## A BILL

To authorize the minting of a coin in honor of the 75th anniversary of the end of World War II, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

### 3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “75th Anniversary of  
5 the End of World War II Commemorative Coin Act”.

### 6 **SEC. 2. FINDINGS.**

7 Congress finds that—

1           (1) the United States entered World War II as  
2           a result of the surprise Japanese attack against our  
3           fleet at Pearl Harbor, Hawaii, on December 7,  
4           1941, which killed 2,403 people of the United  
5           States;

6           (2) the United States joined the wartime Allied  
7           cause against the militarist, fascist, and racist dicta-  
8           torships of Germany, Japan, and Italy (the Axis),  
9           fighting for President Franklin D. Roosevelt’s “Four  
10          Freedoms” (freedom of speech, of worship, from  
11          want, and from fear);

12          (3) the United States placed no more than  
13          16,000,000 of its citizens into uniform in the course  
14          of the struggle, enduring a string of early defeats,  
15          recovering to conduct a total war on land, sea, and  
16          air, and eventually establishing total dominance over  
17          its enemies;

18          (4) the war took the lives of 405,399 United  
19          States military personnel, fellow citizens who made  
20          the supreme sacrifice in a perilous moment in the  
21          history of the United States, giving their lives for  
22          the cause of democracy and peace;

23          (5) the conflict led to a comprehensive trans-  
24          formation of the home front from a civilian economy  
25          dedicated to peacetime production into the mightiest

1 engine of military might in human history (labeled  
2 the “Arsenal of Democracy”), demanding the par-  
3 ticipation of the entire citizenry and thus leading to  
4 increased opportunities for racial minorities and  
5 women;

6 (6) the war ended on September 2, 1945, after  
7 the unconditional surrender of Nazi Germany, Fas-  
8 cist Italy, and Imperial Japan, and a total victory  
9 for the United States and the Allies;

10 (7) Allied victory in World War II transformed  
11 the United States into the leader of the “free  
12 world,” a community of countries dedicated to demo-  
13 cratic principles and to resisting all forms of tyr-  
14 anny, including authoritarian, militarist, or com-  
15 munist, and an international order founded on open  
16 societies, liberal economies, and the peaceful resolu-  
17 tion of disputes;

18 (8) participation in the wartime struggle  
19 emboldened women, African Americans and other  
20 previously marginalized groups to seek equal rights,  
21 encouraged the growth of the civil rights movement,  
22 and thus contributed to the development of “a more  
23 perfect union,” guaranteeing freedom, justice, and  
24 equality for all;

1           (9) the generation of United States citizens who  
2       fought World War II is passing away with the  
3       march of time, and that therefore the urgent need  
4       to give honor to those who served is all the more  
5       critical; and

6           (10) the period from May 8, 2020, to Sep-  
7       tember 2, 2020, will mark the 75th anniversary of  
8       the end of the involvement of the United States in  
9       World War II and the surrender of Nazi Germany  
10      and Imperial Japan, respectively.
