

115TH CONGRESS
1ST SESSION

H. RES. 182

Recognizing the contributions of AmeriCorps members and alumni to the lives of the people of the United States.

IN THE HOUSE OF REPRESENTATIVES

MARCH 8, 2017

Ms. MATSUI (for herself and Mr. PRICE of North Carolina) submitted the following resolution; which was referred to the Committee on Education and the Workforce

RESOLUTION

Recognizing the contributions of AmeriCorps members and alumni to the lives of the people of the United States.

Whereas, since its inception in 1994, the AmeriCorps national service program has proven to be a highly effective way to engage the people of the United States in meeting a wide range of local and national needs and promote the ethics of service and volunteerism;

Whereas, since 1994, more than 1,000,000 individuals have taken the AmeriCorps pledge to “get things done for America” by becoming AmeriCorps members;

Whereas, each year, AmeriCorps, in coordination with State service commissions, provides opportunities for approximately 80,000 individuals across the United States to

give back in an intensive way to communities, States, and the United States;

Whereas AmeriCorps members have served more than 1,400,000,000 hours nationwide, helping to—

- (1) improve the lives of the most vulnerable people of the United States;
- (2) protect the environment;
- (3) contribute to public safety;
- (4) respond to disasters; and
- (5) strengthen the educational system of the United States;

Whereas, since 1994, more than \$8,700,000,000 in AmeriCorps funds have been invested in nonprofit, community, educational, and faith-based groups and those funds leverage hundreds of millions of dollars in outside funding and in-kind donations each year;

Whereas, in 2016, AmeriCorps members recruited and supervised more than 2,300,000 community volunteers, demonstrating the value of AmeriCorps as a powerful force for encouraging people to become involved in volunteering and community service;

Whereas, in 2016, AmeriCorps members served at approximately 21,000 locations across the United States, including at nonprofit organizations, schools, and faith-based and community organizations;

Whereas AmeriCorps National Civilian Community Corps campuses in Mississippi, Maryland, Iowa, California, and Colorado strengthen communities and develop future leaders through team-based service;

Whereas AmeriCorps members nationwide, in return for the service of those members, have earned more than

\$3,300,000,000 to use to further their own educational advancement at colleges and universities across the United States;

Whereas AmeriCorps members, after their terms of service with AmeriCorps end, have been more likely to remain engaged in their communities as volunteers, teachers, and nonprofit professionals than the average individual;

Whereas, in 2009, Congress passed the bipartisan Serve America Act (Public Law 111–13; 123 Stat. 1460), which authorized the expansion of national service, expanded opportunities to serve, increased efficiency and accountability, and strengthened the capacity of organizations and communities to solve problems;

Whereas national service programs have engaged millions of people in the United States in results-driven service in the most vulnerable communities of the United States, providing hope and help to individuals with economic and social needs;

Whereas national service and volunteerism demonstrate the best of the spirit of the United States, with people turning toward problems and working together to find community solutions; and

Whereas AmeriCorps Week, observed in 2017 from March 4 through March 11, is an appropriate time for the people of the United States to salute current and former AmeriCorps members for their positive impact on the lives of people in the United States, to thank the community partners of AmeriCorps for making the program possible, and to encourage more people in the United States to become involved in service and volunteering: Now, therefore, be it

1 *Resolved*, That the House of Representatives—

2 (1) encourages the people of the United States
3 to join in a national effort to—

4 (A) salute AmeriCorps members and alum-
5 ni; and

9 ments of the members, alumni, and community part-
10 ners of AmeriCorps;

11 (3) recognizes the important contributions
12 made by AmeriCorps members and alumni to the
13 lives of the people of the United States; and

14 (4) encourages individuals of all ages to con-
15 sider opportunities to serve in AmeriCorps.
