115TH CONGRESS  
2D SESSION  
H. R. 5356  

To establish the National Security Commission on Artificial Intelligence.

IN THE HOUSE OF REPRESENTATIVES  
MARCH 20, 2018

Ms. STEFANIK introduced the following bill; which was referred to the Committee on Armed Services, and in addition to the Committees on Education and the Workforce, Foreign Affairs, Science, Space, and Technology, and Energy and Commerce, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL  
To establish the National Security Commission on Artificial Intelligence.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “National Security Commission Artificial Intelligence Act of 2018”.

SEC. 2. NATIONAL SECURITY COMMISSION ON ARTIFICIAL INTELLIGENCE.

(a) Establishment.—There is established in the executive branch an independent commission to be known
as the National Security Commission on Artificial Intelligence (in this subtitle referred to as the “Commission”).

The Commission shall be considered an independent establishment of the Federal Government as defined by section 104 of title 5, United States Code, and a temporary organization under section 3161 of such title.

(b) Responsibilities.—

(1) IN GENERAL.—The Commission shall carry out a review of the advances in artificial intelligence, related machine learning developments, and associated technologies. In carrying out such review, the Commission shall consider the methods and means necessary to advance the development of artificial intelligence, machine learning, and associated technologies by the United States to comprehensively address the national security needs of the Nation, including economic risk, and any other needs of the Department of Defense or the common defense of the Nation.

(2) Scope of the Review.—In conducting the review under paragraph (1)(A), the Commission shall consider—

(A) the competitiveness of the United States in artificial intelligence, machine learning, and other associated technologies, including
matters related to national security, economic security, public-private partnerships, and investments;

(B) means and methods for the United States to maintain a technological advantage in artificial intelligence, machine learning, and other associated technologies, including quantum computing and high performance computing;

(C) developments and trends in international cooperation and competitiveness, including foreign investments in artificial intelligence, machine learning, and computer science fields;

(D) means by which to foster greater emphasis and investments in basic and advanced research to stimulate private, public, academic and combined initiatives in artificial intelligence, machine learning, and other associated technologies, including quantum computing and high performance computing;

(E) workforce and education incentives to attract and recruit leading talent in artificial intelligence and machine learning, including
science, technology, engineering, and math pro-
grams;

(F) risks associated with United States
and foreign country advances in military em-
ployment of artificial intelligence and machine
learning, including under the international law
of armed conflict, international humanitarian
law, and escalation dynamics;

(G) associated ethical considerations re-
lated to artificial intelligence and machine
learning as it will be used for future applica-
tions;

(H) means to establish data standards and
provide incentives for the sharing of open train-
ing data within related data-driven industries;

(I) development of privacy- and security-
protecting measures for data in artificial intel-
ligence, machine learning, and associated tech-
nologies; and

(J) any other matters the Commission
deems relevant to the common defense of the
Nation.

(e) Membership.—
(1) **NUMBER AND APPOINTMENT.**—The Commission shall be composed of 11 members appointed as follows:

(A) The Secretary of Defense shall appoint 3 members.

(B) The Chairman of the Committee on Armed Services of the Senate shall appoint 2 members.

(C) The ranking minority member of the Committee on Armed Services of the Senate shall appoint 2 members.

(D) The Chairman of the Committee on Armed Services of the House of Representatives shall appoint 2 members.

(E) The ranking minority member of the Committee on Armed Services of the House of Representatives shall appoint 2 members.

(2) **DEADLINE FOR APPOINTMENT.**—Members shall be appointed to the Commission under paragraph (1) not later than 90 days after the date of the enactment of this Act.

(3) **EFFECT OF LACK OF APPOINTMENT BY APPOINTMENT DATE.**—If one or more appointments under paragraph (1) is not made by the date specified in paragraph (2), the authority to make such
appointment or appointments shall expire, and the
number of members of the Commission shall be re-
duced by the number equal to the number of ap-
pointments so not made.

(d) CHAIR AND VICE CHAIR.—The Commission shall
elect a Chair and Vice Chair from among its members.

(e) TERMS.—Members shall be appointed for the life
of the Commission. A vacancy in the Commission shall not
affect its powers and shall be filled in the same manner
as the original appointment was made.

(f) STATUS AS FEDERAL EMPLOYEES.—Notwith-
standing the requirements of section 2105 of title 5,
United States Code, including the required supervision
under subsection (a)(3) of such section, the members of
the Commission shall be deemed to be Federal employees.

(g) FUNDING.—Of the amounts authorized to be ap-
propriated for fiscal year 2019 for the Department of De-
fense, not more than $10,000,000 shall be made available
to the Commission to carry out its duties under this sec-
tion. Funds made available to the Commission under the
preceding sentence shall remain available until expended.

(h) REPORTS.—

(1) INITIAL REPORT.—Not later than 180 days
after the date of the enactment of this Act, the
Commission shall submit to the President and Con-
gress an initial report on the findings of the Commission and such recommendations that the Commission may have for action by the executive branch and the Congress related to artificial intelligence and machine learning and associated technologies, including recommendations to more effectively organize the Federal Government.

(2) Comprehensive Report.—Not later than one year after the date of this enactment of this Act, and annually thereafter until the date specified in subsection (j), the Commission shall submit to the President and to Congress a comprehensive report on the review required under subsection (b).

(i) Definition of Artificial Intelligence.—In this section, the term “artificial intelligence” includes each of the following:

(1) Any artificial system that performs tasks under varying and unpredictable circumstances without significant human oversight, or that can learn from experience and improve performance when exposed to data sets.

(2) An artificial system developed in computer software, physical hardware, or other context that solves tasks requiring human-like perception, cog-
nition, planning, learning, communication, or physical action.

(3) An artificial system designed to think or act like a human, including cognitive architectures and neural networks.

(4) A set of techniques, including machine learning, that is designed to approximate a cognitive task.

(5) An artificial system designed to act rationally, including an intelligent software agent or embodied robot that achieves goals using perception, planning, reasoning, learning, communicating, decisionmaking, and acting.

(j) TERMINATION.—The Commission shall terminate on October 1, 2020.
