18 addition to other applicable considerations, the following:

19 “(1) The legal authority under which a rule  
20 may be proposed, including whether a rule making  
21 is required by statute, and if so, whether by a spe-  
22 cific date, or whether the agency has discretion to  
23 commence a rule making.

1           “(2) Other statutory considerations applicable  
2           to whether the agency can or should propose a rule  
3           or undertake other agency action.

7           and the priority of addressing those risks compared  
8           to other matters or activities within the agency’s ju-  
9           risdiction), whether the problem warrants new agen-  
10          cy action, and the countervailing risks that may be  
11          posed by alternatives for new agency action.

12          “(4) Whether existing rules have created or  
13          contributed to the problem the agency may address  
14          with a rule and whether those rules could be amend-  
15          ed or rescinded to address the problem in whole or  
16          part.

17          “(5) Any reasonable alternatives for a new rule  
18          or other response identified by the agency or inter-

16           law—

17                   “(A) the potential costs and benefits asso-

6           entities, and the public), and flexibility.

7           “(c) ADVANCE NOTICE OF PROPOSED RULE MAKING  
8           FOR MAJOR RULES, HIGH-IMPACT RULES, NEGATIVE-IM-  
9           PACT ON JOBS AND WAGES RULES, AND RULES INVOLV-

12          sons to adopt the novel legal or policy position  
13          upon which the agency may base a proposed

17          progress toward that objective;

18          “(2) solicit written data, views or argument  
19          from interested persons concerning the information

24 subsection (c) and determines thereafter not to propose  
25 a rule, the agency shall, following consultation with the

1 Office of Information and Regulatory Affairs, publish a  
2 notice of determination of other agency course. A notice  
3 of determination of other agency course shall include in-

6 alternative response the agency determined to adopt.

7 “(B) If in its determination of other agency course  
8 the agency makes a determination to amend or rescind

11 tice of proposed rule making to amend or rescind the exist-  
12 ing rule.

13 All information provided to or considered by the agency,  
14 and steps to obtain information by the agency, in connec-  
15 tion with its determination of other agency course, includ-

17 regulatory impact analysis prepared by the agency and all  
18 other information that would be required to be prepared  
19 or described by the agency under paragraph (1)(D) if the

23 Affairs, information provided by that Office in consulta-  
24 tions with the agency, shall be placed in the docket for  
25 the determination and made accessible to the public by

1 electronic means and otherwise for the public’s use when

3 “(3) After notice of proposed rule making required  
4 by this section, the agency shall provide interested persons  
5 an opportunity to participate in the rule making through  
6 submission of written data, views, or arguments with or

8 “(A) if a hearing is required under paragraph  
9 (4)(B) or subsection (e), opportunity for oral presen-  
10 tation shall be provided pursuant to that require-  
11 ment; or

12 “(B) when other than under subsection (e) of  
13 this section rules are required by statute or at the  
14 discretion of the agency to be made on the record  
15 after opportunity for an agency hearing, sections  
16 556 and 557 shall apply, and paragraph (4), the re-

20 apply.

21 The agency shall provide not fewer than 60 days for inter-  
22 ested persons to submit written data, views, or argument  
23 (or 120 days in the case of a proposed major or high-  
24 impact rule).

1       “(4)(A) Within 30 days of publication of notice of  
2 proposed rule making, a member of the public may peti-  
3 tion for a hearing in accordance with section 556 to deter-  
4 mine whether any evidence or other information upon  
5 which the agency bases the proposed rule fails to comply  
6 with the Information Quality Act.

7       “(B)(i) The agency may, upon review of the petition,  
8 determine without further process to exclude from the rule  
9 making the evidence or other information that is the sub-  
10 ject of the petition and, if appropriate, withdraw the pro-  
11 posed rule. The agency shall promptly publish any such  
12 determination.

13       “(ii) If the agency does not resolve the petition under  
14 the procedures of clause (i), it shall grant any such peti-  
15 tion that presents a prima facie case that evidence or other  
16 information upon which the agency bases the proposed  
17 rule fails to comply with the Information Quality Act, hold  
18 the requested hearing not later than 30 days after receipt  
19 of the petition, provide a reasonable opportunity for cross-  
20 examination at the hearing, and decide the issues pre-  
21 sented by the petition not later than 60 days after receipt  
22 of the petition. The agency may deny any petition that  
23 it determines does not present such a prima facie case.

24       “(C) There shall be no judicial review of the agency’s  
25 disposition of issues considered and decided or determined

1 under subparagraph (B)(ii) until judicial review of the  
2 agency's final action. There shall be no judicial review of  
3 an agency's determination to withdraw a proposed rule  
4 under subparagraph (B)(i) on the basis of the petition.

5       “(D) Failure to petition for a hearing under this  
6 paragraph shall not preclude judicial review of any claim  
7 based on the Information Quality Act under chapter 7 of  
8 this title.

9       “(e) HEARINGS FOR HIGH-IMPACT RULES.—Fol-  
10 lowing notice of a proposed rule making, receipt of com-  
11 ments on the proposed rule, and any hearing held under  
12 subsection (d)(4), and before adoption of any high-impact  
13 rule, the agency shall hold a hearing in accordance with  
14 sections 556 and 557, unless such hearing is waived by  
15 all participants in the rule making other than the agency.  
16 The agency shall provide a reasonable opportunity for  
17 cross-examination at such hearing. The hearing shall be  
18 limited to the following issues of fact, except that partici-  
19 pants at the hearing other than the agency may waive de-  
20 termination of any such issue:

21               “(1) Whether the agency's asserted factual  
22 predicate for the rule is supported by the evidence.

23               “(2) Whether there is an alternative to the pro-  
24 posed rule that would achieve the relevant statutory  
25 objectives at a lower cost (including all costs to be

1 considered under subsection (b)(6)) than the pro-  
2 posed rule.

3 “(3) If there is more than one alternative to the  
4 proposed rule that would achieve the relevant statu-  
5 tory objectives at a lower cost than the proposed  
6 rule, which alternative would achieve the relevant  
7 statutory objectives at the lowest cost.

8 “(4) Whether, if the agency proposes to adopt  
9 a rule that is more costly than the least costly alter-  
10 native that would achieve the relevant statutory ob-  
11 jectives (including all costs to be considered under  
12 subsection (b)(6)), the additional benefits of the  
13 more costly rule exceed the additional costs of the  
14 more costly rule.

15 “(5) Whether the evidence and other informa-  
16 tion upon which the agency bases the proposed rule  
17 meets the requirements of the Information Quality  
18 Act.

19 “(6) Upon petition by an interested person who  
20 has participated in the rule making, other issues rel-  
21 evant to the rule making, unless the agency deter-  
22 mines that consideration of the issues at the hearing  
23 would not advance consideration of the rule or  
24 would, in light of the nature of the need for agency  
25 action, unreasonably delay completion of the rule

1 making. An agency shall grant or deny a petition  
2 under this paragraph within 30 days of its receipt  
3 of the petition.

4 No later than 45 days before any hearing held under this  
5 subsection or sections 556 and 557, the agency shall pub-  
6 lish in the Federal Register a notice specifying the pro-  
7 posed rule to be considered at such hearing, the issues  
8 to be considered at the hearing, and the time and place  
9 for such hearing, except that such notice may be issued  
10 not later than 15 days before a hearing held under sub-  
11 section (d)(4)(B).

12 “(f) FINAL RULES.—(1) The agency shall adopt a  
13 rule only following consultation with the Administrator of  
14 the Office of Information and Regulatory Affairs to facili-  
15 tate compliance with applicable rule making requirements.

16 “(2) The agency shall adopt a rule only on the basis  
17 of the best reasonably obtainable scientific, technical, eco-  
18 nomic, and other evidence and information concerning the  
19 need for, consequences of, and alternatives to the rule.

20 “(3)(A) Except as provided in subparagraph (B), the  
21 agency shall adopt the least costly rule considered during  
22 the rule making (including all costs to be considered under  
23 subsection (b)(6)) that meets relevant statutory objectives.

24 “(B) The agency may adopt a rule that is more costly  
25 than the least costly alternative that would achieve the rel-

1 evant statutory objectives only if the additional benefits  
2 of the more costly rule justify its additional costs and only  
3 if the agency explains its reason for doing so based on  
4 interests of public health, safety or welfare that are clearly  
5 within the scope of the statutory provision authorizing the  
6 rule.

7 “(4) When it adopts a final rule, the agency shall  
8 publish a notice of final rule making. The notice shall in-  
9 clude—

10 “(A) a concise, general statement of the rule’s  
11 basis and purpose;

12 “(B) the agency’s reasoned final determination  
13 of need for a rule to address the problem the agency  
14 seeks to address with the rule, including a statement  
15 of whether a rule is required by statute and a sum-  
16 mary of any final risk assessment or regulatory im-  
17 pact analysis prepared by the agency;

18 “(C) the agency’s reasoned final determination  
19 that the benefits of the rule meet the relevant statu-  
20 tory objectives and justify the rule’s costs (including  
21 all costs to be considered under subsection (b)(6));

22 “(D) the agency’s reasoned final determination  
23 not to adopt any of the alternatives to the proposed  
24 rule considered by the agency during the rule mak-  
25 ing, including—

1           “(i) the agency’s reasoned final determina-  
2           tion that no alternative considered achieved the  
3           relevant statutory objectives with lower costs  
4           (including all costs to be considered under sub-  
5           section (b)(6)) than the rule; or

6           “(ii) the agency’s reasoned determination  
7           that its adoption of a more costly rule complies  
8           with subsection (f)(3)(B);

9           “(E) the agency’s reasoned final determina-  
10          tion—

11           “(i) that existing rules have not created or  
12           contributed to the problem the agency seeks to  
13           address with the rule; or

14           “(ii) that existing rules have created or  
15           contributed to the problem the agency seeks to  
16           address with the rule, and, if so—

17           “(I) why amendment or rescission of  
18           such existing rules is not alone sufficient  
19           to respond to the problem; and

20           “(II) whether and how the agency in-  
21           tends to amend or rescind the existing rule  
22           separate from adoption of the rule;

23           “(F) the agency’s reasoned final determination  
24          that the evidence and other information upon which

1 the agency bases the rule complies with the Informa-  
2 tion Quality Act;

3 “(G) the agency’s reasoned final determination  
4 that the rule meets the objectives that the agency  
5 identified in subsection (d)(1)(E)(iii) or that other  
6 objectives are more appropriate in light of the full  
7 administrative record and the rule meets those ob-  
8 jectives;

9 “(H) the agency’s reasoned final determination  
10 that it did not deviate from the metrics the agency  
11 included in subsection (d)(1)(E)(iii) or that other  
12 metrics are more appropriate in light of the full ad-  
13 ministrative record and the agency did not deviate  
14 from those metrics;

15 “(I)(i) for any major rule, high-impact rule, or  
16 negative-impact on jobs and wages rule, the agency’s  
17 plan for review of the rule no less than every ten  
18 years to determine whether, based upon evidence,  
19 there remains a need for the rule, whether the rule  
20 is in fact achieving statutory objectives, whether the  
21 rule’s benefits continue to justify its costs, and  
22 whether the rule can be modified or rescinded to re-  
23 duce costs while continuing to achieve statutory ob-  
24 jectives; and

1           “(ii) review of a rule under a plan required by  
2           clause (i) of this subparagraph shall take into ac-  
3           count the factors and criteria set forth in sub-  
4           sections (b) through (f) of section 553 of this title;  
5           and

6           “(J) for any negative-impact on jobs and wages  
7           rule, a statement that the head of the agency that  
8           made the rule approved the rule knowing about the  
9           findings and determination of the agency or the Ad-  
10          ministrator of the Office of Information and Regu-  
11          latory Affairs that qualified the rule as a negative  
12          impact on jobs and wages rule.

13 All information considered by the agency in connection  
14 with its adoption of the rule, and, at the discretion of the  
15 President or the Administrator of the Office of Informa-  
16 tion and Regulatory Affairs, information provided by that  
17 Office in consultations with the agency, shall be placed  
18 in the docket for the rule and made accessible to the public  
19 for the public’s use no later than when the rule is adopted.

20           “(g) EXCEPTIONS FROM NOTICE AND HEARING RE-  
21 QUIREMENTS.—(1) Except when notice or hearing is re-  
22 quired by statute, the following do not apply to interpre-  
23 tive rules, general statements of policy, or rules of agency  
24 organization, procedure, or practice:

25           “(A) Subsections (c) through (e).

1           “(B) Paragraphs (1) through (3) of subsection  
2           (f).

3           “(C) Subparagraphs (B) through (H) of sub-  
4           section (f)(4).

5           “(2)(A) When the agency for good cause, based upon  
6           evidence, finds (and incorporates the finding and a brief  
7           statement of reasons therefor in the rules issued) that  
8           compliance with subsection (c), (d), or (e) or requirements  
9           to render final determinations under subsection (f) of this  
10          section before the issuance of an interim rule is impracti-  
11          cable or contrary to the public interest, including interests  
12          of national security, such subsections or requirements to  
13          render final determinations shall not apply to the agency’s  
14          adoption of an interim rule.

15          “(B) If, following compliance with subparagraph (A)  
16          of this paragraph, the agency adopts an interim rule, it  
17          shall commence proceedings that comply fully with sub-  
18          sections (d) through (f) of this section immediately upon  
19          publication of the interim rule, shall treat the publication  
20          of the interim rule as publication of a notice of proposed  
21          rule making and shall not be required to issue supple-  
22          mental notice other than to complete full compliance with  
23          subsection (d). No less than 270 days from publication  
24          of the interim rule (or 18 months in the case of a major  
25          rule or high-impact rule), the agency shall complete rule

1 making under subsections (d) through (f) of this sub-  
2 section and take final action to adopt a final rule or re-  
3 scind the interim rule. If the agency fails to take timely  
4 final action, the interim rule will cease to have the effect  
5 of law.

6 “(C) Other than in cases involving interests of na-  
7 tional security, upon the agency’s publication of an interim  
8 rule without compliance with subsection (c), (d), or (e) or  
9 requirements to render final determinations under sub-  
10 section (f) of this section, an interested party may seek  
11 immediate judicial review under chapter 7 of this title of  
12 the agency’s determination to adopt such interim rule. The  
13 record on such review shall include all documents and in-  
14 formation considered by the agency and any additional in-  
15 formation presented by a party that the court determines  
16 necessary to consider to assure justice.

17 “(3) When the agency for good cause finds (and in-  
18 corporates the finding and a brief statement of reasons  
19 therefor in the rules issued) that notice and public proce-  
20 dure thereon are unnecessary, including because agency  
21 rule making is undertaken only to correct a de minimis  
22 technical or clerical error in a previously issued rule or  
23 for other noncontroversial purposes, the agency may pub-  
24 lish a rule without compliance with subsection (c), (d), (e),  
25 or (f)(1)–(3) and (f)(4)(B)–(F). If the agency receives sig-

1 nificant adverse comment within 60 days after publication  
2 of the rule, it shall treat the notice of the rule as a notice  
3 of proposed rule making and complete rule making in com-  
4 pliance with subsections (d) and (f).

5 “(h) ADDITIONAL REQUIREMENTS FOR HEARINGS.—  
6 When a hearing is required under subsection (e) or is oth-  
7 erwise required by statute or at the agency’s discretion  
8 before adoption of a rule, the agency shall comply with  
9 the requirements of sections 556 and 557 in addition to  
10 the requirements of subsection (f) in adopting the rule and  
11 in providing notice of the rule’s adoption.

12 “(i) DATE OF PUBLICATION OF RULE.—The required  
13 publication or service of a substantive final or interim rule  
14 shall be made not less than 30 days before the effective  
15 date of the rule, except—

16 “(1) a substantive rule which grants or recog-  
17 nizes an exemption or relieves a restriction;

18 “(2) interpretive rules and statements of policy;

19 or

20 “(3) as otherwise provided by the agency for  
21 good cause found and published with the rule.

22 “(j) RIGHT TO PETITION.—Each agency shall give  
23 an interested person the right to petition for the issuance,  
24 amendment, or repeal of a rule.

1           “(k) RULE MAKING GUIDELINES.—(1)(A) The Ad-  
2 ministrator of the Office of Information and Regulatory  
3 Affairs shall establish guidelines for the assessment, in-  
4 cluding quantitative and qualitative assessment, of the  
5 costs and benefits of proposed and final rules and other  
6 economic issues or issues related to risk that are relevant  
7 to rule making under this title. The rigor of cost-benefit  
8 analysis required by such guidelines shall be commensu-  
9 rate, in the Administrator’s determination, with the eco-  
10 nomic impact of the rule.

11           “(B) To ensure that agencies use the best available  
12 techniques to quantify and evaluate anticipated present  
13 and future benefits, costs, other economic issues, and risks  
14 as accurately as possible, the Administrator of the Office  
15 of Information and Regulatory Affairs shall regularly up-  
16 date guidelines established under paragraph (1)(A) of this  
17 subsection.

18           “(2) The Administrator of the Office of Information  
19 and Regulatory Affairs shall also issue guidelines to pro-  
20 mote coordination, simplification and harmonization of  
21 agency rules during the rule making process and other-  
22 wise. Such guidelines shall assure that each agency avoids  
23 regulations that are inconsistent or incompatible with, or  
24 duplicative of, its other regulations and those of other  
25 Federal agencies and drafts its regulations to be simple

1 and easy to understand, with the goal of minimizing the  
2 potential for uncertainty and litigation arising from such  
3 uncertainty.

4 “(3) To ensure consistency in Federal rule making,  
5 the Administrator of the Office of Information and Regu-  
6 latory Affairs shall—

7 “(A) issue guidelines and otherwise take action  
8 to ensure that rule makings conducted in whole or  
9 in part under procedures specified in provisions of  
10 law other than those of subchapter II of this title  
11 conform to the fullest extent allowed by law with the  
12 procedures set forth in section 553 of this title; and

13 “(B) issue guidelines for the conduct of hear-  
14 ings under subsections 553(d)(4) and 553(e) of this  
15 section, including to assure a reasonable opportunity  
16 for cross-examination. Each agency shall adopt regu-  
17 lations for the conduct of hearings consistent with  
18 the guidelines issued under this subparagraph.

19 “(4) The Administrator of the Office of Information  
20 and Regulatory Affairs shall issue guidelines pursuant to  
21 the Information Quality Act to apply in rule making pro-  
22 ceedings under sections 553, 556, and 557 of this title.  
23 In all cases, such guidelines, and the Administrator’s spe-  
24 cific determinations regarding agency compliance with  
25 such guidelines, shall be entitled to judicial deference.

1           “(l) INCLUSION IN THE RECORD OF CERTAIN DOCU-  
2 MENTS AND INFORMATION.—The agency shall include in  
3 the record for a rule making, and shall make available by  
4 electronic means and otherwise, all documents and infor-  
5 mation prepared or considered by the agency during the  
6 proceeding, including, at the discretion of the President  
7 or the Administrator of the Office of Information and Reg-  
8 ulatory Affairs, documents and information communicated  
9 by that Office during consultation with the Agency.

10           “(m) MONETARY POLICY EXEMPTION.—Nothing in  
11 subsection (b)(6), subparagraphs (F) and (G) of sub-  
12 section (d)(1), subsection (e), subsection (f)(3), and sub-  
13 paragraphs (C) and (D) of subsection (f)(5) shall apply  
14 to rule makings that concern monetary policy proposed or  
15 implemented by the Board of Governors of the Federal  
16 Reserve System or the Federal Open Market Committee.”.

17 **SEC. 104. AGENCY GUIDANCE; PROCEDURES TO ISSUE**  
18                           **MAJOR GUIDANCE; PRESIDENTIAL AUTHOR-**  
19                           **ITY TO ISSUE GUIDELINES FOR ISSUANCE OF**  
20                           **GUIDANCE.**

21           (a) IN GENERAL.—Chapter 5 of title 5, United  
22 States Code, is amended by inserting after section 553 the  
23 following new section:

1 **“§ 553a. Agency guidance; procedures to issue major**  
2 **guidance; authority to issue guidelines**  
3 **for issuance of guidance**

4 “(a) Before issuing any major guidance, or guidance  
5 that involves a novel legal or policy issue arising out of  
6 statutory mandates, an agency shall—

7 “(1) make and document a reasoned determina-  
8 tion that—

9 “(A) assures that such guidance is under-  
10 standable and complies with relevant statutory  
11 objectives and regulatory provisions (including  
12 any statutory deadlines for agency action);

13 “(B) summarizes the evidence and data on  
14 which the agency will base the guidance;

15 “(C) identifies the costs and benefits (in-  
16 cluding all costs to be considered during a rule  
17 making under section 553(b) of this title) of  
18 conduct conforming to such guidance and  
19 assures that such benefits justify such costs;  
20 and

21 “(D) describes alternatives to such guid-  
22 ance and their costs and benefits (including all  
23 costs to be considered during a rule making  
24 under section 553(b) of this title) and explains  
25 why the agency rejected those alternatives; and

1           “(2) confer with the Administrator of the Office  
2 of Information and Regulatory Affairs on the  
3 issuance of such guidance to assure that the guid-  
4 ance is reasonable, understandable, consistent with  
5 relevant statutory and regulatory provisions and re-  
6 quirements or practices of other agencies, does not  
7 produce costs that are unjustified by the guidance’s  
8 benefits, and is otherwise appropriate.

9 Upon issuing major guidance, or guidance that involves  
10 a novel legal or policy issue arising out of statutory man-  
11 dates, the agency shall publish the documentation required  
12 by subparagraph (1) by electronic means and otherwise.

13           “(b) Agency guidance—

14           “(1) is not legally binding and may not be re-  
15 lied upon by an agency as legal grounds for agency  
16 action;

17           “(2) shall state in a plain, prominent and per-  
18 manent manner that it is not legally binding; and

19           “(3) shall, at the time it is issued or upon re-  
20 quest, be made available by the issuing agency to in-  
21 terested persons and the public by electronic means  
22 and otherwise.

23 Agencies shall avoid the issuance of guidance that is in-  
24 consistent or incompatible with, or duplicative of, the  
25 agency’s governing statutes or regulations, with the goal

1 of minimizing the potential for uncertainty and litigation  
2 arising from such uncertainty.

3 “(c) The Administrator of the Office of Information  
4 and Regulatory Affairs shall have authority to issue guide-  
5 lines for use by the agencies in the issuance of major guid-  
6 ance and other guidance. Such guidelines shall assure that  
7 each agency avoids issuing guidance documents that are  
8 inconsistent or incompatible with, or duplicative of, the  
9 law, its other regulations, or the regulations of other Fed-  
10 eral agencies and drafts its guidance documents to be sim-  
11 ple and easy to understand, with the goal of minimizing  
12 the potential for uncertainty and litigation arising from  
13 such uncertainty.”.

14 (b) CLERICAL AMENDMENT.—The table of sections  
15 for chapter 5 of title 5, United States Code, is amended  
16 by inserting after the item relating to section 553 the fol-  
17 lowing new item:

“553a. Agency guidance; procedures to issue major guidance; authority to issue  
guidelines for issuance of guidance.”.

18 **SEC. 105. HEARINGS; PRESIDING EMPLOYEES; POWERS AND**  
19 **DUTIES; BURDEN OF PROOF; EVIDENCE;**  
20 **RECORD AS BASIS OF DECISION.**

21 Section 556 of title 5, United States Code, is amend-  
22 ed by striking subsection (e) and inserting the following:

23 “(e)(1) The transcript of testimony and exhibits, to-  
24 gether with all papers and requests filed in the proceeding,

1 constitutes the exclusive record for decision in accordance  
2 with section 557 and shall be made available to the parties  
3 and the public by electronic means and, upon payment of  
4 lawfully prescribed costs, otherwise. When an agency deci-  
5 sion rests on official notice of a material fact not appear-  
6 ing in the evidence in the record, a party is entitled, on  
7 timely request, to an opportunity to show the contrary.

8       “(2) Notwithstanding paragraph (1) of this sub-  
9 section, in a proceeding held under this section pursuant  
10 to section 553(d)(4) or 553(e), the record for decision  
11 shall also include any information that is part of the  
12 record of proceedings under section 553.

13       “(f) When an agency conducts rule making under this  
14 section and section 557 directly after concluding pro-  
15 ceedings upon an advance notice of proposed rule making  
16 under section 553(c), the matters to be considered and  
17 determinations to be made shall include, among other rel-  
18 evant matters and determinations, the matters and deter-  
19 minations described in subsections (b) and (f) of section  
20 553.

21       “(g) Upon receipt of a petition for a hearing under  
22 this section, the agency shall grant the petition in the case  
23 of any major rule, unless the agency reasonably deter-  
24 mines that a hearing would not advance consideration of  
25 the rule or would, in light of the need for agency action,

1 unreasonably delay completion of the rule making. The  
2 agency shall publish its decision to grant or deny the peti-  
3 tion when it renders the decision, including an explanation  
4 of the grounds for decision. The information contained in  
5 the petition shall in all cases be included in the adminis-  
6 trative record. This subsection shall not apply to rule mak-  
7 ings that concern monetary policy proposed or imple-  
8 mented by the Board of Governors of the Federal Reserve  
9 System or the Federal Open Market Committee.”.

10 **SEC. 106. ACTIONS REVIEWABLE.**

11 Section 704 of title 5, United States Code, is amend-  
12 ed—

13 (1) by striking “Agency action made” and in-  
14 serting “(a) Agency action made”; and

15 (2) by adding at the end the following: “Denial  
16 by an agency of a correction request or, where ad-  
17 ministrative appeal is provided for, denial of an ap-  
18 peal, under an administrative mechanism described  
19 in subsection (b)(2)(B) of the Information Quality  
20 Act, or the failure of an agency within 90 days to  
21 grant or deny such request or appeal, shall be final  
22 action for purposes of this section.

23 “(b) Other than in cases involving interests of na-  
24 tional security, notwithstanding subsection (a) of this sec-  
25 tion, upon the agency’s publication of an interim rule with-

1 out compliance with section 553(c), (d), or (e) or require-  
2 ments to render final determinations under subsection (f)  
3 of section 553, an interested party may seek immediate  
4 judicial review under this chapter of the agency's deter-  
5 mination to adopt such rule on an interim basis. Review  
6 shall be limited to whether the agency abused its discre-  
7 tion to adopt the interim rule without compliance with sec-  
8 tion 553(c), (d), or (e) or without rendering final deter-  
9 minations under subsection (f) of section 553.”.

10 **SEC. 107. SCOPE OF REVIEW.**

11 Section 706 of title 5, United States Code is amend-  
12 ed—

19 (3) by adding at the end the following:

20 “(c) The court shall not defer to the agency’s—

21 “(1) determination of the costs and benefits or  
22 other economic or risk assessment of the action, if  
23 the agency failed to conform to guidelines on such  
24 determinations and assessments established by the

1 Administrator of the Office of Information and Reg-  
2 ulatory Affairs under section 553(k);

3 “(2) determinations made in the adoption of an  
4 interim rule; or

5 “(3) guidance.

6 “(d) The court shall review agency denials of peti-  
7 tions under section 553(e)(6) or any other petition for a  
8 hearing under sections 556 and 557 for abuse of agency  
9 discretion.”.

10 **SEC. 108. ADDED DEFINITION.**

11 Section 701(b) of title 5, United States Code, is  
12 amended—

13 (1) in paragraph (1), by striking “and” at the  
14 end;

15 (2) in paragraph (2), by striking the period at  
16 the end, and inserting “; and”; and

17 (3) by adding at the end the following:

18 “(3) ‘substantial evidence’ means such relevant  
19 evidence as a reasonable mind might accept as ade-  
20 quate to support a conclusion in light of the record  
21 considered as a whole, taking into account whatever  
22 in the record fairly detracts from the weight of the  
23 evidence relied upon by the agency to support its de-  
24 cision.”.

1 **SEC. 109. EFFECTIVE DATE.**

2 The amendments made by this title to—

3 (1) sections 553, 556, and 704 of title 5,  
4 United States Code;

5 (2) subsection (b) of section 701 of such title;

6 (3) paragraphs (1) and (2) of section 706(c) of  
7 such title; and

8 (4) subsection (d) of section 706 of such title,

11 **SEC. 307. PERIODIC REVIEW OF RULES.**

12 Section 610 of title 5, United States Code, is amend-  
13 ed to read as follows:

14 **“§ 610. Periodic review of rules**

15 “(a) Not later than 180 days after the enactment of  
16 this section, each agency shall publish in the Federal Reg-  
17 ister and place on its website a plan for the periodic review  
18 of rules issued by the agency which the head of the agency  
19 determines have a significant economic impact on a sub-  
20 stantial number of small entities. Such determination shall  
21 be made without regard to whether the agency performed  
22 an analysis under section 604. The purpose of the review  
23 shall be to determine whether such rules should be contin-  
24 ued without change, or should be amended or rescinded,  
25 consistent with the stated objectives of applicable statutes,

1 to minimize any adverse significant economic impacts or  
2 maximize any beneficial significant economic impacts on  
3 a substantial number of small entities. Such plan may be  
4 amended by the agency at any time by publishing the revi-  
5 sion in the Federal Register and subsequently placing the  
6 amended plan on the agency’s website.

7 “(b) The plan shall provide for the review of all such  
8 agency rules existing on the date of the enactment of this  
9 section within 10 years of the date of publication of the  
10 plan in the Federal Register and for review of rules adopt-  
11 ed after the date of enactment of this section within 10  
12 years after the publication of the final rule in the Federal  
13 Register. If the head of the agency determines that com-  
14 pletion of the review of existing rules is not feasible by  
15 the established date, the head of the agency shall so certify  
16 in a statement published in the Federal Register and may  
17 extend the review for not longer than 2 years after publi-  
18 cation of notice of extension in the Federal Register. Such  
19 certification and notice shall be sent to the Chief Counsel  
20 for Advocacy of the Small Business Administration and  
21 the Congress.

22 “(c) The plan shall include a section that details how  
23 an agency will conduct outreach to and meaningfully in-  
24 clude small businesses (including small business concerns  
25 owned and controlled by women, small business concerns

1 owned and controlled by veterans, and small business con-  
2 cerns owned and controlled by socially and economically  
3 disadvantaged individuals (as such terms are defined in  
4 the Small Business Act)) for the purposes of carrying out  
5 this section. The agency shall include in this section a plan  
6 for how the agency will contact small businesses and gath-  
7 er their input on existing agency rules.

8       “(d) Each agency shall annually submit a report re-  
9 garding the results of its review pursuant to such plan  
10 to the Congress, the Chief Counsel for Advocacy of the  
11 Small Business Administration, and, in the case of agen-  
12 cies other than independent regulatory agencies (as de-  
13 fined in section 3502(5) of title 44) to the Administrator  
14 of the Office of Information and Regulatory Affairs of the  
15 Office of Management and Budget. Such report shall in-  
16 clude the identification of any rule with respect to which  
17 the head of the agency made a determination described  
18 in paragraph (5) or (6) of subsection (e) and a detailed  
19 explanation of the reasons for such determination.

20       “(e) In reviewing a rule pursuant to subsections (a)  
21 through (d), the agency shall amend or rescind the rule  
22 to minimize any adverse significant economic impact on  
23 a substantial number of small entities or disproportionate  
24 economic impact on a specific class of small entities, or  
25 maximize any beneficial significant economic impact of the

1 rule on a substantial number of small entities to the great-  
2 est extent possible, consistent with the stated objectives  
3 of applicable statutes. In amending or rescinding the rule,  
4 the agency shall consider the following factors:

5           “(1) The continued need for the rule.

6           “(2) The nature of complaints received by the  
7 agency from small entities concerning the rule.

8           “(3) Comments by the Regulatory Enforcement  
9 Ombudsman and the Chief Counsel for Advocacy of  
10 the Small Business Administration.

11           “(4) The complexity of the rule.

12           “(5) The extent to which the rule overlaps, du-  
13 plicates, or conflicts with other Federal rules and,  
14 unless the head of the agency determines it to be in-  
15 feasible, State, territorial, and local rules.

16           “(6) The contribution of the rule to the cumu-  
17 lative economic impact of all Federal rules on the  
18 class of small entities affected by the rule, unless the  
19 head of the agency determines that such calculations  
20 cannot be made and reports that determination in  
21 the annual report required under subsection (d).

22           “(7) The length of time since the rule has been  
23 evaluated or the degree to which technology, eco-  
24 nomic conditions, or other factors have changed in  
25 the area affected by the rule.

1       “(f) Each year, each agency shall publish in the Fed-  
2 eral Register and on its website a list of rules to be re-  
3 viewed pursuant to such plan. The agency shall include  
4 in the publication a solicitation of public comments on any  
5 further inclusions or exclusions of rules from the list, and  
6 shall respond to such comments. Such publication shall  
7 include a brief description of the rule, the reason why the  
8 agency determined that it has a significant economic im-  
9 pact on a substantial number of small entities (without  
10 regard to whether it had prepared a final regulatory flexi-  
11 bility analysis for the rule), and request comments from  
12 the public, the Chief Counsel for Advocacy of the Small  
13 Business Administration, and the Regulatory Enforce-  
14 ment Ombudsman concerning the enforcement of the  
15 rule.”.
