Attorney General shall develop and release a risk and needs assessment system (referred to in this subchapter as the ‘System’), which shall be used to—

“(2) assess and determine, to the extent practicable, the risk of violent or serious misconduct of each prisoner;

“(B) to address the specific criminogenic needs of the prisoner; and

most effectively lower each prisoner’s risk of recidi-

ism.

“(c) Housing and Assignment Decisions.—The

System shall provide guidance on program grouping and

housing assignment determinations and, after accounting

for the safety of each prisoner and other individuals at

Program Incentives and Productive Activities Re-
wards.—The System shall provide incentives and rewards

for prisoners to participate in and complete evidence-based
