer authorized in subsection (a) is sub-

(7) If either the transferring project or the receiving project or projects meets the condition specified in subsection (d)(2)(A), any lien on the receiving project resulting from additional financing obtained by the owner shall be subordinate to any FHA-insured mortgage lien transferred to, or placed on, such project by the Secretary, except that the Secretary may waive this requirement upon determination that such a waiver is necessary to facilitate the financing of acquisition, construction, and/or rehabilitation of the receiving project or projects.
(8) If the transferring project meets the requirements of subsection (d)(2), the owner or mortgagor of the receiving project or projects shall execute and record either a continuation of the existing use agreement or a new use agreement for the project where, in either case, any use restrictions in such agreement are of no lesser duration than the existing use restrictions.

(9) The transfer does not increase the cost (as defined in section 502 of the Congressional Budget Act of 1974, as amended) of any FHA-insured mortgage, except to the extent that appropriations are provided in advance for the amount of any such increased cost.

To the extent the Secretary determines, in consultation with the tenants and the local government, that such a multifamily property owned or held by the Secretary is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of (1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 ("MAHRAA") and (2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary
may, in consultation with the tenants of that property, contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance. The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect prior to foreclosure, subject to the exercise of contractual abatement remedies to assist relocation of tenants for imminent major threats to health and safety after written notice to and informed consent of the affected tenants and use of other available remedies, such as partial abatements or receivership. After disposition of any multifamily property described under this section, the contract and allowable rent levels on such properties shall be subject to the requirements under section 524 of MAHRAA.

SEC. 219. The Secretary of the Department of Housing and Urban Development shall, for fiscal year 2018, notify the public through the Federal Register and other means, as determined appropriate, of the issuance of a notice of the availability of assistance or notice of funding availability (NOFA) for any program or discretionary fund administered by the Secretary that is to be competitively awarded. Notwithstanding any other provision of law, for fiscal year 2018, the Secretary may make the
NOFA available only on the Internet at the appropriate Government web site or through other electronic media, as determined by the Secretary.

SEC. 220. Payment of attorney fees in program-related litigation shall be paid from the individual program office and Office of General Counsel salaries and expenses appropriations. The annual budget submission for the program offices and the Office of General Counsel shall include any such projected litigation costs for attorney fees as a separate line item request. No funds provided in this title may be used to pay any such litigation costs for attorney fees until the Department submits for review a spending plan for such costs to the House and Senate Committees on Appropriations.

SEC. 221. The Secretary is authorized to transfer up to 10 percent or $4,000,000, whichever is less, of funds appropriated for any office under the heading “Administrative Support Offices” or for any account under the general heading “Program Office Salaries and Expenses” to any other such office or account: Provided, That no appropriation for any such office or account shall be increased or decreased by more than 10 percent or $4,000,000, whichever is less, without prior written approval of the House and Senate Committees on Appropriations: Provided further, That the Secretary shall provide notification
to such Committees three business days in advance of any such transfers under this section up to 10 percent or $4,000,000, whichever is less.

SEC. 222. (a) Any entity receiving housing assistance payments shall maintain decent, safe, and sanitary conditions, as determined by the Secretary of Housing and Urban Development (in this section referred to as the “Secretary”), and comply with any standards under applicable State or local laws, rules, ordinances, or regulations relating to the physical condition of any property covered under a housing assistance payment contract.

(b) The Secretary shall take action under subsection (c) when a multifamily housing project with a section 8 contract or contract for similar project-based assistance—

(1) receives a Uniform Physical Condition Standards (UPCS) score of 60 or less; or

(2) fails to certify in writing to the Secretary within 3 days that all Exigent Health and Safety deficiencies identified by the inspector at the project have been corrected.

Such requirements shall apply to insured and noninsured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), but do not apply to such units assisted under section 8(o)(13) (42 U.S.C. 1437f(o)(13)) or to
public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

(c)(1) Within 15 days of the issuance of the REAC inspection, the Secretary must provide the owner with a Notice of Default with a specified timetable, determined by the Secretary, for correcting all deficiencies. The Secretary must also provide a copy of the Notice of Default to the tenants, the local government, any mortgagees, and any contract administrator. If the owner’s appeal results in a UPCS score of 60 or above, the Secretary may withdraw the Notice of Default.

(2) At the end of the time period for correcting all deficiencies specified in the Notice of Default, if the owner fails to fully correct such deficiencies, the Secretary may—

(A) require immediate replacement of project management with a management agent approved by the Secretary;

(C) abate the section 8 contract, including partial abatement, as determined by the Secretary, until all deficiencies have been corrected;

(D) pursue transfer of the project to an owner, approved by the Secretary under established procedures, which will be obligated to promptly make all required repairs and to accept renewal of the assistance contract as long as such renewal is offered;

(E) transfer the existing section 8 contract to another project or projects and owner or owners;

(F) pursue exclusionary sanctions, including suspensions or debarments from Federal programs;

(G) seek judicial appointment of a receiver to manage the property and cure all project deficiencies or seek a judicial order of specific performance requiring the owner to cure all project deficiencies;

(H) work with the owner, lender, or other related party to stabilize the property in an attempt to preserve the property through compliance, transfer of ownership, or an infusion of capital provided by a third-party that requires time to effectuate; or

(I) take any other regulatory or contractual remedies available as deemed necessary and appropriate by the Secretary.
(d) The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect, subject to the exercise of contractual abatement remedies to assist relocation of tenants for major threats to health and safety after written notice to the affected tenants. To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (“MAHRAA”); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance.
