23 ation, facilitation, and promotion of local elements of the  
24 network (referred to in this Act as “Ashanti Alert plans”),

12 network may be affected by overuse, including  
13 criteria to determine—

18 minimum standards shall, to the maximum extent  
19 practicable (as determined by the Coordinator in  
20 consultation with State and local law enforcement  
21 agencies), provide that appropriate information re-
